The Assistant Principal's Handbook Jeffrey Glanz, 2004-04-19 Tips and tools to turn APs into VIPs Long considered an under appreciated and under utilized position the role of the assistant principal is finally getting the attention and respect it deserves In this truly indispensable companion current and prospective administrators will gain concrete suggestions and solutions to maximize their impact effectiveness and satisfaction in this critical position Uncovering major obstacles assistant principals have faced in trying to meet their personal and professional goals The Assistant Principal's Handbook uses this perspective as a backdrop for change based on democracy caring and respect In this perceptive exploration into the assistant principal's duties you will discover how to Hone leadership skills especially related to curriculum supervision evaluation and discipline Stimulate an atmosphere of learning and achievement Make the assistant principalship more than just a principal in training position Develop relationships with peers and teachers based on respect Share responsibilities with teachers as a way to build trust and collegiality Insightful chapters are packed with straightforward ways to avoid administrative frustration yet cultivate instructional support and the reflective exercises real life scenarios and vignettes drive home key points

Examining the Assistant Principalship Alan R. Shoho, Bruce G. Barnett, Autumn K. Tooms, 2011-11-01 This edited book highlights the importance and complexity of the assistant principalship As noted in all the chapters the assistant principal is a critical partner in creating a professional learning community that serves all students well Often neglected or ignored in the literature assistant principals are more than disciplinarians and student or building managers In the best of all worlds they provide the professional support and partnership with their principals to create high performing schools Unfortunately as noted in some of the chapters the ideal and actual roles that assistant principals exercise often create a gap that seethes with disillusionment and dissatisfaction The challenge for the profession is to better align the roles and expectations of assistant principals so that they can experience the best of being a school leader
