Teaching to Justice, Citizenship, and Civic Virtue Julia K. Stronks, Gloria Goris Stronks, 2014-09-19 In Teaching to Justice Citizenship and Civic Virtue a group of teachers considers how students learn and what students need in order to figure out what God is requiring of them The teachers hear from experts in the fields of civic education the arts politics business technology and athletics In addition they talk about their own learning and what they want students to know about life after high school This book along with its discussion questions will help parents teachers school board members and administrators talk about what it means to help students work toward God s shalom in a broken but redeemed world
