Dance With Me Imani Price, 2023-08-11 Step One Learn to dance Step Two Don't fall in love Nevaeh has always danced her way through life metaphorically speaking Her zest for life is infectious and she is known for being the life of the party and for her two left feet She has no sense of rhythm and jests that when she's dancing people think she's having a seizure When her best friend gets engaged she couldn't be more thrilled that is until she finds out there's a stipulation to being the maid of honor Nevaeh must learn how to dance As if that isn't bad enough her dance instructor is sinfully handsome And completely off limits Sean's life is what you might call complicated which is one of the many reasons he loves dancing The rhythm The control You know the steps you lead or you follow It's a simple escape from his world of order That is until a beautiful bundle of chaos comes stumbling through his studio doors He never expected to feel such a spark with a student Nevaeh is everything he could ever want and more but as a single parent his life isn't just his own Still with every lesson she twirls herself a little further into his life and his heart The time for dancing around his feelings is over If you like sassy fun loving romances with single dads strong friendships and relatable heroines you'll love *Dance With Me* This is a sweet romance standalone taking place in the small town of Sweetgum Meadows Scroll up and grab your copy now **No**
