

The Needlework of
MARY
Queen of Scots

Margaret Swain

The Needlework Of Mary Queen Of Scots

Margaret Swain

A decorative red circular graphic element, resembling a stylized sun or a lens flare, is positioned to the right of the author's name. It has a soft, glowing red center that fades into a lighter red and then into the white background of the slide.

The Needlework Of Mary Queen Of Scots:

Needlework of Mary Queen of Scots Margaret Swain, 2013-08-31 Although a large body of needlework has always been attributed to Mary Queen of Scots little attempt was made to authenticate these pieces or to explain how so energetic and impetuous a woman could have found pleasure in the meticulous craft of embroidery This is the first comprehensive study of the Queen as a needlewoman describing all the works associated with her For the first time every piece marked by her cipher or monogram is illustrated in full A biographical outline provides the framework for understanding her work by setting it in the context of her unsettled and stormy life It recounts the influence of her formative years in France and her absorption in needlework during the years of imprisonment Many of the embroideries can be seen in British country houses and in Scottish collections A significant work in the history of costume and textiles and sheds a new light on those little known aspects of Mary Queen of Scots life The first comprehensive study of the Queen of Scots as a needlewoman and how such an energetic and impetuous woman could have found pleasure in the meticulous craft of embroidery Illustrated in full with 12 colour 70 black white photographs and 20 illustrations Margaret Swain is an expert on the history of costume and textiles and was awarded an MBE for her work on embroidery and tapestries *The Needlework of Mary, Queen of Scots* Margaret H. Swain, 1973-01-01 *Emblems for a Queen* Michael Bath, 2008-10-14 The many pieces of embroidery made by Mary Queen of Scots and by Elizabeth Countess of Shrewsbury are among the best known and most important examples of historical embroidery Most notable is the extent to which the embroideries executed by the two women constitute a single distinctive body of creative work The purpose of this book is to address the many unanswered questions surrounding the meaning and purpose of their embroidery and above all the sources and patterns used for their imagery *The Needlework of Mary, Queen of Scots* Margaret Swain, 1973 *Embroidering Her Truth* Clare Hunter, 2022-03-17 I felt that Mary was there pulling at my sleeve willing me to appreciate the artistry wanting me to understand the dazzle of the material world that shaped her At her execution Mary Queen of Scots wore red Widely known as the colour of strength and passion it was in fact worn by Mary as the Catholic symbol of martyrdom In sixteenth century Europe women's voices were suppressed and silenced Even for a queen like Mary her prime duty was to bear sons In an age when textiles expressed power Mary exploited them to emphasise her female agency From her lavishly embroidered gowns as the prospective wife of the French Dauphin to the fashion dolls she used to encourage a Marian style at the Scottish court and the subversive messages she embroidered in captivity for her supporters Mary used textiles to advance her political agenda affirm her royal lineage and tell her own story In this eloquent cultural biography Clare Hunter exquisitely blends history politics and memoir to tell the story of a queen in her own voice A charmed feat of imagination and learning HILARY MANTEL **Mary Queen of Scots** Retha M. Warnicke, 2006-04-18 Scholars now have Warnicke to use as their chief one volume study of Mary Julian Goodare University of Edinburgh In this biography of one of the most intriguing figures of early modern European history Retha Warnicke widely

