Deeper understanding of history is enhanced by encasing it in art and interest. Crime fiction is one of the widest and most rapidly growing forms of literature. Historical crime fiction serves effectively the double purpose of entertaining while it teaches. The truth of the narrative account the editors of this volume believe is dependent on the understanding of human nature reflected in the author who writes the narrative. Historical crime fiction the editors of this volume write has an obligation and a golden opportunity. It must bring the past up to the present through the device of timeless crime and it must take the reader into the world about which is being written so that the characters are alive and the events interesting and challenging. Professional writers of fiction need to be more effective than mere authors of dates and assumed motivations. Therefore they can fill in human motivations and drives where no records exist and can aid the professional historians in what historian David Thelen calls the challenge of history which is to recover the past and interpret it for the present. The essays in this volume accept the challenge and make major accomplishments for meeting it. The Mammoth Book of Best New Horror Stephen Jones, Ramsey Campbell, 2003 *The Armchair Detective*, 1994 MacIntyre's Improbable Bestiary F. Gwynplaine MacIntyre, 2001-01-01

From Bigfoot to Nessie to the Little Green Men F Gwynplaine

MacIntyre celebrates the monsters of the imagination exploring the wonder and dread that help make us human MacIntyre's *Improbable Bestiary* is GRAND FUN Ray Bradbury Classical Whodunnits Mike Ashley, 1996 In this new collection twenty two writers take up their pens to give an enthralling picture of classical crime Favorite historical detectives Gordianus the Finder Decius Metellus and Sister Fidelma rub shoulders with eminent temporary sleuths such as Socrates and that honorable man Brutus whilst other great names Augustus Archimedes and even the spoilt and beautiful goddess of love Aphrodite herself also become enmeshed in terrible and ingenious crimes A History of the Doc Savage Adventures in Pulp, Paperbacks, Comics, Fanzines, Radio and Film Robert Michael "Bobb" Cotter, 2016-05-06 Doc Savage is the prototype of the modern fictional superhero The character exploded onto the scene in 1933 with the Great Depression and the gathering clouds of war as a cultural backdrop The adventure series is examined in relation to historical events and the changing tastes of readers with special attention paid to the horror and science fiction elements The artwork features illustrations covers and original art Chapters cover Doc Savage paperbacks pulp magazines comic books and fanzines and an appendix offers biographies of all major contributors to the series **Dark Detectives: An Anthology of Supernatural Mysteries** Stephen Jones, 2015-03-20 Eighteen stories of supernatural detective fiction featuring sleuths who investigate fantastic and horrific cases protecting the world from the forces of darkness Each writer offers a tale of a great fictional detective including Neil Gaiman's Lawrence Talbot Clive Barker's Harry D'Amour and the eight part Seven Stars adventure by Kim Newman Anno Dracula 100 Most Popular Contemporary Mystery Authors Bernard A. Drew, 2011-05-18 Provide your mystery fans with background information on their favorite writers and series characters and use this as a guide for adding contemporary titles to your collections This book examines 100 of today's top mystery novels and mystery authors hailing from countries such as the United States Great Britain France Italy South Africa and Australia Equally valuable to students writing research papers readers craving new authors or more information about their favorite authors and teachers seeking specific types of fiction to support curricula *100 Most Popular Contemporary Mystery Authors Biographical Sketches and Bibliographies* provides revealing information about today's best mysteries and authors without any spoilers Each of the accomplished writers included in this guide has established a broad audience and is recognized for work that is imaginative and innovative The rising stars of 21st century mystery will also be included as will authors who have won the Mystery Writers of America Grand Master Award Chaucer's Afterlife Kathleen Forni, 2013-03-13 This study explores Chaucer's present day cultural reputation by way of popular culture In just the past two decades his texts have been adapted to a wide variety of popular genres including television stage comic book hip hop science fiction horror romance and crime fiction This cultural recycling involves a variety of functions but Chaucer's primary association is with the idea of pilgrimage and the prevailing tenor is populist satire The target is not only cultural elitism but also the dominant discourse of professional Chaucerians Academics in turn may have doubts about the value of popular Chaucer popular culture theory however would

maintain that such skepticism has less to do with critical discrimination than the assertion of social distinction. Nonetheless, the fact that Chaucer has a popular afterlife and remains an ideological product over which competing groups lay claim attests to his current cultural vitality.

