

THE
SHAPES
OF
SLEEP

J.B.
Hastley

THE SHAPES OF SLEEP is described
by its author on the title page: 'A European
study. It is a tale but a novel, weaving
mythology from the facts, delving
into the unconscious and looking through into the
reality. It is a study of a mystery story
in its essence but in what it is about
the kind of world it presents with
its own meaning and with its own
language.'

THIS EDITION ISSUED BY
THE BOOK CLUB

The Shapes A Topical Tale

Frank Northen Magill

The Shapes A Topical Tale:

British Fiction and the Cold War A. Hammond, 2013-09-19 This book offers a unique analysis of the wide ranging responses of British novelists to the East West conflict Hammond analyses the treatment of such geopolitical currents as communism nuclearism clandestinity decolonisation and US superpowerdom and explores the literary forms which writers developed to capture the complexities of the age

Tales of High Priests and Taxes Sylvie Honigman, 2021-03-16 In the wake of the conquests of Alexander the Great the ancient world of the Bible the ancient Near East came under Greek rule and in the land of Israel time old traditions met Greek culture But with the accession of King Antiochos IV the soft power of culture was replaced with armed conflict and soon the Jews rebelled against their imperial masters as recorded in the Biblical books of the Maccabees Whereas most scholars have dismissed the biblical accounts of religious persecution and cultural clash Sylvie Honigman combines subtle literary analysis with deep historical insight to show how their testimony can be reconciled with modern historical analysis by conversing with the biblical authors so to speak in their own language to understand the ways they described their experiences Honigman contends that these stories are not mere fantasies but genuine attempts to cope with the massacre that followed the rebellion by giving it new meaning This reading also discloses fresh political and economic factors
