**Resources in Education** ,1997 **Leadership by the Book** Galen W. Jones,2023-02-01 In  
Leadership by the Book Galen Jones pushes the reader to reconsider what kingdom leadership is Instead of grounding  
leadership in self help principles Jones demonstrates that Christ is the one who enables and empowers leaders by his Spirit

A True Leader C.A.R.E.S Dr. Wain,2009-01-15 Do you have a desire or calling to lead and no idea where to begin or  
where you are headed Do you feel you must have a title or position to be a leader Have you been a pastor for years but not  
effective in developing your leadership team If any of this is trueXthis book is for you This book was not written exclusively  
for church leadership It will examine leadership principles that are pertinent in every area of life Step by step it will guide  
you through the process of personal leadership development It is guaranteed to give everyone who is serious about  
leadership useful tools and incentives to transform lives In Part I it will introduce and define a new term with an old  
flavorXLeadership Christianity Within its pages you will see how creating change and making good sound decisions are  
essential in your life as a leader Part II includes a detailed examination and application of the five most important  
characteristics of a leader who C A R E S Character Attitude Relationships Effective Communications Self Discipline The final  
chapters of Part III are geared toward action Showing you the leader how these principles can be utilized in your everyday  
life at home in your church and in your community Rev Wayne P Bowman DMin Redemptive Leadership Joseph J.  
Bucci,2016-09-07 This book highlights research on and examples of redemptive managerial behaviors used in the successful  
reinstatement and improved performance of employees previously terminated for cause Organizational pressure to hire and  
retain near perfect employees is higher than ever but by offering second chance opportunities and utilizing the resources  
outlined in this book managers can reclaim restore and redirect current employees with great potential Based on qualitative  
research and contemporary stories of successful reinstatement the author highlights the benefits of adopting a redemptive  
approach and offering employees second chances The value proposition of retaining an already trained but underperforming  
employee often results in avoidance of arbitration costs reduced turnover higher productivity and greater employee loyalty  
Little research has been conducted assessing the impact of the manager s leadership behavior on post reinstatement

employees and this book fills that gap by providing seminal reading for faith oriented students scholars managers and human resources professionals     Volunteer Coordinator's Handbook William Dzombak, 1993
