Viral Hit Reddit Discussions:

You Should Quit Reddit Jacob Desforges, 2023-02-21 In recent years countless books articles and documentaries have addressed the negative effects that social media platforms have wrought on their users and society However these former works are incomplete nearly no attention has been paid to Reddit one of the most popular websites in the world Reddit is certainly unique among social platforms but its potential for addiction and darker side of nefarious activity should absolutely not be understated Additionally nearly no actionable advice has been provided to users of these platforms The audience is told that these websites and apps are harming their mental health wasting their time and that they are addictive which would logically make the task of quitting rather difficult but then provided zero guidance on how to disconnect from them Over 200 000 users gather on Reddit s r NoSurf community to discuss reducing their internet use the forum is filled with reports of people who want to quit Reddit but find themselves psychologically compelled to return to the site over and over For moderate to heavy users of these platforms quitting is clearly not so simple You Should Quit Reddit is a paradigm shift in the genre Jacob Desforges was a Reddit user of over a decade and a self admitted Reddit addict who spent on average around three hours daily on the site Not only is this the first book investigating Reddit s flaws as a platform but it is also written from the perspective of someone who experienced firsthand the struggle that comes with quitting these addictive platforms This book therefore also provides readers with the practical advice tools and techniques needed to shatter the cycle of digital addiction enabling them to quit visiting Reddit and other time wasting websites for good so they can effectively reclaim their time to use in a more intentional manner

Frontiers in Fake Media Generation and Detection Mahdi Khosravy, Isao Echizen, Noboru Babaguchi, 2022-05-28 The book presents recent advances in the generation and detection of fake multimedia It also presents some frontiers in defensive techniques in front of skillfully cloned media The ultimate purpose of the research direction presented by this book is to build up a trustworthy media network benefited by an iron dome in front of media clones attacks The book focusses on 1 applications of deep generative models in the generation of fake multimedia and 2 cyber defensive and detective techniques in front of cyberattacks The book is composed of three parts i introduction ii fake media generation and iii fake media detection

Gaming Democracy Adrienne L. Massanari,2024-10-29 How play and gaming culture have mainstreamed far right ideology through social media platforms From Gamergate to the ongoing Big Lie the far right has gone mainstream In Gaming Democracy Adrienne Massanari tracks the flames of toxicity found in the far right and alt right movements as they increasingly take up oxygen in American and global society In this pathbreaking contribution to the fields of internet studies game studies and gender studies Massanari argues that Silicon Valley s emphasis on meritocracy and free speech absolutism has driven this rightward slide These ideologies have been coded into social media spaces that implicitly silence marginalized communities and subject them to rampant abuse by groups that have learned to game the ecology of platforms algorithms and attention economies While populist movements are not new phenomena such as QAnon parental rights activism and COVID denialism are uniquely of the internet with supporters demonstrating both technical acumen and an ability to use memes and play as a way of both building community and fomenting dissent Massanari explores the ways that the far right uses memetic humor and geek masculinity as tools both to create a sense of community within these leaderless groups and to obfuscate their intentions Using the lens of play and game studies as well as the concept of metagaming Gaming Democracy is a novel contribution to our understanding of online platforms and far right political activism *Organizational Gamification* Mikko Vesa,2021-02-25 This edited volume presents an interdisciplinary collection of texts that examine the practice of gamification the use of game design elements in non game contexts specifically as an organization and management research problem As we travel deeper into the twenty first century it is becoming increasingly clear the late

modernity is re defining its take on games and play Following what has been termed a general ludification or playification of society corporations are beginning to see games and play as resources rather than as a wasteful practice We are witnessing the emergence of the practice of gamification with the intention of mobilizing play s motivational power for capitalist production This book outlines both the essential how tos and also critically explores their links to diverse strands of organization theory such as institutionalism business ethics critical theory and organizational behavior Gamification research has been mostly conducted within disciplines such as information studies game studies and information systems science This is a paradoxical state of affairs whilst gamification aims at being a transformative intervention in work processes and practices and is being deployed as such by practitioners This book will be of value to researchers academics and students interested in management and organization studies

Summary of Just for the Summer by Abby Jimenez:A Season of Passion, Growth, and Second Chances thomas francis,2024-04-30 Just for the Summer Just for the Summer by Abby Jimenez is a contemporary romance novel that blends light hearted elements with deeper emotional themes showcasing Jimenez s flair for creating engaging relatable characters and scenarios The novel was published in April 2024 and has been well received for its compelling mix of romance and personal growth The story centers on Emma a traveling nurse with a complicated past involving her unreliable mother and Justin a software engineer who humorously finds that his ex girlfriends always find their true love immediately after breaking up with him Both characters joke that they seem to be good luck charms for their exes in finding love They meet when Emma contacts Justin after seeing his Reddit post about this phenomenon Intrigued by their shared experiences they agree to date over the summer while Emma is on assignment in Minnesota hoping that they might break their streak of being just a stepping stone to others happy endings

Why Fat Acceptance is Killing Us Conrad Riker,101-01-01 They Called Obesity Brave Now Your Son s Gym Class is Cancelled Tired of being shamed for valuing discipline while society glorifies self destruction Sick of doctors prioritizing body positivity over telling you the truth about diabetes heart disease and early death Worried your sons will grow up in a world where toxic masculinity means any masculinity Expose how fat liberation undermines personal accountability and medical science Learn why progressive movements always escalate from tolerance to tyranny Discover the evolutionary truth Weak bodies breed weak civilizations Debunk the health at every size myth with data leftists don t want you to see Fight back against ideologies that replace heroes with victims Reclaim masculinity as society s stabilizing force not a punchline Unmask the Frankfurt School s role in weaponizing pity to dismantle meritocracy Protect your family from a culture that pathologizes strength and rewards failure If you want to stop apologizing for excellence and defend the values that built civilization buy this book today before they ban it

Otherness in Literary and Intercultural Communication Cândido Oliveira Martins,Carmen Ramos Villar,Michela Graziani,2024-10-15 Looking at both Lusophone literature and literatures from around the globe from the perspective of intercultural communication this book addresses post colonial literature intercultural negotiations and how

multicultural debates are reflected in literary production Topics addressed include mobility and its effects be it through work business leisure travel or study contact between countries even within the boundaries of the country itself migration or exile be it by choice or by force As a whole the volume provides a comparative study of representations of intercultural communication in literature The volume conceives literature broadly to include both traditional fictional and non fictional prose and more recent genres like social media posts