regarded as a leading historian on Tudor queenship offers a fresh interpretation of the life of Mary Stuart popularly known as Mary Queen of Scots Setting Mary's life within the context of the cultural and intellectual climate of the time and bringing to life the realities of being a female monarch in the sixteenth century Warnicke also examines Mary's three marriages her constant ill health and her role in numerous plots and conspiracies Placing Mary within the context of early modern gender relations Warnicke reveals the challenges that faced her and the forces that worked to destroy her This highly readable and fascinating study will pour fresh light on the much debated life of a central figure of the sixteenth century providing a new interpretation of Mary Stuart's impact on politics gender and nationhood in the Tudor era Afterlife of Mary, Queen of Scots Steven J. Reid, 2024-04-30 Mary Queen of Scots 1542-1587 was active as monarch of Scotland for just six years between 1561 and 1567 but her impact as a ruler in Scotland is much less important than her subsequent role in popular culture and imagination Her story has enjoyed perpetual retelling and reached a global audience over the past four and a half centuries This collection surveys the exceptionally varied range of objects literature art and media that have been produced to commemorate Mary between her own time and the present day Why is her story so enduring pervasive and of such interest to so many different audiences How have the narratives associated with these objects evolved in response to shifting cultural attitudes The collection offers a much needed novel perspective on the Queen of Scots using an approach at the intersection of early modern gender and cultural history museum and heritage studies and memory studies **Catalogue of the Special Loan Exhibition of Decorative Art Needlework Made Before 1800** South Kensington Museum, 1874

Living in Posterity Jan Frans van Dijkhuizen, 2004 Living in Posterity presented to Bart Westerweel on his retirement as Professor of Early Modern English literature at the University of Leiden brings together thirty nine essays on a wide variety of subjects and themes The contributors scholars from the Netherlands and abroad have drawn inspiration from the many dualities that are characteristic of Westerweel's work such as word image Anglo Dutch familiar other traditional modern and form function The result is a colourful mosaic of essays on history culture art and literature from the first century to the modern era The binding theme of this richly diverse book lies in the idea of the continuity between the past and the present the cohesion between what was and what is As such Living in Posterity is part of the larger project of the humanities to engage sympathetically with the past to speak with the dead and keep history alive **The Rise and Fall of Art**

Needlework Linda Cluckie, 2008 Cluckie explores the growth and development of Art Embroidery in Britain circa 1870-1890 giving special consideration to the support received from the art establishment in designing for and educating embroiderers This thesis demonstrates the hidden workforce's contribution to the British economy The Rule of Women in Early Modern Europe Anne J. Cruz, Mihoko Suzuki, 2009 A transnational comparison of women rulers and women's sovereignty throughout Europe *Pens and Needles* Susan Frye, 2011-11-29 The Renaissance woman whether privileged or of the artisan or the middle class was trained in the expressive arts of needlework and painting which were often given precedence over writing

Pens and Needles is the first book to examine all these forms as interrelated products of self fashioning and communication. Because early modern people saw verbal and visual texts as closely related, Susan Frye discusses the connections between the many forms of women's textualities including notes in samplers, alphabets, both stitched and penned initials, ciphers, and extensive texts like needlework pictures, self-portraits, poetry, and pamphlets, as well as commissioned artwork, architecture, and interior design. She examines works on paper and cloth by such famous figures as Elizabeth I, Mary Queen of Scots, and Bess of Hardwick, as well as the output of journeywomen, needleworkers, and miniaturists, Levina Teerlinc, and Esther Inglis, and their lesser-known sisters in the English colonies of the New World. Frye shows how traditional women's work was a way for women to communicate with one another and to shape their own identities within familial, intellectual, religious, and historical traditions. Pens and Needles offers insights into women's lives and into such literary texts as Shakespeare's Othello and Cymbeline, and Mary Sidney Wroth's Urania. **Mary Queen of Scots in Captivity** John Daniel Leader, 1880

