SPOOKY STORY READING COMPREHENSION

PASSAGE AND QUESTIONS WITH ANSWER

THE WHISPERING SHADOWS

On a chilly October night, as the wind howled through the pine
trees of Willow Creek, the old Thompson house stood silent and dark. It
was said to be haunted, especially on Halloween. The townspeople often
heard curious legends whispered of shadows that moved on
their own, voices that could be heard even when no one was
there. Brenda and her friend Liam had heard these stories at their
school, but they had never seen anything. That Halloween night, they decided
to go outside to look. They were determined to see if the stories
were true. As they crept up the creaking stone steps, a strange feeling
came over them. The door opened on its own, revealing a dark hall
filled with shadows. Their flashlight beams pierced the dark
as they walked, but the walls seemed to pulse with a strange light.
In the daylight, they saw portraits on the walls of people
and hollow eyes. As they walked further into the house,
they heard whispers. At first, they thought it was just the wind
howling, but then they heard voices calling their names.
Suddenly, a shadow stepped across the hallway. Brenda
saw its face pale. "Did you see that?" she whispered. But
before Brenda could answer, they heard footsteps. Not
just any footsteps, but a figure slowly emerged from
the shadows. A woman in a long, tattered dress, her face hidden
in shadow. She looked down at the ground, her feet not
seeming to touch. "You shouldn't be here," she murmured in a voice that
seemed to come from everywhere. Brenda and Liam turned and ran, their
flashlights flickering. When they reached the street, they looked
back at the house one more time. No one was there, but they
could still hear the whispers. And they never returned to the
house.

1. What does the story
