

A person with long brown hair, wearing a light blue raincoat, is sitting on a wooden pier or dock. They are looking down at a large, open book or map they are holding on their lap. The background shows a calm body of water, distant hills, and bare tree branches hanging over the scene. The overall mood is quiet and contemplative.

The Symbolist Movement in the Literature of European Languages Anna Balakian, Anna Elizabeth Balakian, 1984 Edited by Anna Balakian this volume marks the first attempt to discuss Symbolism in a full range of the literatures written in the European languages The scope of these analyses which explore Latin America Scandinavia Russia Poland Hungary Serbia Czechoslovakia and Bulgaria as well as West European literatures continues to make the volume a valuable reference today As Ren Wellek suggests in his historiographic contribution the fifty one contributors not only make us think afresh about individual authors who are giants but also draw us to reassess schools and movements in their local as well as international

contexts Reviewers comment that this copious and intelligently structured anthology divided into eight parts traces the conceptual bases and emergence of an international Symbolist movement showing the spread of Symbolism to other national literatures from French sources as well as the symbiotic transformations of Symbolism through appropriation and amalgamation with local literary trends Several chapters deal with the relationships between literature and the other arts pointing to Symbolism at work in painting music and theatre Other chapters on the psychological aspects of the Symbolist method connect in interesting ways to a vision of metaphor and myth as virtually musical notation and an experimental emphasis on the play afforded by gaps between words The volume is a major contribution to the most significant exponents and essential themes of Symbolism The theoretical historical and typological sections of the volume help explain why the impact of this important movement of the fin de siècle is still felt today **Canadian Shorthorn Herd Book** Canadian Shorthorn Association,1930 *Théâtre de Barillet et Grédy* Pierre Barillet,Jean-Pierre Gredy,2013-10-31 Tout au long de la seconde moitié du XXe siècle Pierre Barillet et Jean Pierre Gredy ont signé ensemble une trentaine de comédies qui ont fait les beaux soirs du théâtre de boulevard pendant des centaines voire des milliers de représentations Plus qu'une signature Barillet et Gredy sont un label le vaudeville dans ce qu'il a de meilleur des répliques acérées une énergie et une gaieté communicatives servies par la classe de Sophie Desmarets ou l'abattage de Jacqueline Maillan leurs actrices fétiches La présente anthologie regroupe leurs plus grands succès qui ont franchi les frontières et les époques avec des interprètes prestigieux Lauren Bacall dans *Fleur de cactus* sur les planches de Broadway Ingrid Bergman puis Nicole Kidman dans la même pièce au cinéma quand François Ozon réunissait une distribution spectaculaire pour offrir en 2010 une brillante adaptation de *Potiche* Barillet et Gredy perpétuent la haute tradition parisienne du théâtre de boulevard en lui donnant de nouvelles lettres de noblesse des pièces raffinées spirituelles dans laquelle la légitime ambition de provoquer rires et sourires n'exclut ni le regard aimablement critique sur les comportements de l'époque ni l'occasion une certaine gravité Olivier BARROT Préface d'Olivier Barrot *Notices de Jacques Pessis* Report of Dividends Remaining Unpaid and Unclaimed Balances in Chartered Banks of ... Canada for Five Years and Upward ... Canada. Department of Finance,1899 **Images** Paul Roberts,2003-03 Paris at the turn of the 20th century was obsessed with the interrelations of the arts It was a time when artists and writers spoke of poetry as music sounds as colors and paintings as symphonies The music of Claude Debussy with its unique textures and dazzling colors was the perfect counterpart to the bold new styles of painting in France Paul Roberts probes the sources of Debussy's artistic inspiration relating the impressionist titles to the artistic and literary ferment of the time He also draws on his own performing experience to touch on all the principal technical problems for a performer of Debussy's piano music His many suggestions about interpreting the music will be particularly valuable to performers as well as listeners The Illustrated Lives of the Great Composers: Debussy Paul Holmes,2011-08-01 Lavishly illustrated throughout this fascinating biography sets Debussy's musical revolution in the context of his times It will be invaluable to musicians and concertgoers alike

Revolutions of 1848 Priscilla Smith Robertson, 2020-10-06 This social history of Europe during 1848 selects the most crucial centers of revolt and shows by a vivid reconstruction of events what revolution meant to the average citizen and how fateful a part he had in it A wealth of material from contemporary sources much of which is unavailable in English is woven into a superb narrative which tells the story of how Frenchmen lived through the first real working class revolt how the students of Vienna took over the city government how Croats and Slovenes were roused in their first nationalistic struggle how Mazzini set up his ideal republic Rome
