The Babylon Code Is America In Prophecy:

The Babylon Code Richard N. Rhoades, 2014-10-29 At a reception in the Kremlin on November 17 1956 Nikita Khrushchev made a startling comment aimed at America Whether you like it or not history is on our side We will bury you The break up of the USSR in 1991 was hailed by the West especially America as a victory over communism and its global threat of tyranny Throughout the world the cry was heard Communist rule is over The evil empire is gone But was it In *The Babylon Code Is AMERICA in Prophecy* author Richard N Rhoades examines the writings of Russian dissidents and high ranking communist military leaders to explain the real reason behind Khrushchev's angry outburst and to illustrate why Russia is more dangerous today than ever before His research reveals a long range KGB strategic plan for global domination known among some of the highest ranking Communist military defectors to the West Rhoades also explores the real reason Russia is now flexing its muscles to the United States and the world and what the ancient Hebrew prophets said about a great latter nation in the Bible code named Babylon whose real identity is mentioned in the Hebrew Scriptures not once but twice as AMERIKA AMERICA *The Babylon Code* offers a well researched in depth look at the causes of these threats and actions viewing Russia America and its Jewish inhabitants with a new perspective *Deciphering End-time Prophetic Codes* Perry Stone, 2015 Cyclical and historical biblical patterns reveal America's past present and future events including warnings and patterns to leaders **The Babylon Code** Paul McGuire, Troy Anderson, 2015-10-06 What if God embedded a code in the Bible that could only be cracked in the end times a prophetic cypher that reveals how the four blood moons and the biblical Shemitah are just signs of the beginning of end time events Unlocking a great mystery that has puzzled scholars for nearly two thousand years THE BABYLON CODE reveals how powerful forces are now at work to create a global government cashless society and universal religion as predicted by the prophets The result of a five year journalistic investigation THE BABYLON CODE takes readers on a spellbinding journey to explore the link between the world's most secret organizations the Bible's greatest prophetic riddle and what world renowned evangelist Billy Graham describes as a convergence in end time signs for the first time in history This prophetic mystery book pieces together the apocalyptic puzzle uncovering what may be not only the biggest story and political scandal in modern history but also the secret to both our survival and our salvation *Faith of the Ages* Richard Rhoades, 2012-11 For centuries most Christians have believed that Jesus was a fair skinned blue eyed Gentile and that because the New Testament was written in Greek the study of its Greek roots should take priority over the study of the Hebrew Scriptures In recent decades those conceptions have begun to change Jewish and Christian scholars have engaged together in examining the Jewishness of Jesus the Hebrew origins of Christianity and the Hebraic origins of Scripture with renewed interest In *Faith of the Ages* author Richard Rhoades explores the Jewishness of Jesus the first century community of believers and when where how and why early Christian leaders rejected those Hebraic origins *Faith of the Ages* investigates the origins of the Christian Church and looks at the anti-Semitism of the Greek and

Latin Church fathers the Roman Emperor Constantine Roman Catholic Church authorities and leaders of the Reformation who all played a major role in moving Christianity away from its Hebraic roots Rhoades also examines passages of Scripture that Catholic and Protestant translators have changed by adding to and subtracting from certain words found in the ancient Greek manuscripts Simply stated Faith of the Ages answers questions about the Jewishness of Jesus the first century community of believers the Hebraic roots of the Christian faith and its rich Hebrew heritage and provides a compelling historical and biblical impetus for believers to reexamine their Christian faith *The Matthew 22 Generation* Cris Ortiz,2023-08-29 No other biblical text captures the imagination quite like the book of Revelation Full of imagery prophecy epic events and promises the Revelation of Jesus Christ acts as both a warning and a source of great comfort In *The Matthew 22 Generation* An Inclusive End Times Message for Marginalized People Cris Ortiz brings a word of hope especially to the eunuch nation the LGBT sexual minority community that has often found itself a scapegoat for judgment by voices inside the Church In this thought provoking book Mr Ortiz proposes a different role for the eunuch nation as part of the Bride of Christ Mr Ortiz explores scriptural prophecies on an unbiased level The depth of his narrative is matched by its breadth as he explores Last Days topics ranging from the Tribulation the Rapture and the Millennium to the Beasts the Second Coming of Jesus and the final battle Readers will explore prophecy the role of Israel and the events leading to the final days of this age Ultimately readers are faced with a choice believe and serve God or fall prey to the deceit of Satan A must read for those seeking to know more about the days ahead the book is an urgent reminder to show God's love to everyone in these last days

