Manual of Extinct Or Obsolete Companies , 1930 **If the Solution Becomes a Problem, What Do You Do?** Beatrice N. Ofosuah, 2008-11 What are a woman's potential? What is a woman's basic communication style? What are the purpose and designed of the woman? Is the woman to blame for the fall of mankind? The million dollar question: Are women meant to be leaders? I chose this book to encourage all women in ministry who are going through rejection by our male counterpart for their frustration in the Body today. This frustration is a result of the obvious use of women by the Lord. There are instances wherein the Lord is using women to pastor churches and even from reformatations through the gift of Apostleship in the book of Romans. I admit that there are some abuses to ministry; however, the same is equally true or more so in the case of men who have abused their gifts in the Body. Nevertheless, God's truly called out hand maidens are getting the job done. They are successfully doing the work of the Lord. They operate in the ministry as the bone of His bones and the flesh of His flesh. Their works speak of them. There are men who desire to move in God and are being drawn to these women by God. Their gender is no longer an issue.
