Living Among Lions David Benham, Jason Benham, 2016-06-28 Meet Daniel A Transformed Man Who Transformed His World What does an ancient Jewish prophet have to do with modern America What if anything can we learn from a man who lived 2 400 years ago as a captive in the land we now call Iraq As it turns out quite a bit David and Jason Benham are convinced the biblical example of Daniel holds the keys to contemporary Christians living victoriously in a world increasingly hostile to people of faith Like Daniel many believers today find themselves in an unfriendly environment one opposed to the God they serve Yet like Daniel they must learn how to take a stand while serving the people around them *Living Among Lions* is for Christian brothers and sisters who have the potential to transform their world but find themselves standing in the shadows wondering how to respond in an unfriendly environment Divided into three sections *Living Among Lions* covers three distinct characteristics that made Daniel strong Conviction Commitment and Courage Daniel possessed all of these qualities and lived them out As a result God gave him unprecedented favor and supernatural power A mere slave living in exile Daniel emerged as one of the most powerful men in the known world Daniel's conviction commitment and courage empowered him not merely to survive in Babylon but to thrive He did not conform to his world he transformed his world

Improve Your Marriage By Improving Your Focus Dr. Mark Avery Reed, Dr Mark Avery Reed's book *Improve Your Marriage By Improving Your Focus* shows that God's intent is for our marriage to be happy and mutually enriching as we start emphasizing what we are receiving from our spouse and learn to increase simple marriage building behaviors As we improve our ability to see ourselves our spouse and our marriage as the Lord does we focus less on

problems and express greater gratitude to each other We become happier In *Improve Your Marriage By Improving Your Focus* we learn that a healthy happy marriage requires two people who have decent mental health Hence chapter 1 explains the key characteristics of mental and spiritual health Sadly this topic is seldom addressed at length in books on how to have a good marriage Dr Reed offers many surprising and very helpful insights on such matters as appropriate self disclosure romance intimacy proper expectations physical affection sex and the real nature of both agape and erotic love The seldom mentioned but important subject of how to hear from God for our marriage is also discussed with practical ideas which can be applied to any area of our life Other topic areas with valuable input include how to listen effectively dealing with conflict without emphasizing our problems building hope and optimism for our marriage strengthening commitment and how to focus on what is positive *Improve Your Marriage By Improving Your Focus* also points out Forty ways we can improve our self image since someone with a poor self image will find ways to avoid deep intimacy lest they be rejected Fifty five Bible verses which indicate we should focus on what is positive The biblical difference between justified and unjustified complaining and how unjustified griping greatly harms our marriage This book provides practical help by which most any two people with decent mental health can move their marriage from unsatisfying to at least satisfying or from good to even better

Eager to Love Richard Rohr, 2020-03-05 Francis of Assisi is one of the most beloved of all saints Both traditional and entirely revolutionary he was a paradox He was at once down to earth and reaching toward heaven grounded in the rich history of the Church while moving toward a new understanding of the world beyond Globally recognized as an ecumenical teacher Richard Rohr started out and remains a Franciscan friar The loving inclusive life and preaching of Francis of Assisi make him a recognizable and beloved saint across many faith traditions He was as Rohr notes a master of making room for it and letting go of that which was tired or empty Francis found an alternative way to follow Jesus one that disregarded power and privilege and held fast to the narrow path of the Gospel Rohr helps us look beyond the bird bath image of the saint to remind us of the long tradition founded on his revolutionary radical and life changing embrace of the teachings of Jesus Rohr draws on Scripture insights from psychology and literary and artistic references to weave together an understanding of the tradition as first practiced by St Francis Rohr shows how his own innovative theology is firmly grounded in the life and teaching of this great saint and provides a perspective on how his alternative path to the divine can deepen and enrich our spiritual lives The audio edition of this book can be downloaded via Audible