How to Unlock the Secret Codes in Bible Prophecy Truong Tien Dat,2004-03 **American Prophecy** George M. Shulman,2008 Prophecy is the fundamental idiom of American politics a biblical rhetoric about redeeming the crimes suffering and promise of a special people Yet American prophecy and its great practitioners from Frederick Douglass and Henry Thoreau to Martin Luther King James Baldwin and Toni Morrison are rarely addressed let alone analyzed by political theorists This paradox is at the heart of *American Prophecy* a work in which George Shulman unpacks and critiques the political meaning of American prophetic rhetoric In the face of religious fundamentalisms that associate prophecy and redemption with dogmatism and domination *American Prophecy* finds connections between prophetic language and democratic politics particularly racial politics Exploring how American critics of white supremacy have repeatedly reworked biblical prophecy Shulman demonstrates how these writers and thinkers have transformed prophecy into a political language and given redemption a political meaning To examine how antiracism is linked to prophecy as a vernacular idiom is to rethink political theology recast democratic theory and reassess the bearing of religion on American political culture Still prophetic language is not always liberatory and *American Prophecy* maintains a critical dispassion about a rhetoric that is both prevalent and problematic Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been

Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

THE HOLY BIBLE: Updated American Standard Version (UASV) Christian Publishing House, 2022-02-07 The Updated American Standard Version UASV is a literal translation Translating from the original languages of Hebrew Aramaic and Greek is a task unlike any other and should never be taken lightly It carries with it the heaviest responsibility the translator renders God s thoughts into a modern language What does that mean It means that our primary purpose is to give the Bible readers what God said by way of his human authors not what a translator thinks God meant in its place In other words our primary goal is to be accurate and faithful to the original text The meaning of a word is the responsibility of the interpreter i e reader not the translator The translator remains faithful to this literal translation philosophy unless it has been determined that the rendering will be misunderstood or misinterpreted The translator is not tasked with making the text easy to read but rather to make it as accurately faithful to the original as possible UASV PURPOSE Our primary purpose is to give the Bible readers what God said by way of his human authors not what a translator thinks God meant in its place Truth Matters UASV GOAL Our primary goal is to be accurate and faithful to the original text The meaning of a word is the responsibility of the interpreter i e reader not the translator Translating Truth OUR RESOURCES The Updated American Standard Version will be one of the most faithful and accurate translations to date by Christian Publishing House It will remain faithful to the original and what the authors penned We will not go beyond the translator s responsibility into the field of the interpreter Removing the Outdated Passages with the Old English thee s and thou s etc have been replaced with modern English Many words and phrases that were extremely ambiguous or easily misunderstood since the 1901 ASV have been updated according to the best lexicons Verses with difficult word order or vocabulary have been translated into correct English grammar and syntax for easier reading However if the word order of the original conveyed meaning it was kept More Accurate The last 110 years have seen the discovering of far more manuscripts especially the papyri with many manuscripts dating within 100 years of the originals While making

more accurate translation choices we have stayed true to the literal translation philosophy of the ASV while other literal translations abandon the philosophy far too often The translator seeks to render the Scriptures accurately without losing what the Bible author penned by changing what the author wrote by distorting or embellishing through imposing what the translator believes the author meant into the original text Accuracy in Bible translation is being faithful to what the original author wrote the words that he used as opposed to going beyond into the meaning trying to determine what the author meant by his words The latter is the reader s job The translator uses the most reliable accurate critical texts e g WH NA UBS BHS as well as the original language texts versions and other sources that will help him to determine the original reading

Why the Need for Updated Translations New manuscript discoveries Changes in the language A better understanding of the original languages Improved insight into Bible translation
