

The Church and the Homo- sexual

John J. McNeill

“Father McNeill’s message is
beautifully delivered and
urgently needed.”

—William Sloane Coffin

Fourth Edition

The Church And The Homosexual Fourth Edition

K. Renato Lings

The Church And The Homosexual Fourth Edition:

The Church and the Homosexual John J. McNeill, 2015-11-03 In this brave and good book which shatters bad myths Commonweal McNeill shows that the Bible does not condemn homosexuality and argues that the Church must not continue its homophobic practices **Presbyterian Polity for Church Leaders, Fourth Edition** Joan S. Gray, Joyce C. Tucker, 2012-01-01 New revision of a best selling book for church leaders **Systematic Theology, Volume 1, Fourth Edition** James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary *Sexual Conversion Therapy* Jack Drescher, Ariel Shidlo, Michael Schroeder, 2018-10-08 Hear the other side of the story on sexual conversion therapy In their fervor to fix homosexuals practitioners of sexual conversion therapies have often overlooked or completely dismissed the possible psychological and social side effects of such treatments Sexual Conversion Therapy Ethical Clinical and Research Perspectives works to counterbalance the clinical and ethical omissions of overzealous therapists who have focused on efficacy and outcome at the expense of their patients self esteem Sexual Conversion Therapy features first person accounts of patients and clinicians including psychotherapists who themselves have undergone treatments ranging from psychoanalysis to religious faith healing to aversion behavior conditioning and even electroshock therapy In addition to examining the history and ethics of conversion therapy the book presents empirical data on current practice and recovery processes for survivors of failed conversion attempts Sexual Conversion Therapy presents

current perspectives on the harmful impact of sexual orientation interventions including Cures A Gay Man's Odyssey Becoming Gay A Psychologist's Journey Through the Ex Gay Movement Therapeutic Antidotes Gay and Bisexual Men Recover from Conversion Therapies I'm Your Handyman A History of Reparative Therapies Nearly 30 years after the American Psychiatric Association removed homosexuality from the Diagnostic and Statistical Manual of Mental Disorders a small but dedicated group of mental health practitioners continues to diagnose and treat homosexuality as a mental illness Sexual Conversion Therapy is an essential alternative to the bulk of published material that champions treatments that produce a handful of heterosexuals cured of their illness while inflicting emotional and psychological damage on countless gay and lesbian patients who failed to convert *The Church and the Homosexual* John J. McNeill, 1988 Fourth Edition In this brave and good book which shatters bad myths Commonweal McNeill shows that the Bible does not condemn homosexuality and argues that the Church must not continue its homophobic practices The Church and the Homosexual is a major weapon for those who are fighting to change the Church The Reverend Paul Moore Jr **From Conduct to Character, 4th Edition** Todd H. Speidell, 2005-03-21 From Conduct to Character should be a wonderful teaching tool especially for beginning ethics students The case studies used in this book do not merely encourage students to make up their own minds Rather they draw students into a deeper consideration of their character and of the communities that make their character possible Stanley Hauerwas Gilbert T Rowe Professor of Theological Ethics Duke Divinity School Durham North Carolina Ethical theory and contemporary ethical crises find a unique marriage in this very useful introduction to ethics by Todd Speidell Brief enough to use for an introductory ethics course Speidell's book uses intriguing case studies to flesh out the perennial challenges of both classical and contemporary ethical theories Never has an introductory ethics text included so much in a slim affordable volume Christian D Kettler Prof of Theology and Philosophy Friends University Wichita Kansas From Conduct to Character is a concise and articulate introduction to ethical decision making from the perspective of key ethical traditions First and foremost this is a teaching text written to provide structure and meaning to conversations about difficult moral choices It is also an insightful guide and starting point for addressing questions of values virtue and moral obligation Keith A Evans Head of School Collegiate School Richmond Virginia Ex-Gay Research Jack Drescher, Kenneth J Zucker, 2013-04-03 Defenders and critics of the controversial Spitzer study analyze its methodologies and findings In 2001 Robert L Spitzer MD presented his study on sexual conversion therapy with its controversial findings that some homosexuals can change their sexual orientation The resulting media sensation and political firestorm enraged the study's critics and emboldened its supporters Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture presents leading experts examining Spitzer's research methodology and findings to discern whether the study itself deserves deeper consideration or outright dismissal Every facet of the study is reviewed to discuss the positive or negative aspects of the results its significance in political and social terms and the implications for the future Dr Spitzer himself was an instrumental

figure in the American Psychiatric Association's decision in 1973 to remove homosexuality as a mental illness listing from the Diagnostic and Statistical Manual III. His later study that states that in some individuals homosexuality may be more fluid than previously thought stirred controversy in the psychiatric community and society at large. His study is presented here to allow the reader to evaluate and consider it for themselves. Leading experts then voice their own pro or con views on the methodology and findings.

Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture fearlessly illustrates the sometimes fuzzy boundary between science and politics, courageously spotlighting the culture wars now dividing our society. **Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture** discusses the ex-gay movement, the nature of scientific inquiry, the relationship between science and politics, the results of sexual conversion therapies, gay and lesbian rights. **Ex Gay Research Analyzing the Spitzer Study and Its Relation to Science Religion Politics and Culture** is essential reading for sex researchers, mental health professionals, pastoral counselors, political activists, and any person asking if one can truly change his or her homosexuality. [Love Lost in Translation](#)

K. Renato Lings, 2013-06 **Love Lost in Translation** systematically examines the biblical stories and passages that are generally assumed to deal with or comment on homoerotic relationships: Noah and Ham, Sodom and Gomorrah, Leviticus 18:22, Deuteronomy 23:17-18, Judges 19, Romans 1:26-27, and 1 Corinthians 6:9. K. Renato Lings convincingly demonstrates that mistranslations of these texts into Greek, Latin, and other languages occurred early and that serious errors continue to be committed by translators today. This explains the painful controversy about same-sex relationships which has rocked Christian churches for decades.

Both Feet Firmly Planted in Midair John J. McNeill, 1998-01-01 Details the life of the former Jesuit priest who was expelled from the Society of Jesus for his views on gay and lesbian sexuality. **Hey, Mary!**

Andrew Wheeler, 2025-04-15 From writer Andrew Wheeler's *Another Castle*, Cat Fight, and artist Rye Hickman's *The Harrowing* comes a touching story of religion, desire, and what it means to be yourself no matter how lonely or scared you feel. Mark is a good Catholic boy. He goes to church, says his prayers, and spends too much time worrying about hell. When Mark realizes he has a crush on another boy in his school, he struggles to reconcile his feelings with his faith as the weight of centuries of shame and judgment and his fear of his parents' response presses on his shoulders. Mark seeks advice from his priest as well as a local drag performer but also receives unexpected input from key figures in Catholic history and lore, including Joan of Arc, Michelangelo, St. Sebastian, and Savonarola. Ultimately, only Mark can answer the question: Is it possible for him to be both Catholic and gay?

The Scandal of Evangelicals and Homosexuality Mark Vasey-Saunders, 2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them. The issue of homosexuality is one of the key battlegrounds. How has this issue become so significant to evangelicals? Why is it provoking such violent responses? How is it changing evangelicals, and what might this mean for the future? This book examines the history of evangelical responses to the issue of homosexuality, setting them in a wider historical and cultural context and

drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future The Scandal of Evangelicals and Homosexuality offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate What's Left? Mary Jo Weaver, 1999 What's Left employs a thoroughly in house approach in which self identified liberal Catholics examine various facets of liberal Catholicism this book explores some of the most prominent threads of leftist Catholic aspiration and dissent Choice What's Left is the most comprehensive study to date of liberal American Catholics in the generation following the second Vatican council 1962-65 The main features of liberal American Catholicism feminist theology and practice contested issues of sexual conduct new social locations of academic theology liturgy spirituality ministry race and ethnicity and public Catholicism are presented here in their historical and social contexts **Ministry Among God's Queer Folk, Second Edition** Bernard Schlager, David Kundtz, 2019-01-21 This practical pastoral care handbook written by two self described queer people of faith covers the basic skills that religious caregivers and ministry students need in order to be effective enlightened and supportive pastoral care providers to LGBTQ persons in congregational and other community settings Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling while the latter is reserved for those with special training in the practice of therapy the former can be developed by ministers and lay people with sufficient education and practice This book requires of the reader no previous experience with LGBTQ communities and treats the following topics the definition and functions of pastoral care effective care in challenging times coming out of the closet creating communities of care and caring for a wide variety of LGBTQ relationships The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care *Addressing Homophobia and Heterosexism on College Campuses* Elizabeth Cramer, 2014-03-05 This book presents an integrated approach toward changing attitudes about lesbian gay bisexual and transgendered LGBT students faculty and staff on contemporary college campuses From Addressing Homophobia and Heterosexism on College Campuses you can learn specific classroom techniques for handling homophobia and heterosexism in the classroom This book tackles a wide variety of subjects including academic freedom diversity training nontraditional families and religion each of which plays an integral part in the sense of community found on any college campus Addressing Homophobia and Heterosexism on College Campuses provides you with the basic tools to set up sensible programs that have worked for others in the past and can work for you in the future In Addressing Homophobia and Heterosexism on College Campuses you'll also find a list of helpful feature films and documentaries case studies from the US Canada and Australia methods to combat homophobia and heterosexism among social work students practical ways to set up

