Creative Writing Prompts Kids Ebook:

101 Creative Writing Activities (eBook) Tracey Ann Schofield, 2000-03-01 I don't know what to write about is the common response when kids are asked to indulge in creative writing. This lively collection of unique writing activities will quiet that complaint forever. The 101 fun and functional creative writing activities in this book were designed to stimulate the interest and creativity of children. The author's philosophy is if it's fun, kids will do it. It is obvious in such whimsical ideas as having students write 10 ways to complete the sentence "If I were a ___ I would ___" or challenging them to write home remedies for the common cold, a headache, sibling rivalry, homework overload, etc. These writing activities encourage kids to write about what they know best, themselves, and turn writing practice into a time of self-expression. Students will find pleasure in the writing process using these ideas.

Getting Kids to Write! (ENHANCED eBook) Greta Barclay Lipson, 2000-03-01 Make it easy and fun for your students to write with these imaginative activities. Includes examples of writing for suggested topics, ideas for discussion, ways to encourage ongoing student-generated ideas, a wide range of writing opportunities in all genres from fiction to nonfiction, and more.

Writing Center Prompts, eBook Trisha Callella, 2001-03-01 Provides activities and materials designed to reinforce language skills.

101 Social Studies Activities for Curious Kids (eBook) Tracey Ann Schofield, 2000-03-01 *101 Social Studies Activities for Curious Kids* is a unique collection of easy and enjoyable writing activities designed to stimulate social awareness, creative thinking, and self-expression in children ages six and older. Embracing the author's philosophy that if it's fun, kids will do it, this book lets children explore the fundamental nature of community by getting them to write about what they know best, themselves. Divided into five critical social science strands: Relationships, Rules and Responsibilities, Traditions and Celebrations, Days Gone By, My Community, and The Global Village, this book uses simple directions and descriptive written examples to lead children through 101 timeless activities that will help them to establish important connections between past, present, and future, to develop a basic understanding of heritage and citizenship, and to begin to decipher their role as social beings in the local community and society at large.

EBOOK: Developing Literacy and Creative Writing through Storymaking: Story Strands for 7-12 year olds Steve Bowkett, 2010-08-16 This exciting practical resource is full of immediately usable activities to help children develop their literacy skills and creative writing abilities. The story strand technique begins with one simple picture and by adding others to form a sequence, shows children how to build narrative in an enjoyable, creative, and systematic way. Story strand activities help children weave their thoughts into a coherent pattern and so become more skilful writers. The activities are sequenced to increase the creative and intellectual demands on pupils and can also be used individually to highlight different aspects of the writing process, such as Exploring the varied meanings of certain words through association webs, Moving from simple to more complex sentences, Learning how to enrich writing using strong, vivid adjectives, verbs, and adverbs, Understanding how to use connectives more insightfully to give narrative a greater logical consistency, Creating narrative refinements such as

subplots flashbacks and cliffhangers out of basic plot sequences A thinking skills agenda underpins each story strand game and many promote speaking and listening skills by encouraging discussion and collaborative exploration of the images Supported by a companion website that includes downloadable images from the book colour images and worked examples for the story string idea additional activities and games as well as links to the National Curriculum **Love to Write!
