Soft Skills André Iland,2013-01-03 If you look for a book dealing with soft skills with a difference here it is Yes you are at the right place for the right material This special book deals with not only the importance of soft skills also the use of it both at your workplace and at your homes The concern is that you are going to make a difference not only in your workplace also in your family As the book emphasizes the importance of soft skills for making your professional career highly on demand it also shows ways to make your family life more pleasant and happy A search for a homely relationship with your wife and children Soft skills are interpersonal and intra personal skills and they objectively refer to a term relating to a person s EQ Emotional Intelligence Quotient This is a package of skills related to personality development that including social skills communication and language skills interpersonal habits assertiveness friendliness and optimism that demonstrate the relationship with the other Soft skills remain essential to any person who wants to demonstrate the maturity of thinking and responding to the people and situations Soft skills are personal skills which make a person more polished and more successful Soft skills are part of interpersonal and intra personal skills that play a crucial role in demonstrating the characterized relationship with the other Soft skills differentiate a person from the other based on his her interpersonal relationship within the group or outside of it Behavioral experts say that there are many soft skills which need to make our interaction with people or the environment friendly and productive Another reason for training ourselves in soft skills is that they are not taught in schools or colleges to an extent comparable to the regular academic studies Soft Skills make you assertive in your approach to your peers or customers Assertiveness can be defined as the ability to express yourself without

being rude or aggressive The fine tuning of character is done with the soft skills Soft skills enable the employee to focus on real time problems and challenges that he she faces ordinarily at the work place Soft skills are not those which are in demand only in work places or with colleagues or with bosses It is not that as an employee with a dream to go up on your professional ladder you should not be demonstrating your soft skills professionally in your workplace or with your peers and superiors Recognizing the individuality of the other and valuing their perspectives are important qualities of interpersonal relationship However it is also important to distinguish the difference between being assertively friendliness and submissive It means you should not permit the other to trample over you and crush your dignity Strong interpersonal skills imply the ability to interact with confidence and soft skills make this possible for you in your life This book is written keeping in mind the contemporary trend on soft skills and their importance in today s world iland business publishing specialises in the area of reference guides for readers seeking practical information to improve themselves in careers finance and other related core business topics We bring our readers the information they need to stay in step with required skills and techniques Our authors are experts in their fields and deliver well written easy to follow yet comprehensive books that inform advise and educate

Soft Skills - Enhancing Employability M. S. Rao,2010 The Direction in which education starts a man will determine his future Plato Currently there is a wide chasm between the campus and the industry There is vast gap between the art and the craft The book helps in connecting the campus with the corporate by bridging the gap between the campus and the industry and by blending both the art and the craft It helps you understand and appreciate both soft and hard skills It differentiates between unemployability and unemployment It enlightens you about the expectations of employers It equips you with tools and techniques to enhance your employability Finally it builds your confidence and competence to bag your coveted job The book is divided into three sections Section I deals with various aspects of soft skills and what constitutes soft skills Section II outlines the current challenges in the Indian educational system Section III emphasizes on overcoming the challenges It unveils the secrets and strategies in enhancing employability The book concludes that an integrated and coordinated approach by all the stakeholders such as educational institutions educators students recruiters and parents is essential in enhancing employability among youth The book is beneficial to all those who would like to enhance their employability skills and also to educators employees educational institutions recruiters and above all students
