The Kolbrin Bible The Kolbrin Bible:

The Kolbrin Bible Janice Manning, 2006-05 The Kolbrin Bible is a 2 part 11 book secular anthology The first six books are called the Egyptian texts and were penned by Egyptian academicians following the Hebrew Exodus The last five books are called the Celtic texts and were penned by Celtic priests following the death of Jesus Several accounts describe an object in orbit around our sun sun called the Destroyer which the Celtic authors call the Frightener According to recently translated Sumerian texts this object also known as Nibiru or Planet X is in a 3600 year orbit around our sun and The Kolbrin Bible warns us of its imminent return and of yet another Biblical tribulation Amazon com *The Kolbrin Bible* ,2023 The Kolbrin incorporates a body of enlightened teachings that are a treasure of the centuries a light on the path of Truth and as relevant to the world today as they were in the past The majority of what is presented here was actually salvaged from a pile of discarded manuscripts that had been partially burned and weathered The Kolbrin is concerned with goodness and virtue courage and mortality spiritual ideals and human aspirations It seeks to enshrine love in a place beyond the clamor and craving of mortal flesh which may be enough to condemn it The Masters can only record the results of their own searching in the Kolbrin They discovered assurance but are unable to share it with others If others want it they must follow in the footsteps of the Masters which is a long and winding road not for the faint of heart The first step on that path is to research the required moral code and standards of conduct The next step is to put these into action and make them the rule of life They are the disciplines that allowed the truly enlightened ones of the past to awaken inner perception and make direct contact with The Universal Source of Truth Only by following in their footsteps can anyone be assured of a path certain of reaching the desired goal The Kolbrin incorporates a body of enlightened teachings that are a treasure of the centuries a light on the path of Truth and as relevant to the world today as they were in the past The majority of what is presented here was actually salvaged from a pile of discarded manuscripts that had been partially burned and weathered Some of the manuscripts were transcribed onto thin metal plates at some point and became known as The Bronzebook of Britain Manuscripts that were traditionally thought to have been copied from salvaged manuscripts that were not transcribed on metal plates and formed a work known as The Coelbook are included During the second and third decades of the twentieth century these books were in the hands of a religious group in England that was never very powerful because membership requirements were too stringent The Kolbrin appears to have been on the verge of extinction throughout history but it has survived thanks to a few people who had no idea what it was all about who were neither intellectual nor wealthy and for whom the practicalities of life took precedence Originally there were twenty one books which were said to be twelve books of Britain eight books of Egypt and one of the Trojans but their names are uncertain Only a portion of these books remain and it appears that much of the historical content has been removed The significance of what is presented here lies in what is projected from the past into the present lamentable spiritual vacuum in the assistance it can provide to ordinary men and

women not in what it offers to the literary world These writings must be evaluated solely on this basis Any knowledge s worth is determined by its utility in the present moment We know from later books of the Kolbrin that its contents had to be kept secret for centuries because they could have been misunderstood or found unacceptable Perhaps they will fare better now The Masters can only record the results of their own searching in the Kolbrin They discovered assurance but are unable to share it with others If others want it they must follow in the footsteps of the Masters which is a long and winding road not for the faint of heart The first step on that path is to research the required moral code and standards of conduct The next step is to put these into action and make them the rule of life They are the disciplines that allowed the truly enlightened ones of the

Planet X and the Kolbrin Bible Connection Greg Jenner,Marshall Masters,2007-07 Greg Jenner spent decades connecting the dots for this book Now you can do the same in a single evening Marshall Masters Greg Jenner is one of the top Planet X historians alive today if not the best He believes that the ancients were extremely clear in their warnings to us about Planet X and in this groundbreaking work he makes it all click together like a box of Legos According to Jenner The Kolbrin Bible is the Rosetta Stone of Planet X This is because the historical accounts contained in this ancient secular anthology have enable him to correlate a broad range of wisdom texts folklore and prophecy For example he found several passages in The Kolbrin Bible which clearly describe the destruction of Atlantis during a previous Planet X flyby Related Title The Egyptian Texts of the Bronzebook The First Six books of The Kolbrin Bible Following Pharaoh s defeat at the hand of Moses the Egyptians searched the Middle East for clues to the one true G d of Abraham What now survives of that noble effort comprises the first six books of The Kolbrin Bible Related Title The Kolbrin Bible 21st Century Master Edition The Kolbrin Bible dates back 3600

years and offers unique and enlightened insights from the past to both challenge and affirm our present day beliefs This 11 book secular anthology is nearly as large as the King James Bible

