Gothic Fantasy Global Trend:

Global Dialogue on Media Dynamics, Trends and Perspectives on Public Relations and Communication Fong Peng Chew, 2025-01-08 This book contains the proceedings of the International Conference on Public Relations and Media Communication PRMC 2024 which explore the dynamic intersections of public relations and media in today's rapidly evolving landscape. It has a repository of innovative research, insightful discussions and emerging trends in digital media strategies, crisis communication, media ethics, public relations in the age of social media and the impact of emerging technologies on media practices. It touches upon a wide array of topics and provides a comprehensive overview of the latest advancements and challenges in these fields. With innovative research contributions and case studies from around the world, this book will be instructive in shaping the way we look at the world of media and ourselves. This is a highly useful guide for university professors, research scholars, writers, journalists and media professionals who wish to stay updated on the recent shifts in public relations and media communication.

Global Indigenous Horror Naomi Simone Borwein, 2025-04-15 Contributions by Katrin Althans, Jayson Althofer, Naomi Simone Borwein, Persephone Braham, Krista Collier, Jarvis Shane Hawk, Jade Jenkinson, June Scudeler and Sabrina Zacharias. Global Indigenous Horror is a collection of essays that positions Indigenous Horror as more than just a genre but as a narrative space where the spectral and social converge where the uncanny becomes a critique and the monstrous mirrors the human. While contentions swirl around the genre category, this exploratory anthology is the first critical edited collection dedicated solely to ways of theorizing and analyzing Indigenous Horror literature. The essays curated by scholar Naomi Simone Borwein ask readers to consider what Global Indigenous Horror is and to whom. The volume opens with a preface by international bestselling horror writer Shane Hawk, enrolled Cheyenne Arapaho, Hidatsa and Potawatomi descent, followed by an overview of Global Indigenous Horror trends, aesthetics and approaches. The carefully selected contributions explore Indigenous Horror literature and mixed media narratives worldwide, unraveling the intricate dynamics between the local and global, traditional and contemporary, and human and monstrous. Contributor chapters are grouped not by geographical or cultural variation but along a spectrum from a strong emphasis on ways of knowing to a critical inspection of Horror through Indigenous Gothic aesthetics across cultural boundaries and against and beyond nation states.

Hebrew Gothic Karen Grumberg, 2019-09-01 Makes a persuasive argument that gothic ideas play a vital role in how Hebrew writers have confronted history, culture and politics. Robert Alter, author of *Hebrew and Modernity*, sinister tales written since the early twentieth century by the foremost Hebrew authors including S. Y. Agnon, Leah Goldberg and Amos Oz, reveal a darkness at the foundation of Hebrew culture. The ghosts of a murdered Talmud scholar and his kidnapped bride rise from their graves for a nocturnal dance of death; a girl hidden by a count in a secret chamber of an Eastern European castle emerges to find that unbeknownst to her, World War II ended years earlier; a man recounts the act of incest that would shape a trajectory of personal and national history. Reading these works together with central British and

American gothic texts Karen Grumberg illustrates that modern Hebrew literature has regularly appropriated key gothic ideas to help conceptualize the Jewish relationship to the past and more broadly to time She explores why these authors were drawn to the gothic originally a European mode associated with antisemitism and how they use it to challenge assumptions about power and powerlessness vulnerability and violence and to shape modern Hebrew culture Grumberg provides an original perspective on Hebrew literary engagement with history and sheds new light on the tensions that continue to characterize contemporary Israeli cultural and political rhetoric

Medievalisms in a Global Age Angela Jane Weisl, Robert Squillace, 2024 Discusses contemporary medievalism in studies ranging from Brazil to West Africa from Manila to New York Across the world revivals of medieval practices images and tales flourish as never before The essays collected here informed by approaches from Global Studies and the critical discourse on the concept of a Global Middle Ages explore the many facets of contemporary medievalism post colonial responses to the enforced dissemination of Western medievalisms attempts to retrieve pre modern cultural traditions that were interrupted by colonialism the tentative forging of a global medieval imaginary from the world's repository of magical tales and figures and the deployment across borders of medieval imagery for political purposes The volume is divided into two sections dealing with Local Spaces and Global Geographies The contributions in the first consider a variety of medievalisms tied to particular places across a broad geography but as part of a larger transnational medievalist dynamic Those in the second focus on explicitly globalist medievalist phenomena whether concerning the projection of a particular medievalist trope across borders or the integration of medieval pasts from different parts of the globe in a contemporary incarnation of medievalism A wide range of topics are addressed from Japanese manga and Arthurian tales to The O Trilogy of Maurice Gee Camus and Dungeons and Dragons

