Burroughs,2022-02-28T19:55:17Z The Beasts of Tarzan the third book in the Tarzan series was first published in All Story Cavalier magazine in 1914 It was later published as a novel in 1916 Tarzan's old enemy Nikolas Rokoff escapes prison and plans his revenge by kidnapping the Tarzan's son the heir of Greystoke He also captures Tarzan and Jane and takes them all

back to Africa where he strands the Ape man on an island before continuing on with his dastardly plan On the island prison Tarzan befriends a troop of apes led by Akut and tames Sheeta the panther before escaping and setting off to rescue his wife and child This book is part of the Standard Ebooks project which produces free public domain ebooks *Tarzan of the Apes* Edgar Rice Burroughs,2024-06-25 I had this story from one who had no business to tell it to me or to any other I may credit the seductive influence of an old vintage upon the narrator for the beginning of it and my own skeptical incredulity during the days that followed for the balance of the strange tale When my convivial host discovered that he had told me so much and that I was prone to doubtfulness his foolish pride assumed the task the old vintage had commenced and so he unearthed written evidence in the form of musty manuscript and dry official records of the British Colonial Office to support many of the salient features of his remarkable narrative I do not say the story is true for I did not witness the happenings which it portrays but the fact that in the telling of it to you I have taken fictitious names for the principal characters quite sufficiently evidences the sincerity of my own belief that it MAY be true The yellow mildewed pages of the diary of a man long dead and the records of the Colonial Office dovetail perfectly with the narrative of my convivial host and so I give you the story as I painstakingly pieced it out from these several various agencies Beasts of Tarzan Edgar Rice Burroughs,2021 The Beasts of Tarzan picks up soon after where Tarzan of the Apes left off The ape man feeling rootless in the wake of his noble sacrifice of his prospects of wedding Jane Porter leaves the United States for Europe to visit his friend Paul d Arnot On the ship he becomes embroiled in the affairs of Countess Olga de Coude her husband Count Raoul de Coude and two shady characters attempting to prey on them Nikolas Rokoff and his henchman Alexis Paulvitch Rokoff it turns out is also the countess s brother Tarzan thwarts the villains scheme making them his deadly enemies **Tarzan and the Jewels of Opar** Edgar Rice Burroughs,2015-10-18 Lieutenant Albert Werper had only the prestige of the name he had dishonored to thank for his narrow escape from being cashiered At first he had been humbly thankful too that they had sent him to this Godforsaken Congo post instead of court martialing him as he had so justly deserved but now six months of the monotony the frightful isolation and the loneliness had wrought a change The young man brooded continually over his fate His days were filled with morbid self pity which eventually engendered in his weak and vacillating mind a hatred for those who had sent him here for the very men he had at first inwardly thanked for saving him from the ignominy of degradation He regretted the gay life of Brussels as he never had regretted the sins which had snatched him from that gayest of capitals and as the days passed he came to center his resentment upon the representative in Congo land of the authority which had exiled him his captain and immediate superior This officer was a cold taciturn man inspiring little love in those directly beneath him yet respected and feared by the black soldiers of his little command **The Beasts of Tarzan** Edgar Rice Burroughs,2018-03-24 WELCOME TO HUNGRY ENGINE PUBLICATION In this book you will enjoy and feel the content so that your book reading will become more interesting What s special You will find better error free content images design Some extra features like author

The Son of Tarzan Edgar Rice Burroughs,2021 The Son of Tarzan begins ten years after the conclusion of The Beasts of Tarzan During the past decade Alexis Paulvitch who had escaped Tarzan at the end of the last novel has lived a hideous life of abuse and disease among tribal people in Africa Now he is discovered by a European ship and taken aboard In the months that follows Paulvitch encounters the ape Akut whom Tarzan had befriended in that previous story at one of the ship s stops Because of Akut s interactions with Tarzan he is unafraid of white men and Paulvitch unaware of the previous relationship sees an opportunity to make some money He takes Akut to London and begins displaying him publicly After the trauma of the kidnappings ten years earlier Jane has refused to return to Africa or to allow Jack to know anything about his father s past for fear that he might somehow try to relive it Perhaps she instinctively knew that Jack was somehow very connected to Tarzan s old life for Jack did have an avid interest in wildlife and he was extremely athletic When the Claytons hear about the displayed ape they forbid Jack from going to see it But he sneaks off and does so anyway John Clayton follows his son and is surprised to find the ape is his old friend Akut and begins conversing with him Jack is amazed to see that his father could do so John then tells Jack of his life as Tarzan Jack continues sneaking away to see Akut and begins to learn the language of the apes Jack forms a plan to take Akut back to the jungle Paulvitch seeing an opportunity for revenge against Tarzan agrees to help Jack They escape to an African port where Paulvitch attacks Jack Akut kills Paulvitch and Jack terrified escapes into the jungle with him thinking he will have to run for the rest of his life
