

"Chip Bell understands the importance of gaining trust while running a customer-centric business, and shares the secrets of success."

—Herve Humler, president and COO,
The Ritz-Carlton Hotel Company

A large, glowing lightbulb is the central focus, filled with a variety of colorful sprinkles. Surrounding the lightbulb are several white line-art icons: a dollar sign inside a circle of coins, a line graph showing an upward trend, a lightbulb with rays emanating from it, a bar chart, a circular flow diagram with nodes labeled 'idea', 'service', 'work', 'product', and 'time', and a pyramid structure. The entire scene is set against a dark blue background.

Sprinkles Creating Awesome Experiences Through Innovative Service:

Sprinkles Chip R. Bell, 2015 The Internet has commoditized products and made excellent service the norm Consumers now routinely expect perks such as next day delivery around the clock access and free returns Differentiating your company just by offering exceptional service is difficult and slices into already thin profit margins Leadership consultant Chip R Bell says you can differentiate yourself a different way without a lot of expense by offering value unique service that surprises and delights your customers Just as colorful sprinkles make ordinary cupcakes special innovative heartfelt service tells customers you value them Bell s abundant use of nostalgic examples drawn from neighborhood businesses makes the text seem quaint and cozy or maybe provincial depending on your perspective Therefore getAbstract suggests his warm advice particularly to small business owners and self employed service providers Bell s tenets of special service might be slightly more applicable in a small shop than a large company though any business could benefit by sprinkling on a little extra sugar for its customers

Add a Little Sparkle to Your Service In his newest book on innovative service bestselling author Chip R Bell focuses on the importance of delivering the core of a service experience in a fashion that is value unique not just value added In his own words Innovative comes from your core it evokes an experience of genuineness a sense that its source is deep not superficial This wonderful book offers powerful practical advice along with engaging stories of ways a novel service experience can also be one that is profound

Employee Ambassadorship Michael W. Lowenstein, 2017-04-04 There have been a number of professional and academic studies in multiple industries linking employee attitudes and behaviors with the value customers perceive in their experiences Through targeted research and resultant training communication process and reward and recognition programs what we define as ambassadorship formalizes the direction in which employee engagement has been trending toward for years Simply the trend is optimizing employee commitment to the organization and its goals to the company's unique value proposition and to the customer This is employee ambassadorship a state beyond satisfaction and engagement where all employees are focused on and tasked with delivering customer value as part of their job description irrespective of location function or level There is growing general agreement that both developing employee ambassadors and customer advocates should receive high priority and emphasis if an enterprise is going to be successful What building ambassadorship does mandate however is that having employees focus on the customer will definitely drive more positive experiences and stronger loyalty behavior for both stakeholder groups Because antecedent approaches to employee engagement through research and application are principally about productivity and alignment and offer an organization only modest insight about level or degree of customer centricity more connection between employee behavior and customer behavior builds focus effectiveness and profitability That is what the content scope of Employee Ambassadorship will help provide

Strategic Customer Service John Goodman, 2019-02-05 Any organization can win more customers and increase sales if they learn to be more strategic with their customer service When customers complain employees respond The typical service model is riddled with holes What about people and businesses who never speak up but never come back Learn to actively reach out prevent problems and resolve issues in ways that boost loyalty Strategic Customer Service is a data packed roadmap that shows you how This invaluable resource distills decades of research on the impact of great versus mediocre service Complete guidelines and case studies explain how to Gather and analyze customer feedback Empower employees to fix problems Track your impact on revenue Generate sensational word of mouth Tap opportunities to cross sell and up sell Strategic Customer Service draws on over 30 years of research from companies such as 3M GE and Chick Fil A to teach you how to transcend a good business into a profitable word of mouth machine that transforms the bottom line Why settle for passive service Make a business case for ramping up operations and get the tools for making it pay off Transform customer service into a strategic function and reap benefits far exceeding investments

Never Lose a Customer Again Joey

Coleman, 2018-04-03 Award winning speaker and business consultant Joey Coleman teaches audiences and companies all over the world how to turn a one time purchaser into a lifelong customer Coleman's theory of building customer loyalty isn't about focusing on marketing or closing the sale It's about the First 100 Days after the sale and the interactions the customer experiences While new customers experience joy euphoria and excitement these feelings quickly shift to fear doubt and uncertainty as buyer's remorse sets in Across all industries somewhere between 20% 70% of newly acquired customers will stop doing business with a company within the first 100 days of being a new customer because they feel neglected in the early stages of customer onboarding In Never Lose a Customer Again Coleman offers a philosophy and methodology for dramatically increasing customer retention and as a result the bottom line He identifies eight distinct emotional phases customers go through in the 100 days following a purchase From an impulse buy at Starbucks to the thoughtful purchase of a first house all customers have the potential to experience the eight phases of the customer journey If you can understand and anticipate the customer's emotions you can apply a myriad of tools and techniques in person email phone mail video and presents to cement a long and valuable relationship Coleman's system is presented through research and case studies showing how best in class companies create remarkable customer experiences at each step in the customer lifecycle In the Acclimate stage customers need you to hold their hand and over explain how to use your product or service They're often too embarrassed to admit they're confused Take a cue from Canadian software company PolicyMedical and their challenge of getting non technical users to undergo a complex installation and implementation process They turned a series of project spreadsheets and installation manuals into a beautiful puzzle customers could assemble after completing each milestone In the Adopt stage customers should be welcomed to the highest tier of tribal membership with both public and private recognitions For instance Sephora's VIB Rogue member welcome gift provides a metallic membership card private recognition and a members only shade of lipstick for public display In the final stage Advocate loyal customers and raving fans are primed to provide powerful referrals That's how elite entrepreneurial event MastermindTalks continues to sell out their conference year after year with zero dollars spent on marketing By surprising their loyal fans with amazing referral bonuses an all expenses paid safari they guarantee their community will keep providing perfect referrals Drawing on nearly two decades of consulting and keynoting Coleman provides strategies and systems to increase customer loyalty Applicable to companies in any industry and of any size whether measured in employee count revenue or total number of customers implementing his methods regularly leads to an increase in profits of 25 100% Working with well known clients like Hyatt Hotels Zappos and NASA as well as mom and pop shops and solo entrepreneurs around the world Coleman's customer retention system has produced incredible results in dozens of industries His approach to creating remarkable customer experiences requires minimal financial investment and will be fun for owners employees and teams to implement This book is required reading for business owners CEOs and managers as well as sales and marketing teams account managers and

customer service representatives looking for easy to implement action steps that result in lasting change increased profits and lifelong customer retention Creating Costumes for Devised Theatre Kyla Kazuschyk, 2023-01-31 Creating Costumes for Devised Theatre combines perspectives from a variety of theatre practitioners to guide artists through the journey of creating costumes for devised work Devised theatre can take a number of different forms and it can be a challenge for the costume department to plan organize and assemble things for performers to wear while the entire shape of the piece is constantly changing This book provides practical resources to guide the theatre artist through the journey of designing costumes as the characters are created It addresses a wide range of questions including how to adapt traditional methods of costume design to non traditional practices how to effectively collaborate with a team and how to adapt costume technology practices to meet the needs of devising Stories and photographs from performers designers technicians directors writers educators students and activists working in the realm of devised theatre around the world are contextualized through the author s own involvement in unscripted partially scripted and otherwise dynamic drama dance and physical theatre to offer tangible solutions to streamline costume design and construction processes This book is an invaluable guide for both experienced and novice costume designers costume technicians students teachers directors managers and theatre artists who exist in the spaces where all these roles overlap
