Sports Media Guide Design

William Nichols

Sports Media Guide Design:

Sport Public Relations G. Clayton Stoldt, Stephen W. Dittmore, Mike Ross, Scott E. Bravold, 2021 The text provides students and professionals with an understanding of all aspects of sport public relations framing its discussion in terms of a managerial and proactive approach to PR

Media Relations in Sport William Nichols, 2002 Provides a framework for understanding the connection between the informational and commercial sides of sports information management Part I addresses the working relationships between journalists and sport organisations as they have evolved over the years Part II defines the various roles of sports information specialists along with their duties in disseminating information It provides practical guidelines on everything from writing press releases to preparing media guides to organising events such as news conferences and media days Part III addresses the responsibilities of sports information professionals How to organise and manage game coverage what to do to promote special events ranging from awards banquets to tournaments and how to develop publicity campaigns Part IV confronts the ethics of these formalised working relationships and the ideology they perpetuate The book is for students in sport management as well as students in journalism public relations or communications Each chapter contains a glossary of terms discussion questions suggested exercises role playing activities and extensive notes

Encyclopedia of Sports Management and Marketing Linda E. Swaine, Mark Dodds, 2011-08-08 The first reference resource to bring both sports management and sports marketing all together in one place

Sports Publicity Joseph Favorito, 2013 With a strong emphasis on professional practice and the day to day realities of working in sports and entertainment the book covers all the core functional areas such as Effective writing and speaking Building and Marketing brands Developing contacts and networks Social and Digital Media Strategy Gaining experience and internships Crisis management Successful pitching Press conferences Working with individual athletes teams and league organizations Agents Broadcast Networks and Agencies Understanding the global sports market The second edition includes brand new material on using social media gaming and brand integration as well as extended real world case studies and interviews with trailblazing PR professionals No other book offers such a valuable insider's view of the sports communications industry or the importance of PR and media relations in building successful sports organizations

Introduction to Sports Journalism Matthew H. Zimmerman, Lauren M. Burch, Brian Moritz, 2024-09-12 Sports journalism has seen massive upheaval in recent years Today's 24/7 sports networks streaming services and social media platforms bring sports coverage and live events to consumers anytime anywhere But despite the increase in the number of media outlets and the speed by which news is delivered and consumed the basic tenets of sports journalism remain albeit with a few new wrinkles Embracing this dynamic Introduction to Sports Journalism provides students with the practical knowledge and tools to succeed in the evolving field of sports journalism While other texts repeat the sports journalism is changing refrain Introduction to Sports Journalism sheds light on how and why it's changing Through these discussions students are challenged to formulate their own perspectives on

contemporary sports journalism journalistic expression and how these concepts fit in today's evolving media and societal landscapes The text begins with an overview and history of sports journalism and traditional media Also discussed is the impact of today's nontraditional journalists the bloggers and videographers outside traditional media channels The core of the text then focuses on developing practical skills required to work in the sports journalism field including knowing how and what to write to craft compelling stories Much attention is paid to analytics what they are their variations across sports and how to interpret and use them effectively Also featured are digital media blogs podcasts and social media platforms and the technological tools used to create content Sports journalism and public relations often overlap and the text explains the nuances of the respective functions Public relations tools such as media guides and game notes are presented as well as a section on crisis communication The pressure to break the story can tempt even the best journalist to plagiarize or fabricate stories or skip fact checks The text covers journalism ethics and provides best practices for avoiding traps Racial and gender bias and the importance of providing equitable coverage are also discussed Additionally legal issues such as copyright privacy discrimination defamation reporter's privilege and first amendment rights are addressed The book concludes with a discussion of career paths and challenges facing the industry The landscape is changing and in response the authors provide career advice for students entering the field In the chapters you'll find Industry Profile sidebars featuring interviews and conversations with practicing sports journalists Also included are Time Out activities throughout the chapters and end of chapter discussion questions applied activities and practical exercises all designed to engage students more fully with the content and apply learning to real life situations Introduction to Sports Journalism provides a comprehensive overview of contemporary sports journalism spanning all media platforms and sport organizations to prepare students for a dynamic career in sports journalism
