Global Trend Gothic Fantasy:

Global Dialogue on Media Dynamics, Trends and Perspectives on Public Relations and Communication Fong Peng Chew, 2025-01-08 This book contains the proceedings of the International Conference on Public Relations and Media Communication PRMC 2024 which explore the dynamic intersections of public relations and media in today's rapidly evolving landscape. It has a repository of innovative research, insightful discussions, and emerging trends in digital media strategies, crisis communication, media ethics, public relations in the age of social media, and the impact of emerging technologies on media practices. It touches upon a wide array of topics and provides a comprehensive overview of the latest advancements and challenges in these fields. With innovative research contributions and case studies from around the world, this book will be instructive in shaping the way we look at the world of media and ourselves. This is a highly useful guide for university professors, research scholars, writers, journalists, and media professionals who wish to stay updated on the recent shifts in public relations and media communication.

Hebrew Gothic Karen Grumberg, 2019-09-01 Makes a persuasive argument that gothic ideas play a vital role in how Hebrew writers have confronted history, culture, and politics. Robert Alter, author of *Hebrew and Modernity*, sinister tales written since the early twentieth century by the foremost Hebrew authors, including S. Y. Agnon, Leah Goldberg, and Amos Oz, reveal a darkness at the foundation of Hebrew culture. The ghosts of a murdered Talmud scholar and his kidnapped bride rise from their graves for a nocturnal dance of death; a girl hidden by a count in a secret chamber of an Eastern European castle emerges to find that unbeknownst to her, World War II ended years earlier; a man recounts the act of incest that would shape a trajectory of personal and national history. Reading these works together with central British and American gothic texts, Karen Grumberg illustrates that modern Hebrew literature has regularly appropriated key gothic ideas to help conceptualize the Jewish relationship to the past and more broadly to time. She explores why these authors were drawn to the gothic, originally a European mode associated with antisemitism, and how they use it to challenge assumptions about power and powerlessness, vulnerability and violence, and to shape modern Hebrew culture. Grumberg provides an original perspective on Hebrew literary engagement with history and sheds new light on the tensions that continue to characterize contemporary Israeli cultural and political rhetoric.

Global Indigenous Horror Naomi Simone Borwein, 2025-04-15 Contributions by Katrin Althans, Jayson Althofer, Naomi Simone Borwein, Persephone Braham, Krista Collier, Jarvis Shane Hawk, Jade Jenkinson, June Scudeler, and Sabrina Zacharias. *Global Indigenous Horror* is a collection of essays that positions Indigenous Horror as more than just a genre but as a narrative space where the spectral and social converge, where the uncanny becomes a critique, and the monstrous mirrors the human. While contentions swirl around the genre category, this exploratory anthology is the first critical edited collection dedicated solely to ways of theorizing and analyzing Indigenous Horror literature. The essays, curated by scholar Naomi Simone Borwein, ask readers to consider what Global Indigenous Horror is and to whom. The volume opens with a preface by international bestselling horror

writer Shane Hawk enrolled Cheyenne Arapaho Hidatsa and Potawatomi descent followed by an overview of Global Indigenous Horror trends aesthetics and approaches The carefully selected contributions explore Indigenous Horror literature and mixed media narratives worldwide unraveling the intricate dynamics between the local and global traditional and contemporary and human and monstrous Contributor chapters are grouped not by geographical or cultural variation but along a spectrum from a strong emphasis on ways of knowing to a critical inspection of Horror through Indigenous Gothic aesthetics across cultural boundaries and against and beyond nation states

Medievalisms in a Global Age Angela Jane Weisl, Robert Squillace, 2024 Discusses contemporary medievalism in studies ranging from Brazil to West Africa from Manila to New York Across the world revivals of medieval practices images and tales flourish as never before The essays collected here informed by approaches from Global Studies and the critical discourse on the concept of a Global Middle Ages explore the many facets of contemporary medievalism post colonial responses to the enforced dissemination of Western medievalisms attempts to retrieve pre modern cultural traditions that were interrupted by colonialism the tentative forging of a global medieval imaginary from the world's repository of magical tales and figures and the deployment across borders of medieval imagery for political purposes The volume is divided into two sections dealing with Local Spaces and Global Geographies The contributions in the first consider a variety of medievalisms tied to particular places across a broad geography but as part of a larger transnational medievalist dynamic Those in the second focus on explicitly globalist medievalist phenomena whether concerning the projection of a particular medievalist trope across borders or the integration of medieval pasts from different parts of the globe in a contemporary incarnation of medievalism A wide range of topics are addressed from Japanese manga and Arthurian tales to The O Trilogy of Maurice Gee Camus and Dungeons and Dragons

