

Gothic Fantasy Media Sensation

Leigh Grossman

Gothic Fantasy Media Sensation:

Popular Ghosts Maria del Pilar Blanco, Esther Peeren, 2010-04-01 Located in the ambivalent realm between life and death ghosts have always inspired cultural fascination as well as theoretical consideration *Politics in Fantasy Media* Gerold Sedlmayr, Nicole Waller, 2014-10-21 Fantasy is often condemned as escapist unsophisticated and superficial This collection of new essays puts such easy dismissals to the test by examining the ways in which Fantasy narratives present diverse politically relevant discourses gender race religion or consumerism and thereby serve as indicators of their real world contexts Through their depiction of other worlds allegedly disconnected from our own these texts are able to actualize political attitudes Instead of categorizing Fantasy either as conservative or progressive the essays suggest that its generic peculiarity allows the emergence of productive forms of oscillation between these extremes Covered are J R R Tolkien's *The Lord of the Rings* George R R Martin's *A Song of Ice and Fire* sequence J K Rowling's *Harry Potter* novels the vampire TV series *True Blood* and the dystopian computer game *Fallout 3* The Pleasures of Horror Matt Hills, 2005-06-20 *Pleasures of Horror* is a stimulating and insightful exploration of horror fictions literary cinematic and televisual and the emotions they engender in their audiences The text is divided into three sections The first examines how horror is valued and devalued in different cultural fields the second investigates the cultural politics of the contemporary horror film while the final part considers horror fandom in relation to its embodied practices film festivals its reading formations commercial fan magazines and fanzines and the role of special effects *Pleasures of Horror* combines a wide range of media and textual examples with highly detailed and closely focused exposition of theory It is a fascinating and engaging look at responses to a hugely popular genre and an invaluable resource for students of media cultural and film studies and fans of horror *The Year's Best Dark Fantasy & Horror* Paula Guran, 2022-10-18 The supernatural the surreal and the all too real Such tales of the dark and the unknown have always fascinated us and modern authors carry on the disquieting traditions of the past while inventing imaginative new ways to unsettle us Chosen from a wide variety of venues these stories are as eclectic and varied as shadows The latest volume of *The Year's Best Dark Fantasy and Horror* edited by fantasy aficionado Paula Guran offers more than four hundred pages of tales from some of today's finest writers of the fantastique including Alix E Harrow Zen Cho Elizabeth Hand and many more Indulge if you dare because these 23 tales of terror are sure to delight as well as disturb *The Moral Uncanny in Black Mirror* Margaret Gibson, Clarissa Carden, 2020-11-05 This erudite volume examines the moral universe of the hit Netflix show *Black Mirror* It brings together scholars in media studies cultural studies anthropology literature philosophy psychology theatre and game studies to analyse the significance and reverberations of Charlie Brooker's dystopian universe with our present day technologically mediated life world Brooker's ground breaking *Black Mirror* anthology generates often disturbing and sometimes amusing future imaginaries of the dark side of ubiquitous screen life as it unleashes the power of the uncanny This book takes the psychoanalytic idea of the uncanny into a moral framework

