The Language of Spells Garret Weyr, 2018-06-26 A forgotten dragon and a magical girl set out to find Vienna s missing dragons in this YA fantasy novel Extraordinary not to be missed Kirkus Reviews starred review Grisha is a dragon in a world that s forgotten how to see him Maggie is an unusual child who thinks she s perfectly ordinary They re an unlikely duo but magic like friendship is funny And it has chosen Grisha and Maggie to solve the darkest mystery in Vienna Decades ago when World War II broke out someone decided that there were too many dragons for all of them to be free As they investigate Grisha and Maggie ask the questions everyone s forgotten to ask Where have the missing dragons gone And is there a way to save them At once richly magical and tragically historical The Language of Spells is a novel full of adventure about remembering old stories forging new ones and the transformative power of friendship

The Language of the

Moon - for Beginners Harry Eilenstein, 2021-07-06 In magic a special language is spoken not the spells not the old languages that nobody uses for thousands of years not the language of grimoires but the language of images This language is direct and sincere and true it is what it is it tells how it is it shows the innermost essence of what is signified the words of this language are a reflection of what they point to The language of magic needs the connection to what it wants it must be accurate without inner contradiction otherwise this language has no magical effect The language of magic works in the subconsciousness and the subconsciousness is not judgmental it is not moral it hides nothing it sees everything and that is where magic works The words of magic direct the life force and what is the life force but the substance of the subconsciousness therefore the language of the magicians must be a True Language The language of magic in astrology is the Moon the inner images the dreams the dream journeys the visions the symbols the omens the fairy tales the myths the language of magic is the Language of the Moon

Coral Gardens and Their Magic: The language of magic and gardening Bronislaw Malinowski, 1965

A General Theory of Magic Marcel Mauss, 2005-07-05 First written by Marcel Mauss and Henri Humbert in 1902 A General Theory of Magic gained a wide new readership when republished by Mauss in 1950 As a study of magic in primitive societies and its survival today in our thoughts and social actions it represents what Claude Lévi Strauss called in an introduction to that edition the astonishing modernity of the mind of one of the century's greatest thinkers The book offers a fascinating snapshot of magic throughout various cultures as well as deep sociological and religious insights still very much relevant today At a period when art magic and science appear to be crossing paths once again A General Theory of Magic presents itself as a classic for our times