Egyptian Texts of the Bronzebook Marshall Masters, 2006 The Egyptian Texts of The Bronzebook The First Six Books of The Kolbrin Bible is all that remains of a 3600 year old anthology penned by Egyptian academicians and scribes after the Hebrew Exodus The result of a regional search for the one true G d of Abraham it offers alternate accounts of Exodus and Noah s Flood Written in Egyptian Hieratic first translated to Phoenician and then into English it describes a planet the Egyptians called the Destroyer According to recently translated Sumerian texts this object also known as Nibiru or Planet X is in a 3600 year orbit around our sun The Egyptians say it caused Noah s Flood and the Plagues of Exodus Like the Druids Sumerians and Mayans they also warn us of its imminent return and of yet another Biblical tribulation The Other Exodus Story While there are parallels to the Exodus story of the Torah Old Testament the Egyptian accounts tell us that The Ten Plagues of Exodus were caused by the flyby of a planet through our solar system Pharaoh and his army perished at the Red Sea after slaughtering over half the Jews The Ten Plagues of Exodus were all parts of the same natural global disaster Following the Red Sea debacle Egypt paid dearly to repel an bloody invasion from the South Shaken to their national core the Egyptians conducted the first regional anthropological and historical study of the Middle East Their aim was to find clues that would lead them to the one true G d of Abraham and they published their initial findings in a 21 volume work titled The Great Book During the last millennium BCE Phoenician papyrus traders translated The Great Book from Egyptian Hieratic into their own 22 letter alphabet and entrusted a copy to the Celtic priests in Britain After the death of Jesus Joseph of Arimathea his great uncle on the side of Joseph founded the Glastonbury Abbey It became the repository for these texts as well as those authored by Celtic priests and in 1184 CE English King Henry II ordered an attack on the Abbey The surviving priests secreted the remaining texts to Scotland where they were translated into English and eventually merged to create The Kolbrin Bible Related Title The Celtic Texts of the Coelbook The Last Five books of The Kolbrin Bible A historical treasure trove of ancient Celtic and Druid folklore philosophy and mysticism Penned by Celtic priests in the first millennium CE it includes a never before published biographical sketch of Jesus Christ with several first person quotes by Jesus himself Related Title The Kolbrin Bible 21st Century Master Edition The Kolbrin Bible dates back 3600 years and offers unique and enlightened insights from the past to both challenge and affirm our present day beliefs This 11 book secular anthology is nearly as large as the King James Bible

An End to All Disease Lt. Lawrence F. Frego, 2006-07-19 We are at the crossroads of world health On the one hand we face the possibility of a world wide pandemic the likes of which has never been seen before We are likewise on the threshold of discovering natural cures for nearly every disease As choosing wisely may mean the difference between life and death this book is designed to help the reader choose alternative options that are seldom if ever in the news Jared Diamond in his groundbreaking work Collapse How Societies Choose to Fail or Succeed addresses the fact that only civilizations that

