Spheres Of The Ryk Tar:

Spheres of the Ryk-Tar S. P. Dorning, 2013-02-17 It's been eight years since Mason and his friends defeated the Kanri. They thought it was over. They were wrong. A new threat has materialized from Mason's own homeworld and Mason has gone missing. Garid will have to team up with Gabriel Davin and his misfit crew of space pirates to find him in this strange new frontier. But can he do it before it's too late.

Grand Central Arena Ryk Spoor, 2024-12-17 It was supposed to be a simple test flight one that pilot Ariane Austin was on only as a last ditch backup. Intelligent superhumanly fast automation would handle the test activation and flight of humanity's first faster than light vessel. But when the Sandrisson Drive activated every automated system crashed, the nuclear reactor itself shut down and only the reflexes and training of a racing pilot saved the test vessel Holy Grail from crashing into the impossible wall that had appeared before them, a wall which is just part of a monstrous enclosure surrounding a space 20 000 kilometers across. With all artificial intelligences inert and their reactor dead, they had to find some other source of power to reactivate the Sandrisson Drive and hopefully take them home. And that was only the beginning. As Ariane Dr Simon Sandrisson, darkly enigmatic power engineer, Marc C DuQuesne and the rest of the Holy Grail's crew explore the immense artifact, they discover that they are not alone. They have entered a place the alien inhabitants call The Arena and there is no way out without joining one of the alien factions or winning recognition as a faction in their own right, playing by the Arena's rules. And by the Arena's rules, one failed challenge could mean death or worse, perhaps for the entire human race. Surrounded by alien factions each with its own secret plans and motivations, some wielding powers so strange as to be magical, Ariane sets out to beat the Arena at its own game. With DuQuesne's strategies, Sandrisson's genius and her own unyielding determination, she's going to bring the Holy Grail home, even if she has to beat every faction in the Arena to do it.
