

She represents all that is modern and light...

...He is everything dark and ancient

A close-up, high-contrast photograph of a person's face, focusing on the eyes. The person has dark, thick eyebrows and long, dark eyelashes. The left eye is a vibrant, glowing green color, and within the iris, the letters 'WAE' are visible in a golden-yellow, stylized font. The right eye is partially visible and appears to be a natural brown color. The skin is fair and has a soft, natural texture. The overall mood is mysterious and ethereal.

Baker, 2015 This fascinating account of the Salem Witch Trials explores their religious social and political dimensions their origins their critics and their aftermath as well as their influence on the American cultural imagination to the present day Witchcraft and Magic in the Nordic Middle Ages Stephen A. Mitchell, 2011-06-06 Stephen A. Mitchell here offers the fullest examination available of witchcraft in late medieval Scandinavia He focuses on those people believed to be able and who in some instances thought themselves able to manipulate the world around them through magical practices and on the responses to these beliefs in the legal literary and popular cultures of the Nordic Middle Ages

His sources range from the Icelandic sagas to cultural monuments much less familiar to the nonspecialist including legal cases church art law codes ecclesiastical records and runic spells Mitchell s starting point is the year 1100 by which time Christianity was well established in elite circles throughout Scandinavia even as some pre Christian practices and beliefs persisted in various forms The book s endpoint coincides with the coming of the Reformation and the onset of the early modern Scandinavian witch hunts The terrain covered is complex home to the Germanic Scandinavians as well as their non Indo European neighbors the Sami and Finns and it encompasses such diverse areas as the important trade cities of Copenhagen Bergen and Stockholm with their large foreign populations the rural hinterlands and the insular outposts of Iceland and Greenland By examining witches wizards and seeresses in literature lore and law as well as surviving charm magic directed toward love prophecy health and weather Mitchell provides a portrait of both the practitioners of medieval Nordic magic and its performance With an understanding of mythology as a living system of cultural signs not just ancient sacred narratives this study also focuses on such powerful evolving myths as those of the milk stealing witch the diabolical pact and the witches journey to Blåkulla Court cases involving witchcraft charm magic and apostasy demonstrate that witchcraft ideologies played a key role in conceptualizing gender and were themselves an important means of exercising social control

The Witch Ronald Hutton, 2017-01-01 This book sets the notorious European witch trials in the widest and deepest possible perspective and traces the major historiographical developments of witchcraft
