culture desperate people who live in the dangerous lower levels of New York City in a powder keg situation ready to blow

Seafort must save him This is the finest action tale in the series to date Booklist Patriarch's Hope The Transpop Rebellion ended ten years ago with now Secretary General Nicholas Seafort as a hero But now an explosive disaster forces Nick to reexamine his life his family and his future as adversaries align against him To save the planet from itself he will need cunning allies and a large helping of luck Top notch sci fi political intrigue with a strong military flavor Library Journal

Children of Hope Nicholas Seafort is the hero who saved the planet of Hope Nation from civil war and the fishlike aliens But Randy Carr son of Seafort's old friend Derek blames him for his father's death As a religious group called the Patriarchs fight to gain political control of Earth and the aliens suddenly reappear claiming they have peaceful intentions Randy and Seafort become unlikely allies in a final fight for the planet's future Amid the nonstop action Feintuch skillfully pushes all the emotional buttons Publishers Weekly

The Columbia Companion to Modern East Asian Literature Joshua S. Mostow, 2003 This extraordinary one volume guide to the modern literatures of China Japan and Korea is the definitive reference work on the subject in the English language With more than one hundred articles that show how a host of authors and literary movements have contributed to the general literary development of their respective countries this companion is an essential starting point for the study of East Asian literatures Comprehensive thematic essays introduce each geographical section with historical overviews and surveys of persistent themes in the literature examined including nationalism gender family relations and sexuality Following the thematic essays are the individual entries over forty for China over fifty for Japan and almost thirty for Korea featuring everything from detailed analyses of the works of Tanizaki Jun ichiro and Murakami Haruki to far ranging explorations of avant garde fiction in China and postwar novels in Korea Arrayed chronologically each entry is self contained though extensive cross referencing affords readers the opportunity to gain a more synoptic view of the work author or movement The unrivaled opportunities for comparative analysis alone make this unique companion an indispensable reference for anyone interested in the burgeoning field of Asian literature Although the literatures of China Japan and Korea are each allotted separate sections the editors constantly kept an eye open to those writers works and movements that transcend national boundaries This includes for example Chinese authors who lived and wrote in Japan Japanese authors who wrote in classical Chinese and Korean authors who write in Japanese whether under the colonial occupation or because they are resident in Japan The waves of modernization can be seen as reaching each of these countries in a staggered fashion with eddies and back flows between them then complicating the picture further This volume provides a vivid sense of this dynamic interplay
