Practice and Test yourself:

What you learn, try to implement it and practise. Make sentences similar to those you read as examples and verify yourself on the internet using grammar checker tools. You can take grammar exercises available on the internet.

Understand the Context:

Grammar depends on the scenario in which a sentence is said. Therefore, understanding the circumstances under which specific grammar rules apply will help you to remember them better.

6

7

Simultaneous implementation in Spoken:

Whatever you learn, try to use that while speaking. This way, you will be mindful about the grammar for a more extended period and better retain what you have learned.