Children, Youth, and International Television Debbie Olson, Adrian Schober, 2022-03-29 This volume explores how television has been a significant conduit for the public consumption of changing ideas about children childhood and national identity via a critical examination of programs that prominently feature children and youth in international television The chapters connect relevant cultural attitudes within their respective countries to an analysis of children and or childhood in international children's programming The collection addresses how international children's programming in global and local context informs changing ideas about children and childhood including notions of individual and citizen identity formation Offering new insights into childhood and television studies this book will be of great interest to graduate students scholars and professionals in television studies childhood studies media studies cultural studies popular culture studies and American studies

[Netflix, Dark Fantastic Genres and Intergenerational Viewing](#) Djoymi Baker, Jessica Balanzategui, Diana Sandars, 2023-07-04 Focusing on Netflix's child and family orientated platform exclusive content this book offers the first exploration of a controversial genre cycle of

dark science fiction horror and fantasy television under Netflix's Family Watch Together TV tag Using a ground breaking mix of methods including audience research interface and textual analysis the book demonstrates how Netflix is producing dark family telefantasy content that is both reshaping child and family friendly TV genres and challenging earlier broadcast TV models around child appropriate family viewing It illuminates how Netflix encourages family audiences to watch together through intergenerational dynamics that work on and offscreen The chapters in this book explore how this Netflixication of family television developed across landmark examples including *Stranger Things* *A Series of Unfortunate Events* *The Dark Crystal* *Age of Resistance* and even *Squid Game* The book outlines how Netflix is consolidating a new dark family terrain in the streaming sector which is unsettling older concepts of family viewing leading to considerable audience and critical confusion around target audiences and viewer expectations This book will be of particular interest to upper level undergraduates graduates and scholars in the fields of television studies screen genre studies childhood studies and cultural studies

Terrorism in Literature Bootheina Majoul, 2019-08-13 This volume celebrates literature as a strong subversive tool as an alternative for change through an exploration of terrorism in various literary works It brings together scholars from all over the world including Algeria Argentina Australia Cameroon Denmark India Italy Tunisia Turkey and the USA to offer their insights As readers themselves they share an eagerness to understand the psychopathological personalities circulating among us They urge the reader to dig deep into literature to think to cogitate and to learn One of the most important literary figures dealing with terrorism in his novels is the internationally acclaimed Indian writer Tabish Khair who generously wrote the foreword to this volume He sheds light on the possibilities offered by literature as a means of dissent and a powerful tool for truth telling

Screening the Gothic in Australia and New Zealand Jessica Gildersleeve, Kate Cantrell, 2025-10-01 The persistent popularity of the detective narrative new obsessions with psychological and supernatural disturbances as well as the resurgence of older narratives of mystery or the Gothic all constitute a vast proportion of contemporary film and television productions New ways of watching film and television have also seen a reinvigoration of this most domestic of media But what does this domesticity of genre and media look like Down Under in the twenty first century This collection traces representations of the Gothic on both the small and large screens in Australia and New Zealand in the twenty first century It attends to the development and mutation of the Gothic in these post or neo colonial contexts concentrating on the generic innovations of this temporal and geographical focus

The Gothic: Studies in History, Identity and Space Katarzyna Więckowska, 2020-04-14 This volume was first published by Inter Disciplinary Press in 2012 The Gothic Studies in History Identity and Space offers a critical examination of gothic elements in fiction film and popular culture texts from the beginnings of the genre to the present The articles collected in the volume explore questions of identity space history and social equilibrium as portrayed through a distinctly Gothic imagery Tracing a gothic itinerary through different times and places from the English classic Gothic novels and their Italian counterpart to postcolonial and

postmodern fiction and to contemporary film and fashion it presents a persuasive account of how and why the Gothic continues to fascinate readers and critics alike
