Framework Picture Book Toddlers:

Reading Picture Books with Infants and Toddlers Jane Torr, 2023-03-03 Reading picture books with infants and toddlers facilitates their early language development with far reaching benefits for their later reading abilities and academic achievement While the importance of reading books with children aged from 3 to 5 years is widely recognised the benefits of reading with much younger children from 0 to 3 years who are still engaged in learning their first language are less well understood This book will explore the seemingly simple practice of reading picture books with infants and toddlers aged 0 3 years from a range of perspectives Not only do book focused adult child interactions support language and early literacy development in multiple ways such interactions can also at the same time foster intellectual social emotional and spiritual growth By weaving together in an accessible manner the insights from several different discipline areas this book will explain how and why reading with infants and toddlers has such power to enrich their lives Providing an evidence based theoretically informed account Reading Picture Books with Infants and Toddlers supports educators parents and caregivers with the knowledge skills and motivation to provide frequent enjoyable and language rich reading experiences with infants and toddlers