Terrorism in Literature Bootheina Majoul, 2019-08-13 This volume celebrates literature as a strong subversive tool as an alternative for change through an exploration of terrorism in various literary works It brings together scholars from all over the world including Algeria Argentina Australia Cameroon Denmark India Italy Tunisia Turkey and the USA to offer their insights As readers themselves they share an eagerness to understand the psychopathological personalities circulating among us They urge the reader to dig deep into literature to think to cogitate and to learn One of the most important literary figures dealing with terrorism in his novels is the internationally acclaimed Indian writer Tabish Khair who generously wrote the foreword to this volume He sheds light on the possibilities offered by literature as a means of dissent and a powerful tool for truth telling

The Palgrave Handbook of Global Fantasy Elana Gomel, Danielle Gurevitch, 2023-06-07 This handbook is the first of its kind comprehensive overview of fantasy outside the Anglo American hegemony While most academic studies of fantasy follow the well trodden path of focusing on Tolkien Rowling and others our collection spotlights rich and unique fantasy literatures in India Australia Italy Greece Poland Russia China and many other areas of Europe Asia and the global South The first part focuses on the theoretical aspects of fantasy broadening and modifying existing definitions to accommodate the global reach of the genre The second part contains essays illuminating specific cultures countries and religious or ethnic traditions From Aboriginal myths to self representation of Tibet from the appropriation of the Polish Witcher by the American pop culture to modern Greek fantasy that does not rely on stories of Olympian deities and from Israeli vampires to Talmudic sages this collection is an indispensable reading for anyone interested in fantasy fiction and global literature

Global Science Fiction Gary Westfahl, 2025-06-09 Science fiction represents a diverse community of writers and readers that spans the entire world This collection provides a global tour of the genre with essays about Latin American European African Arabic Indian Japanese and Chinese science fiction providing insights about how writers around the world have explored and reinvigorated the genre Essays by prominent critics from five continents inform about particular cultures and analyze representative texts by authors such as Tobias S Buckell Lourenco Mutarelli Stanislaw Lem Masande Ntshanga Tawfiq Al Hakim Anil Menon and Cixin Liu The contributing scholars examine how national experiences have shaped these narratives which often differ strikingly from Anglo American science fiction An introductory survey of foreign language science fiction in the United States endeavors to explain why so many of these texts have remained unknown to Anglophone readers An extensive bibliography lists numerous resources for further study of science fiction from various

parts of the world **Germans Going Global** Anke S. Biendarra, 2012-10-30 *Germans Going Global* is the first monograph in English to address in depth the interrelatedness between contemporary German literature and globalization. In an interdisciplinary framework and through detailed readings of a wide variety of texts, the study shows how the challenges globalization has posed for Germany over the last two decades have been manifested and reimagined in aesthetic production. Analyses of the literary marketplace and public debates illuminate the more material sides of this development. The study also analyzes the ways in which German language writers born between 1955 and 1975 such as Chr Kracht, Th Meinecke, J Hermann, S Berg, F Illies, K R ggla, J v D ffel, and G Hens respond to the pressures of globalizing factors and how these have influenced notions of authorship and literary aesthetics. It shows how narratives dealing with the neoliberal work world, global travel, and the aftermath of 09/11 implicitly comment on contemporary debates on globalization's socio-economic nature and the impact for local culture. By presenting a literary history of the present, *Germans Going Global* deepens the reader's understanding of contemporary Germany and its cultural production.

Global Glam and Popular Music Ian Chapman, Henry Johnson, 2016-02-12 This book is the first to explore style and spectacle in glam popular music performance from the 1970s to the present day and from an international perspective. Focus is given to a number of representative artists, bands, and movements as well as national, regional, and cultural contexts from around the globe. Approaching glam music performance and style broadly and using the glam glitter rock genre of the early 1970s as a foundation for case studies and comparisons, the volume engages with subjects that help in defining the glam phenomenon in its many manifestations and contexts. Glam rock, in its original term-defining inception, had its birth in the UK in 1970/71 and featured at its forefront acts such as David Bowie, T Rex, Slade, and Roxy Music. Termed glitter rock in the US, stateside artists included Alice Cooper, Suzi Quatro, The New York Dolls, and Kiss. In a global context, glam is represented in many other cultures where the influences of early glam rock can be seen clearly. In this book, glam exists at the intersections of glam rock and other styles, e.g., punk, metal, disco, goth. Its performers are characterized by their flamboyant and theatrical appearance, clothes, costumes, makeup, hairstyles; they often challenge gender stereotypes and sexuality, androgyny, and they create spectacle in popular music performance, fandom, and fashion. The essays in this collection comprise theoretically informed contributions that address the diversity of the world's popular music via artists, bands, and movements, with special attention given to the ways glam has been influential not only as a music genre but also in fashion design and other visual culture.

