The Only Answer To Cancer:

The Only Answer to Cancer Leonard Coldwell, 2009-10-01 All illness comes from lack of energy and the greatest energy drainer is mental and emotional stress which I believe to be the root cause of all illness Stress is one of the major elements that can erode energy to such a large and permanent extent that the immune system loses all possibility of functioning at an optimum level The Only Answer to Cancer is a book of hope and I want you to understand that there is always hope no matter how bad your health situation is right now Your journey to ultimate health begins today **The Only Answer to Cancer**, 2009 This third book in the Islam Rising trilogy outlines how America and the West have been targeted by Islamists for either destruction or conversion The word compromise isn't even in their vocabulary Let there be no doubt since 1979 Islamists in the name of their religion and their god have been continuously attacking and killing Americans Beginning with the takeover of the US Embassy in Iran each horrible event including 9/11 has been identified When will America wake up and realize that a never ending jihad has been declared against all of western civilization both America and Europe Publisher

The Only Answer to Stress, Anxiety & Depression Leonard Coldwell, 2010 All illness comes from lack of energy and the greatest energy drainer is mental and emotional stress which I believe to be the root cause of all illness Stress is one of the major elements that can erode energy to such a large and permanent extent that the immune system loses all possibility of functioning at an optimum level The Only Answer to Stress Anxiety Depression is a book of hope and Dr Coldwell wants the reader to understand that there is always hope no matter how bad their health situation is right now The journey to ultimate health can begin today In his lifetime Dr Leonard Coldwell has seen over 35 000 patients had a 92.2% success rate with cancer and other illnesses had over 2.2 million seminar attendees that wrote to him sending in their comments and life stories has had over 7 million readers of his newsletters and reports and Dr Coldwell is the doctor that has in the opinion of leading experts the highest cancer cure rate in the world [Cancer Free: Your Guide to Gentle, Non-toxic Healing \(Fifth Edition\)](#) Bill Henderson, 2014-11-15 About the Book If you love your stricken one this is your Bible said Denzel Koh of Brisbane Australia after he healed his daughter's cancer using the information in a previous edition of this book A cancer diagnosis always causes fear All of us have seen relatives and friends destroyed by conventional cancer treatment Now thanks to books like this one and the Internet you can quickly learn what you need to know You can heal the cancer using natural non toxic substances that work What you need is a guide to cut through the overwhelming jungle of information This book provides that guide The information in it has been refined over twelve years using feedback from real cancer survivors about what worked for them Bill Henderson one of the authors has counseled about 4 000 cancer patients by phone and video in 64 countries At least 3 000 of them have recovered using his information He is not a medical professional He is a reporter furnishing you with information that consists of what he would do if he were you or your loved one His coaching is available to you after you have read this book if you need it The co author is Dr Carlos Garcia a formally trained M D who has

broken out of that mold and trained himself to be a well informed holistic physician His Utopia Wellness clinic in Oldsmar Florida regularly helps Stage IV cancer patients heal themselves Bill Henderson has published 165 free newsletters on natural cancer treatment to 38 000 subscribers all over the world starting in 1999 The information in these newsletters has now been incorporated into this his third book The book is up to date specific and accurate Bill and Dr Garcia inform you of over 140 web sites and dozens of other books and newsletters you can use to expand your knowledge of natural cancer treatment The self treatments they recommend are harmless enough that you can start them immediately without more research if you like They do not interfere with conventional cancer therapy if that is your choice In fact they offset most of the side effects of that treatment Cancer is not a disease says Bill It is a reaction to what your body has experienced Reverse those causes and the cancer goes away Continue what you did to reverse it and it stays away Bill explains that there are four common characteristics of all cancers These have been known since the 1920 s 1 Low oxygen uptake by the cells 2 A weak immune system 3 Toxins usually caused by diet and dental work 4 Acidity again usually caused by diet as well as stress and dental work Bill Henderson s and Dr Garcia s recommended regimen tracks with the knowledge for which Otto Warburg a famous German doctor and researcher won a Nobel Prize in 1931 He described the cancer cell and stressed the need to reverse the above four characteristics of the cancer in order to heal it None of these are addressed by conventional cancer treatment Bill s mission to help cancer patients heal started with his experience with his former wife Marjorie Her ovarian cancer was treated with conventional cancer treatment from 1990 to 1994 when she died Bill is convinced that the treatment killed her He wants to help as many people as possible avoid her fate Dr Garcia s mission is to help cancer patients heal themselves starting in a controlled clinical environment and continuing at home He has been doing this successfully for 15 years

this beautiful planet Earth There are plenty of indicators such as Violence and war domination and hate racial profiling and human suppression working for survival and fighting over resources and or the need for money debt creation These things are part of our collective third dimensional consciousness and are no longer necessary as we advance mature together So what are we looking for What is the true reality How can we better ourselves How do we awaken to and find our true self again Where is the love joy grace morals compassion unity we know are the truth behind this existence The most important question for us all to ask ourselves is How do we break through the false reality that we have created for ourselves and the planet and keep our light shining never to be hidden under veils of illusion again We will explore this thing called life through our own self realization together and find some answers to these questions [Killing Cancer - Not People \(4th Edition\)](#)