recognize the threats against their existence and deal with the threat effectively survive Civilizations with their heads in the sand become extinct or are conquered by more vigorous nations The robber barons of the last century were able to create a monopoly for oil and the automobile by ruthlessly and systematically destroying all competition They tore up cable car lines and public transportation so the public would have no other alternative except their oil Today the drug monopolies owned by the descendants of these same robber barons are nearly complete in their plot to eradicate all natural low cost remedies for disease prevention and treatment In the state of Florida naturopathic physicians were de licensed unless they also had a conventional medical license The powers that be want to create a drug induced society at an enormous financial and emotional cost to the public at large They are even trying to outlaw vitamins via European health treaties and side step the American constitution and the public The ever escalating cost of medical care created by lack of natural alternative options can only lead to the eventual total collapse of the entire medical system It is exceedingly difficult finding the truth about alternative medicine as the system has a vested interest in making profits and keeping the truth from you A few thousand deaths is an acceptable loss if a few billion dollars can be made And it will be a cold day in hell before a drug company puts itself out of business by telling you about a low cost natural cure that their product can manage The guardians of public health know which side their toast is buttered on also The career politicians and beltway bandits at the FDA know where the money is and they dont get it from you or providers of natural cures The drug monopolies pay the big bucks There have been no checks and balances Corruption has become so pronounced that the US House of Representatives is seeking to pass the Consumers Access to Health Information Act H R 2352 to ensure that accurate health claims ARE NOT SUPPRESSED Consumers would be given TRUTHFUL AND COMPLETE information about the curative mitigation treatment and prevention effects of foods and dietary supplements on disease or health related conditions The time to exercise your God given right to the health care of your choice is now www.lef.org America has the finest emergency health care in the world Bar none However that is not the nature of the coming threat American baby boomers will soon be retiring in the tens of millions Their health care needs will be staggering and costly However 92% of American health care providers are trained in emergency medicine and only 8% in long term preventative medicine As it takes a minimum of 6 7 years to obtain a medical degree America is unprepared for a crisis that is inevitable The Word of Gnosis Tait Zinszer,2012-05-16 Mysterious thought provoking and intriguing The Word of Gnosis A Light in the Darkness of Universal Forgetfulness is Tait Zinszer s new book that compiles excerpts from various ancient manuscripts that were the foundation of much of the biblical creation and flood stories His intentions are to write into history the truth that the gods of the ancient world once walked among man and that the cities they built can still be explored today He also cross references several of these manuscripts to show the reader that the flood of Noah and the Hebrew exodus from Egypt may have been caused by a cosmic nemesis that roams our galaxy called the Destroyer the biblical Wormwood His book primarily targets anyone interested in acquiring deeper knowledge of

the Divine as well as self knowledge and challenges the reader to embrace the ancient myths of the gods as historical fact The Word of Gnosis gives the reader a lot to reflect upon long after they have turned its last pages *The Kolbrin Bible* Janice Manning,2008-01-21 Millennia ago Egyptian and Celtic authors recorded prophetic warnings for the future and their harbinger signs are now converging These predictions are contained in The Kolbrin Bible a secular wisdom text studied in the days of Jesus and lovingly preserved by generations of Celtic mystics in Great Britain Nearly as big as the King James Bible this 3600 year old text warns of an imminent Armageddon like conflict with radical Islam but this is not the greatest threat The authors of The Kolbrin Bible predict an end to life as we know it by a celestial event It will be the return of a massive space object in a long elliptical orbit around our sun Known to the Egyptians and Hebrews as the Destroyer the Celts later called it the Frightener *Celtic Texts of the Coelbook* Marshall Masters,Janice Manning,2006-05-31 Authored by Celtic priests when the first Gospels of the New Testament were being created the Celtic Texts of the Coelbook the last five books of The Kolbrin Bible documents the fusion of Celtic and Druid mysticism Judaism and Egyptian anthropology Some regard it as a key Celtic wisdom text because it includes a revealing biography of Jesus with several never before published first person quotes This work is rooted in a 3600 year old Egyptian text the first six books of The Kolbrin Bible written following the Exodus It describes how Noah s Flood and the Ten Plagues of Exodus were caused by a planet also known as Nibiru or Planet X that orbits our sun every 3600 years The Egyptians called it the Destroyer and the Celtic priests called it the Frightener Inspired by the Hebrew Exodus from Egypt This story begins with Moses and the Hebrew Exodus Convinced their gods had failed them the Egyptians conducted the first regional anthropological study of the Middle East in search of clues that would lead them to the one true G d of Abraham They published their findings in a 21 volume work titled The Great Book During the last millennium BCE Phoenician traders translated The Great Book from Egyptian Hieratic into their own 22 letter alphabet and entrusted a copy to the Celtic priests in Britain Inspired by the Egyptian texts the Celtic priests wrote their own wisdom text in ancient Celtic and called it the Coelbook Work began on the earliest parts of The Coelbook in approximately 20 CE and finished in approximately 500 CE Viewed as a religious work by many the Celtic texts offer a timeless insight into Druid folklore mysticism and philosophy It is now published as The Celtic Texts of the Coelbook the last five books of the The Kolbrin Bible in honor of it s Celtic authors Related Title The Egyptian Texts of the Bronzebook The First Six books of The Kolbrin Bible Following Pharaoh s defeat at the hand of Moses the Egyptians searched the Middle East for clues to the one true G d of Abraham What now survives of that noble effort comprises the first six books of The Kolbrin Bible Related Title The Kolbrin Bible 21st Century Master Edition The Kolbrin Bible dates back 3600 years and offers unique and enlightened insights from the past to both challenge and affirm our present day beliefs This 11 book secular anthology is nearly as large as the King James Bible Hidden Stories of Jesus in Britain Ben Kimball,Pam Kimball,Bron Kimball,2023-08-10 Jesus of Nazareth was the most influential person to ever walk the earth so why do we have no record of

