The Sterling Bonds and Fixed Income Handbook Mark Glowrey,2013-02-28 The Sterling Bonds and Fixed Income Handbook aims to fill the knowledge gap for sterling base investors and their advisors Whilst investors in the equity markets can rely on numerous resources to select stocks and build portfolios there is little information available for those who wish to buy bonds This book takes the reader through the key features of gilts and sterling corporate bonds and offers a practical guide to putting money to work in this important and profitable asset class

The Gambia International Monetary Fund. Fiscal Affairs Dept.,2025-03-07 The IMF s Fiscal Affairs Department FAD conducted a Public Investment Management Assessment PIMA and Climate Module C PIMA for The Gambia to assess public investment management PIM and its climate sensitivity The assessment found improvements since the 2019 PIMA including the 2020 Cabinet Memorandum for strategic project reviews the 2023 SOE Act for centralized oversight and enhanced procurement regulations However despite these institutional improvements effectiveness has yet to catch up and in some cases has weakened Climate resilience is also insufficiently addressed with weak integration of climate risks into

project planning and outdated regulatory frameworks Key recommendations include establishing a public investment management information system strengthening PIM oversight within the Ministry of Finance formalizing project selection pipelines and embedding climate related criteria in investment decisions **Simple But Not Easy, 2nd Edition** Richard Oldfield, 2021-12-14 Described by the author as a slightly autobiographical and heavily biased book about investing Simple But Not Easy won fans among both professional and private investors alike when first released in 2007 The theme of the book is that investment is simpler than non professionals think it is in that the rudiments can be expressed in ordinary English and picked up by anybody It is not a science But investment is also difficult People on the outside tend to think that anyone on the inside should be able to do better than the market indices This is not so Picking the managers who are likely to do better is a challenge Richard Oldfield begins with a detailed confession of some of his worst mistakes and what they have taught him He discusses the different types of investment why fees matter and the importance of measuring performance properly He also outlines what to look for and what not to look for in an investment manager when to fire a manager and how to be a successful client A cult classic for its candid confessions and sparkling wit this extended edition of Simple But Not Easy featuring a new author's preface and a substantial afterword remains an indispensable companion for all those interested in the rewarding but enigmatic pursuit of investing
