**Growing and Knowing: A Selection Guide for Children's Literature** Mary Trim,2005-04-25 No detailed description available for Growing and Knowing A Selection Guide for Children s Literature *Literature for Young Adults* Joan L. Knickerbocker,2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters *Literature for Young Adults* includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

Contemporary French and Francophone Futuristic Novels Emmanuel Buzay,2023-03-12 This book sheds a new light on the metafictional aspects of futuristic and science fiction novels at the crossroads of information and media studies possible worlds theories applied to cognitive narratology questions related to the criticism of post humanity and more broadly contemporary French and Francophone literature It examines the fictional minds of characters and their conceptions of resistance to the anticipated worlds they inhabit particularly in novels by Pierre Bordage Marie Darrieussecq Michel Houellebecq Amin Maalouf Jean Christophe Rufin Antoine Volodine and lisabeth Vonarburg It also explores how corporal postures serve as a matrix for philosophical quests in novels by Am lie Nothomb Alain Damasio and Romain Lucazeau More specifically from the fictional readers points of view it provides a critical approach to the mythologies of writing in the wake of the French philosophical tales by authors including Cyrano de Bergerac and Voltaire to question the traditionally expressed formulations of the mythologies of writing that is of the metaphors of the book the book of life nature and the world to rethink the idea of a humanity within its limits

**Retelling Stories, Framing Culture** John Stephens,Robyn

McCallum,2013-01-11 What happens to traditional stories when they are retold in another time and cultural context and for a different audience This first of its kind study discusses Bible stories classical myths heroic legends Arthurian romances Robin Hood lore folk tales oriental tales and other stories derived from European cultures One chapter is devoted to various retellings of classics from Shakespeare to Wind in the Willows The authors offer a general theory of what motivates the retelling of stories and how stories express the aspirations of a society An important function of stories is to introduce children to a cultural heritage and to transmit a body of shared allusions and experiences that expresses a society s central values and assumptions However the cultural heritage may be modified through a pervasive tendency of retellings to produce socially conservative outcomes because of ethnocentric androcentric and class based assumptions in the source stories that persist into retellings Therefore some stories such as classical myths are particularly resistant to feminist reinterpretations for example while other types such as folktales are more malleable In examining such possibilities the book evaluates the processes of interpretation apparent in retellings Index included **Classical Mythology & More** Marianthe Colakis,Mary Joan Masello,2007-01-01 Designed as an introduction to classical mythology for middle and high school students presents retellings of favorite myths sidebar summaries and review exercises with the answers at the back of the book
