

Readers Choice Psychological Suspense

JL Elias

Readers Choice Psychological Suspense:

Reader's Choice Jean Wilkinson, 1970 **The Readers' Advisory Guide to Genre Fiction, Third Edition** Neal Wyatt, Joyce G. Saricks, 2019-07-03 Everyone's favorite guide to fiction that's thrilling, mysterious, suspenseful, thought provoking, romantic, and just plain fun is back and better than ever in this completely revamped and revised edition. A must for every reader's advisory desk, this resource is also a useful tool for collection development librarians and students in LIS programs. Inside, RA experts Wyatt and Saricks cover genres such as Psychological Suspense, Horror, Science Fiction, Fantasy, Romance, Mystery, Literary, and Historical Fiction, and introduce the concepts of Adrenaline and Relationship Fiction. It includes everything advisors need to get up to speed on a genre, including its appeal, characteristics, key authors, sure bets, and trends. It demonstrates how genres overlap and connect, plus suggestions for guiding readers among genres and tie genre fiction to the whole collection, including nonfiction, audiobooks, graphic novels, film, and TV, poetry, and games. Both insightful and comprehensive, this matchless guidebook will help librarians become familiar with many different fiction genres, especially those they do not regularly read, and aid library staff in connecting readers to books they're sure to love. **The Readers' Advisory Guide to Genre Fiction** Joyce G. Saricks, 2009 This revised edition provides a way of understanding the vast universe of genre fiction in an easy-to-use format. Expert reader's advisor Joyce Saricks offers groundbreaking reconsideration of the connections among genres. **Horror International** Steven Jay Schneider, Tony Williams, 2005 A close look at horror films from around the world, drawing attention to neglected social, cultural, and ideological aspects of the horror genre in international cinema. *The Readers' Advisory Guide to Horror* Becky Siegel Spratford, 2012-04-09 Vampires, zombies, ghosts, and ghouls: there are more things going bump in the night than ever. So how do you wend your way through all of them to find the ones that interest a particular reader? RA expert Spratford updates her advisory to include the latest in monsters and the macabre, including Lists of recommended titles, authors, and sub-genres, all cross-referenced for quick reference. Tips for effectively practicing horror RA with interview questions for gauging a reader's interests. An expanded resources section with an overview addressing the current state of horror lit and suggestions of how to dig deeper. As both an introductory guide for librarians just dipping their toes into the brackish water of scary fiction, as well as a fount of new ideas for horror-aware reference staff, Spratford's book is infernally appropriate. *Reader's Choice* E. Margaret Baudoin, 1988 **The Wellness Journey: Holistic health and Wellness for all ages**, 2024-02-12 This book helps balance mind, body, and soul. Good read. **Reader's Choice** Sandra Silberstein, Barbara K. Dobson, Mark A. Clarke, 2002 Book has become an established text for teaching and reading to advanced ESL/EFL students. **A Current Deception** Arleen Alleman, 2015-01-30 Freelance reporter Darcy Farthing boards a luxury cruise ship for a trip to beautiful Australian seaports with family and friends, where a baffling murder mystery challenges her investigative skills. The crimes begin when a small town Kansas woman, traveling with a class reunion tour group, is plagued by an attack of yellow crazy ants, a dangerous invasive species, as well as an illness.

caused by mysterious foodborne bacteria and the odd cancellation of an onshore tour The bizarre but relatively minor incidents escalate when the ants injure more passengers and crew members Soon a peculiar death on the streets of Adelaide and attempted murders on board the ship threaten to cause panic It is obvious that a crew member or passenger is targeting individuals but who is it and why Meanwhile Darcy is distracted by daughter Rachael's uncharacteristic behavior and intense friendship with a handsome passenger Reluctant to make waves Darcy tries to suppress her concerns She turns her full attention to the crimes when evidence is found in Brook's stateroom and the security chief names him as the sole suspect Brooks is clearly innocent but the chief is inexplicably reluctant to conduct a more thorough investigation to clear him then Darcy's best friend Sid who is also Brook's fiancé becomes the latest victim Clue by clue with husband Mick's help Darcy uses her skills to reveal a homicidal master of disguise and world class computer hacker intent on exacting revenge related to a twenty year old crime

Double Blind Brandilyn Collins, 2012 A desperate young widow who survived a near fatal attack hopes an experimental brain surgery will help her beat the severe depression she cannot shake but at what price