him for nearly two decades of his short life Or have we just not looked in the right places Narratives have long trickled out of the British Isles pointing to a significant connection with Jesus and with some of His most prominent disciples Evidence reveals that Britain was not only the epicenter of an ancient global religion but became the first light of Christianity after the crucifixion Was the royal lineage of King David preserved in the ancient British Isles Did the ancient Druids hold beliefs in common with Judeo Christianity Was Joseph of Arimathea more than a wealthy disciple of Jesus Did a young Jesus walk the shores of Britain and if so why What was he doing in that remote corner of the world If the answer to any of these questions is yes why have these accounts not been more widely shared These hidden stories out of Celtic Britain abound in heroism sacrifice and faith The rise and ultimate fall of these noble people is a story for the ages A battle for transparency continues today as this book reveals ancient manuscripts and other evidence that shed needed light on Britain and on the life of Jesus prior to His final ministry in Palestine *Unholy Alliance* Bonnie Meyer, 2007-03 An unholy alliance was signed between the negative aliens and the secret world government in Europe in 1572 and with the US in 1946 The secret governments knew with whom they were dealing but were not aware they were being deceived Humans traded for alien technology Alien provided technology used for manufacturing diseases Underground and underwater alien bases and tunnel systems Global satellite and electronic surveillance Earth changes and weather manipulation US government has built UFOs Global impact of personal choices *Meditations of an Adept* Gilda M. Lucifer - Father of Cain Zen Garcia, 2014-03-18 The esoteric knowledge presented here represents what are in my belief some of the most carefully guarded heavily veiled and least understood secrets of biblical wisdom traditions Many have stumbled upon this knowledge without necessarily grasping just what the full implications this knowledge means for unlocking and deciphering the riddles of our Holy Bible as bestowed upon us by our Father Yahweh through the line of prophets and even His only begotten Son Yahushuah Savior Messiah The secret that unlocks all things biblical is knowledge that Cain was a child of Eve and Lucifer and not the first born son of Adam Understanding that there are two blood lines

upon the planet and that these two bloodlines have been warring with one another since the inception and dawning of humanity upon this world will help one to decipher this critical theme as it plays out through the totality of all available scripture from the fall to soon coming judgment Where Angels Play Daniel Chiera,2011-07-05 *Celtic Wisdom: Timeless Wisdom in Poetry and Prose* Gerald Benedict Editor,2012-01-20 Spanning from the earliest texts of antiquity to the vivid storytelling of the Celtic Christian period and beyond this is an inspiring selection of poetry and prose While the earliest material captures the beliefs and practices of a vibrant natural religion we see how these were later incorporated into a unique form of Christianity one that sadly died out in the late 7th century Other highlights include works of the Celtic Twilight Celtic Wisdom offers a unique blend of pagan and Christian insight that is as relevant today as in ancient times
