Osatinski, 2023-08-03 20 Seasons Broadway Musicals of the 21st Century catalogues categorizes and analyzes the 269 musicals that opened on Broadway from the 2000 2001 season through the 2019 2020 season This book is the first to comprehensively examine the musicals that premiered on Broadway during this important

historical period which was bookended by the 9/11 terrorist attacks on one end and the Coronavirus pandemic on the other. It begins by exploring the historical context for the first 20 years of the 21st century and how this impacted American culture and theatre. Rather than chronologically, the musicals are then organized into categories based on their source material and whether they were original musicals or revivals, painting a detailed picture of the Broadway musical in the first 20 years of the 21st century. Jukebox musicals, screen-to-stage musicals, revivals, and other original musicals are all covered, and each chapter ends with reading guides and discussion prompts. The book not only discusses what was produced but by whom, uncovering the stark lack of representation for women and artists of color on Broadway musical creative and design teams. Additionally, the last chapter discusses the COVID-19 pandemic, the Broadway shutdown, and what happened to the Broadway musical during the shutdown, including the response to the Black Lives Matter movement in the summer of 2020. *20 Seasons Broadway Musical of the 21st Century* will appeal to fans and scholars of musical theatre as well as students of Musical Theatre, Musical Theatre History, American Studies, and Pop Culture Studies.

Atravesados Trevor Boffone, Cristina Herrera, 2025-02-17. Contributions by Frederick Luis Aldama, Trevor Boffone, T. Jackie Cuevas, Cristina Herrera, Alexander Lalama, Angel Daniel Matos, Regina Marie Mills, Joseph Isaac Miranda, Jesus Montaño, Domino Renee Perez, Regan Postma, Montaño Cristina Rhodes, and Sonia Alejandra Rodríguez. *Atravesados: Essays on Queer Latinx Young Adult Literature* shows how Latinx queer YA writers discard the same old story and offer critical representations of queerness that broaden YA writing and insist on the presence of queer teens of color. *Atravesados* draws on foundational Chicana queer theorist Gloria Anzaldúa's notion of *atravesados* to speak to the spectrum of queer youth Latinidades as they materialize in YA literature. Los *atravesados*, according to Anzaldúa, are the squint-eyed, the perverse, the queer, the troublesome, the mongrel, the mulatto, the half-breed, the half-dead, in short, those who cross over, pass

over or through the confines of the normal Los *atravesados* reside in the borderlands space of *ni de aquí ni de allá* neither here nor there present yet liminal their queerness the very source of both frustration and empowerment a paradox of joy and tragedy Although written in 1987 Anzaldúa's theory speaks to the realities of queer Latinx teens that fill the pages of YA literature well into the twenty first century Characters such as Juliet from Gabby Rivera's *Juliet Takes a Breath* Aaron from Adam Silvera's *More Happy Than Not* or the titular Chulito from Charles Rice Gonzales's novel encompass the highs lows and everything in betweenness of queer Latinx teen lived experiences This collection tells their stories Contributors speak to the spectrum of queer youth Latinidades as they materialize in YA literature paying close attention to representation and the ways youth are portrayed whether accurate or stereotypical Close attention is paid to books that succeed in broadening the field of YA highlighting authors that draw from their own lived experiences and situate strong fully developed characters Taken together these essays move beyond the page explaining to readers why representation and authenticity matter in YA literature as well as the far reaching effects they can have for real world queer Latinx teens

Fixing the Musical Douglas L. Reside,2023 Thousands of shows have opened on Broadway Why do we remember some and not others The musical theatre repertory is not composed of titles popular in the theatre but by those with successful cast recordings movie versions or even illegal bootlegs on YouTube The shows audiences know and the texts and music they expect to hear when they attend a production are defined by media consumed at home more than by memories of performances witnessed in the theatre For example author Doug Reside shows that it is no accident that the serious book musical with a fixed score developed in the 1940s when commercially pressed and marketed record albums made it possible to record most of the score of a new musical in a fixed medium And Hamilton a musical with dense lyrics and revolutionary musical style would not have been as easily accessible to world audiences if most hadn t already had the opportunity to learn the score by listening to free digital streams of the original cast recording The technologies that made these media possible developed concurrently with and shaped the American musical as an art form Reside uncovers how the affordances and limitations of these technologies established a repertory of titles that are most frequently performed and defined by the texts used in these performances Fixing the Musical argues that the musicals we most remember are those which most effectively used their era s best recording and distribution technologies to document and share the work with those who would never see the original production on Broadway *Word-of-Mouth Marketing for Massive Growth - How to Turn Customers into*

The End of Woman Carrie Gress, 2023-08-15 Feminism Doesn't Empower Women. It Erases Them. The bestselling author of *Theology of Home* Carrie Gress shows that fifty years of radical feminism have solidified the primacy of the traditionally male sphere of life and devalued the attributes, virtues, and strengths of women. Feminism, the ideology dedicated to smashing the patriarchy, has instead made male lives the norm for everyone. After fifty years of radical feminism, we can't even define woman. In this powerful new book, Carrie Gress says what cannot be said: feminism has abolished women. Hurling trans women, thrashing female athletes, mothers abort their baby girls, drag queens perform obscene parodies of women. Females are enslaved for men's pleasure or they enslave themselves. Feminism doesn't avert these tragedies; it encourages them. The carefree binge of self-absorption has left women exploited, unhappy, dependent on the state, and at war with men. And still, feminists cling to their illusions of liberation. But there are real answers. Real answers for real women. Carrie Gress, a wife, mother, and philosopher, punctures the myth of feminism, exposing its legacy of abuse, abandonment, and anarchy. From the serpent's seduction of Eve to Mary Shelley's *Frankenstein* to Kate Millett's lust, violence, and insanity to Meghan Markle's havoc-ridden rise to royalty, Gress presents a history as intriguing as the characters who lived it. The answers women most desperately need, she concludes, are to be found precisely where they are most afraid to look. Only a rediscovery of true womanhood and motherhood can pull our society back from the brink. And happiness is possible only if women are open to making peace with men, with children, with God, and no less difficult with themselves. For feminism's victims, Gress is a welcoming voice in the darkness. The door is open. The lights are on. Come home. *Let's Talk Slang* Dr. Rincy Saji, 2025-02-01 *Iykyk*. Lost in the skibidi talk.