befitting Black Mirror's dystopian visions The volume suggests that the Black Mirror anthology doesn't just make the viewer feel on the surface a strange recognition of closeness to some of its dystopian scenarios but also makes us realise how very fragile wavering fractured and uncertain is the human moral compass **Netflix, Dark Fantastic Genres and Intergenerational Viewing** Djoymi Baker, Jessica Balanzategui, Diana Sandars, 2023-07-04 Focusing on Netflix's child and family orientated platform exclusive content this book offers the first exploration of a controversial genre cycle of dark science fiction horror and fantasy television under Netflix's Family Watch Together TV tag Using a ground breaking mix of methods including audience research interface and textual analysis the book demonstrates how Netflix is producing dark family telefantasy content that is both reshaping child and family friendly TV genres and challenging earlier broadcast TV models around child appropriate family viewing It illuminates how Netflix encourages family audiences to watch together through intergenerational dynamics that work on and offscreen The chapters in this book explore how this Netflixication of family television developed across landmark examples including Stranger Things A Series of Unfortunate Events The Dark Crystal Age of Resistance and even Squid Game The book outlines how Netflix is consolidating a new dark family terrain in the streaming sector which is unsettling older concepts of family viewing leading to considerable audience and critical confusion around target audiences and viewer expectations This book will be of particular interest to upper level undergraduates graduates and scholars in the fields of television studies screen genre studies childhood studies and cultural studies **Sense of Wonder** Leigh Grossman, 2011-12-20 A survey of the last 100 years of science fiction with representative stories and illuminating essays by the top writers poets and scholars from Edgar Rice Burroughs and Samuel Butler to Robert A Heinlein and Jack Vance from E E Doc Smith and Clifford D Simak to Ted Chiang and Charles Stross and everyone in between More than one million words of classic fiction and essays **Companion to Victorian Popular Fiction** Kevin A. Morrison, 2018-10-29 This companion to Victorian popular fiction includes more than 300 cross referenced entries on works written for the British mass market Biographical sketches cover the writers and their publishers the topics that concerned them and the genres they helped to establish or refine Entries introduce readers to long overlooked authors who were widely read in their time with suggestions for further reading and emerging resources for the study of popular fiction **Benchmarks Revisited 1983-1986** Algis Budrys, 2013-05-24 Consists of book reviews and essays written for The magazine of fantasy and science fiction **Modern Murders** Lee Michael-Berger, 2023-05-03 Modern Murders is the first comprehensive study of murder representations during the turn of the century drawing on previously neglected archival material to explore the intellectual cultural and artistic contexts of the period Most studies view the abundance of murder representations throughout the nineteenth century as an indicator of a supposedly typical Victorian appetite for sensation and melodrama Modern Murders however demonstrates the turn of the century's backlash against melodramatic and sensational representations of murder and reads them as an important component in the struggles for better aesthetic

standards in art and entertainment and as a dominant feature in the debates on mass culture Through a plethora of visual and written texts representations of fictional and actual real life murders and high and popular forms of writing the volume considers the importance of murder in the elite claim to cultural authority versus its perception of plebian taste in the context of the democratization of culture This book will be of value to scholars and graduate students in a variety of research areas as well as general readers interested in the role of murder as a central trope in modern art and culture **A**

Companion to Sensation Fiction Pamela K. Gilbert, 2011-06-20 This comprehensive collection offers a complete introduction to one of the most popular literary forms of the Victorian period its key authors and works its major themes and its lasting legacy Places key authors and novels in their cultural and historical context Includes studies of major topics such as race gender melodrama theatre poetry realism in fiction and connections to other art forms Contributions from top international scholars approach an important literary genre from a range of perspectives Offers both a pre and post history of the genre to situate it in the larger tradition of Victorian publishing and literature Incorporates coverage of traditional research and cutting edge contemporary scholarship **The Routledge Companion to Gothic** Catherine Spooner, Emma

McEvoy, 2007-10-08 In a wide ranging series of introductory essays written by some of the leading figures in the field this book is one of the most comprehensive and up to date guides on the diverse and murky world of the gothic in literature film and culture **Transnational Horror Across Visual Media** Dana Och, Kirsten Strayer, 2013-10-15 This volume investigates the horror genre across national boundaries including locations such as Africa Turkey and post Soviet Russia and different media forms illustrating the ways that horror can be theorized through the circulation reception and production of transnational media texts Perhaps more than any other genre horror is characterized by its ability to be simultaneously aware of the local while able to permeate national boundaries to function on both regional and international registers The essays here explore political models and allegories questions of cult or subcultural media and their distribution practices the relationship between regional or cultural networks and the legibility of international horror iconography across distinct media The book underscores how a discussion of contemporary international horror is not only about genre but about how genre can inform theories of visual cultures and the increasing permeability of their borders **Gothic Realities** L. Andrew

