The Best Of Mary Mcgrory A Half Century Of Washington Commentary:

The Best of Mary McGrory Mary McGrory, 2006-10 Publisher description Neither Snow Nor Rain Devin Leonard, 2016-05-03 The book makes you care what happens to its main protagonist the U S Postal Service itself And as such it leaves you at the end in suspense USA Today Founded by Benjamin Franklin the United States Postal Service was the information network that bound far flung Americans together and yet it is slowly vanishing Critics say it is slow and archaic Mail volume is down The workforce is shrinking Post offices are closing In Neither Snow Nor Rain journalist Devin Leonard tackles the fascinating centuries long history of the USPS from the first letter carriers through Franklin s days when postmasters worked out of their homes and post roads cut new paths through the wilderness Under Andrew Jackson the post office was molded into a vast patronage machine and by the 1870s over seventy percent of federal employees were postal workers As the country boomed USPS aggressively developed new technology from mobile post offices on railroads and airmail service to mechanical sorting machines and optical character readers Neither Snow Nor Rain is a rich multifaceted history full of remarkable characters from the stamp collecting FDR to the revolutionaries who challenged USPS s monopoly on mail to the renegade union members who brought the system and the country to a halt in the 1970s Delectably readable Leonard s account offers surprises on almost every other page and delivers both the triumphs and travails with clarity wit and heart Chicago Tribune Ted Kennedy John A. Farrell, 2025-10-21 LONGLISTED FOR THE 2022 NATIONAL BOOK AWARD FOR NONFICTION An enthralling and groundbreaking new biography of one of modern America s most fascinating and consequential political figures drawing on important new sources by an award winning biographer who covered Kennedy closely for many years John A Farrell s magnificent biography of Edward M Kennedy is the first single volume life of the great figure since his death Farrell s long acquaintance with the Kennedy uni verse and the acclaim accorded his previous books including his New York Times best selling biography of Richard Nixon a finalist for the Pulitzer Prize helped garner him access to a remarkable range of new sources including segments of Kennedy s personal diary and his private confessions to members of his family in the days that followed the accident on Chappaquiddick Farrell is without question one of America s greatest politi cal biographers and a storyteller of deep wisdom and empathy His book does full justice to this famously epic and turbulent life of almost unimaginable tragedy and triumph As the fourth son of the close knit but fiercely competitive Kennedy clan Ted was the runt of the litter Expelled from Harvard University for cheating he was a fun loving playboy who nevertheless served his brothers loyally and effectively It was easy to take Ted lightly and many did But when he was elected to the United States Senate at the age of thirty to fill his brother Jack s seat something unexpected happened He found his home and his calling there Over time Ted Kennedy would build arguably the most significant senatorial career in American history His life was buffeted by heartbreak the violent deaths of his three older brothers his own terrible plane crash his children s bouts with cancer and the hideous self inflicted wounds of Chappaquiddick and stretches of drinking and

womanizing that caused irreparable damage to an already fragile first marriage Those wounds scarred Ted deeply but also tempered his character and eventually he embarked on a run as legislator party elder and paterfamilias of the Kennedy family that would change America for the better John A Farrell brings us the man as he was in strength and weakness his profound but complicated inheritance and his vital legacy as only a great biographer can do Without the story this book tells no understanding of modern America can be complete **Bobby Kennedy** Larry Tye, 2016-07-05 A multilayered inspiring portrait of RFK the most in depth look at an extraordinary figure whose transformational story shaped America Joe Scarborough The Washington Post NEW YORK TIMES BESTSELLER Soon to be a Hulu original series starring Chris Pine Larry Tye appears on CNN's American Dynasties The Kennedys We are in Larry Tye's debt for bringing back to life the young presidential candidate who almost half a century ago instilled hope for the future in angry fearful Americans David Nasaw The New York Times Book Review Bare knuckle operative cynical White House insider romantic visionary Robert F Kennedy was all of these things at one time or another and each of these aspects of his personality emerges in the pages of this powerful and perceptive biography History remembers RFK as a racial healer a tribune for the poor and the last progressive knight of a bygone era of American politics But Kennedy's enshrinement in the liberal pantheon was actually the final stage of a journey that began with his service as counsel to the red baiting senator Joseph McCarthy In Bobby Kennedy Larry Tye peels away layers of myth and misconception to capture the full arc of his subject's life Tye draws on unpublished memoirs unreleased government files and fifty eight boxes of papers that had been under lock and key for forty years He conducted hundreds of interviews with RFK intimates many of whom have never spoken publicly including Bobby's widow Ethel and his sister Jean Tye's determination to sift through the tangle of often contradictory opinions means that Bobby Kennedy will stand as the definitive biography about the most complex and controversial member of the Kennedy family Praise for Bobby Kennedy A compelling story of how idealism can be cultivated and liberalism learned Tye does an exemplary job of capturing not just the chronology of Bobby's life but also the sense of him as a person Los Angeles Review of Books Captures RFK's rise and fall with straightforward prose bolstered by impressive research USA Today Tye has a keen gift for narrative storytelling and an ability to depict his subject with almost novelistic emotional detail Michiko Kakutani The New York Times Nuanced and thorough RFK's vision echoes through the decades The Economist **New Books on Women and Feminism**, 2007