Shakespeare's Erotic Mythology and Ovidian Renaissance Culture Ms Agnès Lafont, 2013-09-28 Taking cross-disciplinary and comparative approaches to the volume's subject, this exciting collection of essays offers a reassessment of Shakespeare's erotic and Ovidian mythology within classical and continental aesthetic contexts. Through extensive examination of mythological, visual, and textual material, scholars explore the transmission and reinvention of Ovidian eroticism in Shakespeare's plays to show how early modern artists and audiences collectively engaged in redefining ways of thinking pleasure. Within the collection's broad-ranging investigation of erotic mythology in Renaissance culture, each chapter analyses specific instances of textual and pictorial transmission, reception, and adaptation. Through various critical strategies, contributors trace Shakespeare's use of erotic material to map out the politics and aesthetics of pleasure, unravelling the ways in which mythology informs artistic creation. Received conceptions of neo-platonic love and the Petrarchan tensions of unattainable love are revisited with a focus on parodic and darker strains of erotic desire, such as Priapic and Dionysian energies, lustful fantasy, and violent eros. The dynamics of interacting tales is explored through their structural ability to adapt to the stage. Myth in Renaissance culture ultimately emerges not merely as near inexhaustible source material for the Elizabethan and Jacobean arts, but as a creative process in and of itself. Renaissance Clothing and the Materials of Memory Ann Rosalind Jones, Peter Stallybrass, 2000 During the late sixteenth century, fashion first took on the sense of restless change in contrast to the older sense of fashioning or making. As fashionings, clothes were perceived as material forms of personal and social identity which made the man or woman. In Renaissance Clothing and the Materials of Memory, Jones and Stallybrass argue that the making and transmission of fabrics and clothing were central to the making of Renaissance culture. Their examination explores the role of clothes as forms of memory transmitted from master to servant, from friend to friend, from lover to lover. This 2001 book offers a close reading of literary texts, paintings, textiles, theatrical documents, and ephemera to reveal how clothing and textiles were crucial to the making and unmaking of concepts of status.

gender sexuality and religion in the Renaissance The book is illustrated with a wide range of images from portraits to embroidery *The Edge of Christendom on the Early Modern Stage* Lisa Hopkins, 2022-03-07 Throughout the sixteenth and seventeenth centuries the edges of Europe were under pressure from the Ottoman Turks This book explores how Shakespeare and his contemporaries represented places where Christians came up against Turks including Malta Tunis Hungary and Armenia Some forms of Christianity itself might seem alien so the book also considers the interface between traditional Catholicism new forms of Protestantism and Greek and Russian orthodoxy But it also finds that the concept of Christendom was under threat in other places some much nearer to home Edges of Christendom could be found in areas that were or had been pagan such as Rome itself and the Danelaw which once covered northern England they could even be found in English homes and gardens where imported foreign flowers and exotic new ingredients challenged the concept of what was native and natural **Exhibition of the Royal House of Stuart** New Gallery (London, England), 1889

Women's Agency in Early Modern Britain and the American Colonies Rosemary O'Day, 2014-06-11 Women in early modern Britain and colonial America were not the weak husband and father dominated characters of popular myth Quite the reverse strong women were the norm They exercised considerable influence as important agents in the social economic religious and cultural life of their societies This book shows how women on both sides of the Atlantic while accepting a patriarchal system with all its advantages and disadvantages contrived to carve out for themselves meaningful lives Unusually it concentrates not only on the making and meaning of marriage but also upon the partnership between men and women It also looks at the varied roles cultural religious and educational that women played both inside and outside marriage during the key period 1500 1760 Women emerge as partners patrons matchmakers investors and network builders

Shakespeare on Screen : The Roman Plays , Is there a specificity to adapting a Roman play to the screen This volume interrogates the ways directors and actors have filmed and performed the Shakespearean works known as the Roman plays which are in chronological order of writing Titus Andronicus Julius Caesar Antony and Cleopatra and Coriolanus In the variety of plays and story lines common questions nevertheless arise Is there such a thing as filmic Romanness By exploring the different ways in which the Roman plays are re interpreted in the light of Roman history film history and the Shakespearean tradition the papers in this volume all take part in the ceaseless investigation of what the plays keep saying not only about our vision of the past but also about our perception of the present *London Society* James Hogg, Florence Marryat, 1873

The Needlework Of Mary Queen Of Scots Introduction

In today's digital age, the availability of The Needlework Of Mary Queen Of Scots books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Needlework Of Mary Queen Of Scots books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Needlework Of Mary Queen Of Scots books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Needlework Of Mary Queen Of Scots versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Needlework Of Mary Queen Of Scots books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Needlework Of Mary Queen Of Scots books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Needlework Of Mary Queen Of Scots books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Needlework Of Mary Queen Of Scots books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Needlework Of Mary Queen Of Scots books and manuals for download and embark on your journey of knowledge?