Cooper, 2014-01-10 Eighteenth century critics believed Gothic fiction would inspire deviant sexuality instill heretical beliefs and encourage antisocial violence this book puts these beliefs to the test After examining the assumptions behind critics fears it considers nineteenth century concerns about sexual deviance showing how Frankenstein Dr Jekyll and Mr Hyde Dorian Gray and other works helped construct homosexuality as a pathological dangerous phenomenon It then turns to television and film particularly Buffy the Vampire Slayer and David DeCoteau s direct to video movies to trace Gothicized sexuality s lasting impact Moving to heretical beliefs Gothic Realities surveys ghost stories from Dickens s A Christmas Carol to Poltergeist articulating the relationships between fiction and the real supernatural Finally it considers connections

between Gothic horror and real world violence especially the tragedies at Columbine and Virginia Tech **Monsters and Monstrosity in Media: Reflections on Vulnerability** Yeojin Kim, Shane Carreon, 2024-04-16 As monstrous bodies on screen signal a wide range of subversive destabilization of the notions of identity and community this anthology asks what meanings monsters and monstrosity convey in relation to our recent circumstances shaped by neoliberalism and the pandemic that have led to the intensified tightening of border controls by nation states the intensive categorization of unidentifiable bodies and subsequent forms of isolations and detachments imposed by social distancing and the rapid transition of sociality from reality to virtual reality Presenting various thinkings along the lines of the body and its representations as cultural text together with popular or recent media productions showing various bodies deemed to be monstrous as they either cross conventionally held borders or stay in liminal spaces such as between human animal human machine virtual bodies corporeal flesh living death and other permeable borders this volume looks into the on screen constructions of the monster and monstrosity not only as they represent notions of difference perceived non belongings and disruptions of traditional identity markers but also as they either conceal various vulnerabilities or implicitly endorse violence towards the labeled Other **Agatha Christie and Gothic Horror** Stuart Richards, 2025-10-01 Agatha Christie s work has been adapted extensively resulting in transformations that are both textual and cultural While many adaptations are best known for being quaint murder mysteries there are many adaptations of her work that draw on horror aesthetics This book will look at how the growth of Agatha Christie adaptations have grown increasingly darker Of key relevance to this study is the work of Sarah Phelps whose Witness for the Prosecution And Then There Were None Ordeal by Innocence The ABC Murders and The Pale Horse all are darker than their precedents Born out of their contemporary screen contexts they use entrenched literary and filmic codes of Gothic horror as central reference points for audiences Drawing on adaptation scholarship where adapters are interpreters as well as creators this study will look at how Agatha Christie is closer to Gothic horror than what we realise Analysis of Agatha Christie adaptations and the horror genre First major monograph to explore Sarah Phelps work on Agatha Christie Explores the transcultural adaptations of Agatha Christie Gothic Fred Botting, 2013-10-15 This enduringly popular book has become a classic in the expanding and increasingly popular field of Gothic Studies This long awaited new edition contains a new chapter on Contemporary Gothic an expanded section on American Gothic and more discussion of the gothic in women s film and writing throughout the book It is also updated in relation to media and technology with further discussion of stage sensations and photography as well as engaging with all major texts and criticism since initial publication in 1995 With the added benefit of series features such as a glossary and annotated further reading section this remains the ideal guide to the Gothic Epistolary Encounters in Neo-Victorian Fiction K. Brindle, 2014-01-24 Neo Victorian writers invoke conflicting viewpoints in diaries letters etc to creatively retrace the past in fragmentary and contradictory ways This book explores the complex desires involved in epistolary discoveries of hidden Victorians offering

new insight into the creative synthesising of critical thought within the neo Victorian novel *Young Adult Gothic Fiction*
Michelle J. Smith, Kristine Moruzi, 2021-06-15 Focus on young adult literature This focus on young adult literature means that this book expands scholarship specifically in this area Focus on the Gothic for young people Gothic texts are very popular in children s and young adult literature but there hasn t been a lot of scholarship on the Gothic for adolescents This book expands our knowledge of how the Gothic intersects with young adult literature Includes coverage of YA fiction from the UK US Canada Australia and New Zealand a range of genres that intersect with the Gothic including historical fiction and fairy tale as well as forms such as the short story and graphic novel *High Art Lite* Julian Stallabrass, 1999 High Art Lite takes a critical look at British art of the 1990s It provides an analysis of the British art scene exploring the reasons for its popularity and examines in detail the work of the leading figures

The Enigmatic Realm of **Gothic Fantasy Media Sensation**: Unleashing the Language is Inner Magic