British Detective Fiction 1891-1901 Clare Clarke, 2020-07-13 This book examines the developments in British serial detective fiction which took place in the seven years when Sherlock Holmes was dead. In December 1893, at the height of Sherlock's popularity with the Strand Magazine's worldwide readership, Arthur Conan Doyle killed off his detective. At the time, he firmly believed that Holmes would not be resurrected. This book introduces and showcases a range of Sherlock's most fascinating successors, exploring the ways in which a huge range of popular magazines and newspapers clamoured to ensnare Sherlock's bereft fans. The book's case study format examines a range of detective series created by L.T. Meade, C.L. Pirkis, Arthur Morrison, Fergus Hume, Richard Marsh, Kate and Vernon Hesketh Prichard, that filled the pages of a variety of periodicals, from plush monthly magazines to cheap newspapers, in the years while Sherlock was dead. Readers will be introduced to an array of detectives, professional and amateur, male and female, old and young, among them a pawn shop worker, a scientist, a British aristocrat, a ghost hunter. The study of these series shows that there was life after Sherlock and proves that there is much to learn about the development of the detective genre from the successors to Sherlock Holmes. In this brilliant, incisive study of late Victorian detective fiction, Clarke emphatically shows us there is life beyond Sherlock Holmes. Rich in contextual detail and with her customary eye for the intricacies of publishing history, Clarke's wonderfully accessible book brings to the fore a collection of hitherto neglected writers simultaneously made possible but pushed to the margins by Conan Doyle's most famous creation. Andrew Pepper, Senior Lecturer in English and American Literature, Queen's University Belfast. Professor Clarke's superb new book, *British Detective: The Successors to Sherlock Holmes*, is required reading for anyone interested in Victorian crime and detective fiction. Building on her award-winning first monograph, *Late Victorian Crime Fiction in the Shadows of Sherlock*, Dr Clarke further explores the history of serial detective fiction published after the death of Conan Doyle's famous detective in 1893. This is a path-breaking book that advances scholarship in the field of late Victorian detective fiction while, at the same time, introducing non-specialist readers to a treasure trove of stories that indeed rival the Sherlock Holmes series in their ability to puzzle and entertain the most discerning reader. Alexis Easley, Professor of English, University of St. Paul, Minnesota.

The Feather Detective Chris Sweeney, 2025-07-22 The fascinating and remarkable true story of the world's first forensic ornithologist, Roxie Laybourne, who broke down barriers for women, solved murders, and investigated deadly airplane crashes with nothing more than a microscope and a few fragments of feathers. Provided by publisher.

Masters of the "Humdrum" Mystery Curtis Evans, 2014-01-10 In 1972, in an attempt to elevate the stature of the crime novel, influential crime writer and critic Julian Symons cast numerous Golden Age detective fiction writers into literary perdition as humdrums, condemning their focus on puzzle plots over stylish writing and explorations of character, setting, and theme. This volume explores the works of three

prominent British Humdrums Cecil John Charles Street Freeman Wills Crofts and Alfred Walter Stewart revealing their work to be more complex as puzzles and as social documents than Symonds allowed By championing the intrinsic merit of these mystery writers the study demonstrates that reintegrating the Humdrums into mystery genre studies provides a fuller understanding of the Golden Age of detective fiction and its aftermath **The Mammoth Book of More Historical Whodunnits** Mike Ashley, 2001 More than thirty acclaimed mystery writers including Elizabeth Peters Margaret Frazer Derek Wilson Susanna Gregory Edward D Hoch Steven Saylor Peter Tremayne and Marilyn Todd present a baffling assortment of historical mysteries Original

Uncover the mysteries within Crafted by is enigmatic creation, Embark on a Mystery with **The Mammoth Of Historical Detectives** . This downloadable ebook, shrouded in suspense, is available in a PDF format (Download in PDF: *). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