SCM Core Text Theology and Sexuality Susannah Cornwall, 2013-02-18 The SCM Core Text Theology and Sexuality provides a clear overview of the theological debate surrounding sexuality as broadly understood. It gives an outline of the major themes surrounding sexuality in theological perspective focusing on key thinkers concepts and areas of discussion. This student friendly textbook is aimed at theology students and ordinands studying at undergraduate level 3 and MA level who are undertaking modules on theology and sexuality gender sex and the human body. It is also accessible to Christian clergy and laypeople who wish to engage with issues of sexuality in congregations. The use of extensive glossaries breakout definitions and examples makes the book accessible to those with little existing knowledge of contemporary debates on theology and sexuality. The book includes chapters on definitions of sexuality sexuality in the Christian tradition Christian approaches to marriage celibacy and virginity and same sex relationships

The Other Side of the Closet Amity Pierce Buxton, 2008-04-21 Candid compassionate authoritative a rich source of insights information and practical guidance. The first major work on the topic. Gay Community News A much needed comprehensive study of what happens to husbands wives and children during the coming out crisis. The Reverend Jane E Vennard founder Task Force for Spouses of Gays and Lesbians. The new enlarged edition adds important factors especially children's reactions to a parent's coming out. Well researched and insightful. Fritz Klein M D author of The Bisexual Option. Anybody practicing in this area would be well advised to read this book. Professor Arthur S Leonard New York Law School. In two million marriages one spouse is gay lesbian or bisexual. Having a spouse or parent disclose his or her same sex attraction is a shattering experience fraught with pain confusion anger and a profound loss of self esteem. Amity Pierce Buxton spotlights this exploding phenomenon and reports constructive coping strategies that spouses and children have used to resolve problems of sexual damage family breakdown deception and homophobia. Illustrated throughout by riveting personal narratives this expanded edition of The Other Side of the Closet traces the family's journey from initial trauma to eventual transformation. This invaluable source of information for spouses families and professionals is based on Dr Buxton's eight years of research including interviews with 1 000 straight spouses and children her own personal experience and her counseling work with spouses of gay lesbian and bisexual partners

The Publishers' Circular, 1837

The Dictionary of Homophobia Louis-Georges Tin, 2008-11-01 Tin's Dictionary of Homophobia is so sweeping in its scope that one can dip into it again and again and learn something or confront an idea in which even the most well read queer will find fresh intellectual nourishment and historical illumination. Gay City News. Based on the work of seventy researchers in fifteen countries The Dictionary of Homophobia is a mammoth encyclopedic book that documents the history of homosexuality and various cultural responses to it in all regions of the world a masterful engaged and wholly relevant study that traces the political and social emancipation of a culture. The book is the first English translation of Dictionnaire de L Homophobie published in France in 2003 to

worldwide acclaim its editor Louis Georges Tin launched the first International Day Against Homophobia in 2005 now celebrated in more than fifty countries around the world The Dictionary of Homophobia includes over 175 essays on various aspects of gay rights and homophobia as experienced in all regions in Africa the Americas Asia Europe and the South Pacific from the earliest epochs to present day Subjects include religious and ideological forces such as the Bible Communism Judaism Hinduism and Islam historical subjects events and personalities such as AIDS Stonewall J Edgar Hoover Matthew Shepard Oscar Wilde Pat Buchanan Joseph McCarthy Pope John Paul II and Anita Bryant and other topics such as coming out adoption deportation ex gays lesbiphobia and bi phobia In a world where gay marriage remains a hot button political issue and where adults and even teens are still being executed by authorities for the crime of homosexuality The Dictionary of Homophobia is a both a revealing and necessary history lesson for us all Leila in England. A Continuation of Leila, Or, The Island. 4th Ed Ann Fraser Tytler,1850 **Publishers' circular and booksellers' record** ,1839
