Vegetarian Times, 1995-11 To do what no other magazine does: Deliver simple, delicious food plus expert health and lifestyle information that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both. *Critical Multicultural Analysis of Children's Literature* Maria José Botelho, Masha Kabakow Rudman, 2009-05-07 Children's literature is a contested terrain, as is multicultural education. Taken together, they pose a formidable challenge to both classroom teachers and academics. Rather than deny the inherent conflicts and tensions in the field, in *Critical Multicultural Analysis of Children's Literature: Mirrors, Windows, and Doors*, Maria José Botelho and Masha Kabakow Rudman confront, deconstruct, and reconstruct these terrains by proposing a reframing of the field. Surely all of us, children teachers and academics, can benefit from this more expansive understanding of what it means to read books. Sonia Nieto. From the Foreword. Critical multicultural analysis provides a philosophical shift for teaching literature, constructing curriculum, and taking up issues of diversity and social justice. It problematizes children's literature, offers a way of reading power, explores the complex web of sociopolitical relations, and deconstructs taken-for-granted assumptions about language, meaning, reading, and literature. It is literary study as sociopolitical change. Bringing a critical lens to the study of multiculturalism in children's literature, this book prepares teachers, teacher educators, and researchers of children's literature to analyze the ideological dimensions of reading and studying literature. Each chapter includes recommendations for classroom application, classroom research, and further reading. Helpful end-of-book appendixes include a list of children's book awards, lists of publishers, diagrams of the power continuum, and the theoretical framework of critical multicultural analysis, and lists of selected children's literature journals and online resources. ***Vegetarian Times***, 1994-03 To do what no other magazine does: Deliver simple, delicious food plus expert health and lifestyle information that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's