capabilities You hold in your hands the most powerful book ever written to prevent treat heal and beat this disease Bill Powers Texas Stage IV Victor After four months of following the 5 Step AACI Protocols the tumors were diagnosed as gone by the same doctor who had diagnosed my son Kenny with brain cancer through an MRI scan report dated July 12 2016 Doctors kept saying it was a miracle Of 10 000 previous cases this is the only one where the patient was totally cleared of tumors WITHOUT any medical treatment We are so happy and grateful to Bob Wright of the AACI IWARC for this miracle of natural healing and their prayers Without reading this book and support from the AACI IWARC my son would have ended up taking chemotherapy We cannot imagine what would have happened next Dennis Kong Sibub Bob give you here a fabulous User s Manual for your body He says he s giving you the truth and he s right I ve read dozens of books on healing cancer using natural substances the why and how This is the best I ve written and published 3 three such books myself This is the best Bar none Bill Henderson Author of Cancer Free Cancer: 100 Ways to Fight John Roberts,2010-03-29 Cancer 100 Ways to Fight Your own attitude is your brightest guiding star Some of success is doing what you like to do But more of it is doing the things you don t like to do but must It is too easy to make an excuse and not do it and fail John Roberts As this book goes to press early in 2010 I am 75 and into my fifth year with incurable metastatic prostate cancer which had already spread to the bones before cancer was diagnosed and the prostate removed The statistical prognosis for the current treatments of choice is that one half of these patients will die within three years 75% within five This usually happens after the standard treatments and chemotherapy fail and must be discontinued due to harmful side effects or weakening effectiveness resumed cancer growth and the failure of bones or key organs I am still feeling fine no pain living a normal life and I have completed eight months of chemotherapy with a 63% drop in my PSA prostate cancer blood test without major side affects or rising PSA I have fought this cancer and its personal consequences in more than a hundred ways as described here Above all a lifetime of fitness and my current excellent physical and mental condition supplemented by great medical care and everything else I can learn or think of is partially responsible for my success in living beyond the average life span for my particular fatal disease We cannot know which weapon or how much each one contributes to the extension of life so we must use them all The doctors all say that cancer survival is very unpredictable and I figured that many of the positive outcomes must depend on how comprehensively and how hard the individual fights So I immediately started this book and organized my fight I was extremely unfortunate most prostate cancer either is so slow growing or eliminated by removal that survivors live for many years In my case it had already spread or metastasized to the bones prior to the operation and that cancer is inoperable and incurable But some people in that condition die very early while others like me live much longer This is highly unpredictable in individual cases due to variation in patient condition treatment effectiveness and other unknowns More than half of all people newly diagnosed with cancer will be cured or given extended remission They will die of something else Of the other half a large number have treatable cancer and they still have many years to live The remainder probably including me have

learned that they have incurable cancer that has grown too strong or spread and taken root in such places that it cannot be killed or removed and death is likely in the next few months or years Nevertheless normally incurable cancer and conventional predictability sometimes fail and others may prolong life by fighting with strong mental and physical effort As the disease progresses and is treated and science advances sometimes in great leaps we are rarely sure of which group we are in That uncertainty that hope and the dreadful power of cancer call for great strength of character and effort in both patients and those around them This book is about that The animal instinct to survive is in humans alone expanded in our unique cortex to something much greater the intelligent understanding of self awareness and an intense desire to prolong the experience growth and emotion of life The human spirit beyond the mere motivation of existence is largely responsible for all that our species has conquered and achieved It is an essential quality to be trained treasured and put to use and one of the finest ways is to survive continue and improve our exceptional life through our collective and individual intellect In the last century medical science the visibility of living in distant years and the recognition that we are and can be responsible for increasing our own longevity have ad A Map to Healing and Your Essential Divinity Through Theta Consciousness Dr. Robert J. Newton J.D. N.D.,2012-03-28 Finally a FORMULA FOR HEALING perfect health and the immortality of your existing body is the result of DIVINE KNOWLEDGE revealed in a unified and coherent format via Theta Consciousness Healing Almost everything we have been taught from our parents religions and governments is inherently incorrect and has caused us to be ignorant of our inherent Divine perfection This TEMPLATE OF PERFECTION extends through all levels of creation from subatomic particles to ourselves and beyond and that enables us to experience perfect HEALTH ABUNDANCE and UNLIMITED KNOWLEDGE It will be demonstrated throughout this book that OUR ESSENCE is PURE DIVINE ENERGY God This text reveals a system to reprogram our brain computer mind consciousness to RECLAIM OUR DIVINE BIRTHRIGHT and manifest the things we need and deserve in our lives Ancient texts and modern physics are used to prove the validity of these concepts not just mere human opinion