Children, Youth, and International Television Debbie Olson, Adrian Schober, 2022-03-29 This volume explores how television has been a significant conduit for the public consumption of changing ideas about children, childhood, and national identity via a critical examination of programs that prominently feature children and youth in international television. The chapters connect relevant cultural attitudes within their respective countries to an analysis of children and/or childhood in international children's programming. The collection addresses how international children's programming in global and local context

informs changing ideas about children and childhood including notions of individual and citizen identity formation Offering new insights into childhood and television studies this book will be of great interest to graduate students scholars and professionals in television studies childhood studies media studies cultural studies popular culture studies and American studies Colonialism, World Literature, and the Making of the Modern Culture of Letters Baidik Bhattacharya,2024-02-08

This book is a radical reimagination of the idea of the literary through colonial histories and world literature **Screening the Gothic in Australia and New Zealand** Jessica Gildersleeve,Kate Cantrell,2025-10-01 The persistent popularity of the detective narrative new obsessions with psychological and supernatural disturbances as well as the resurgence of older narratives of mystery or the Gothic all constitute a vast proportion of contemporary film and television productions New ways of watching film and television have also seen a reinvigoration of this most domestic of media But what does this domesticity of genre and media look like Down Under in the twenty first century This collection traces representations of the Gothic on both the small and large screens in Australia and New Zealand in the twenty first century It attends to the development and mutation of the Gothic in these post or neo colonial contexts concentrating on the generic innovations of this temporal and geographical focus **The Gothic: Probing the Boundaries** Eoghain Hamilton,2020-04-14 This volume was first published by Interdisciplinary Press in 2012 The Gothic lives From The Castle of Otranto to today s Let Me In the Gothic continues to be part of popular consciousness Yet even as it has adapted to fit changing times and technologies it has retained both its essence and its hold on our imagination What defines the Gothic What are its parameters This collection of essays the work of scholars who met at the first ever global conference on the Gothic looks at the Gothic today in print and other media including cinema in music in fashion and in the popular culture of countries around the world This volume of essays is another step in the process of understanding a genre that stretches the boundaries of definition and continues to make its way adapting and changing along the way into new aspects of modern culture **Social Software and Web 2.0 Technology Trends** Deans, P. Candace,2008-11-30 This book provides an overview of current Web 2 0 technologies and their impact on organizations and educational institutions Provided by publisher **The Vatican Versus Horror Movies** Matt Rogerson,2025-02-14 Since public audiences were first introduced to the medium of film in 1895 the Catholic Church has sought to impose its will on the distribution and exhibition of movies These activities include the fortnightly publication of the Segnalazioni Cinematografiche which passed Catholic moral judgment on every film released In this pamphlet and in other settings no set of filmmakers has invited the ire of the Vatican as much as those working in the genres of horror and exploitation At times filmmakers have responded in kind attacking the Catholic church directly and indirectly presenting clergy as outright antagonists and shining a light on the Vatican s crimes past and present including its collusion with fascism Translating the judgments of the Segnalazioni Cinematografiche into English for the first time and juxtaposing them with film content and social and historical context this book presents in full the cultural conflict between the Vatican and

horror movies **GLOBAL TRENDS IN THE DEVELOPMENT OF EDUCATIONAL SYSTEMS** ,2025-01-21 Proceedings of the III International Scientific and Practical Conference *Memes, Monsters, and the Digital Grotesque* Cristina Moreno-Almeida,2024-05-16 Memes Monsters and the Digital Grotesque looks at the emerging and thriving new genre of digital horror from an innovative perspective Examining digital cultural production during the period that has been referred to as the Arab Winter Moreno Almeida delves into the memes animated cartoons music videos and expressive cultures like fashion and urban subcultures that emerged between 2016 and 2020 In revealing concealed narratives underlying the digital lives of artists as well as ordinary people Moreno Almeida explores how memes horror and the grotesque capture a moment infused with political and affective significance characterized by despair alienation and anomie alongside opportunities for creative experimentation made possible in the postdigital era The Theological Turn in Contemporary Gothic Fiction Simon Marsden,2018-09-21 This study examines theological themes and resonances in post 1970 Gothic fiction It argues that contemporary Gothic is not simply a secularised genre but rather one that engages creatively and often subversively with theological texts and traditions This creative engagement is reflected in Gothic fiction s exploration of theological concepts including sin and evil Christology and the messianic resurrection eschatology and apocalypse Through readings of fiction by Gothic and horror writers including Stephen King Joyce Carol Oates Peter Straub William Peter Blatty and others this book demonstrates that Christianity continues to haunt the Gothic imagination and that the genre s openness to the mysterious numinous and non rational opens space in which to explore religious beliefs and experiences less easily accessible to more overtly realist forms of representation The book offers a new perspective on contemporary Gothic fiction that will be of interest to students and scholars of contemporary Gothic and of the relationship between literature and religion more generally A Language Spoken in Tongues: Essays in the Transcultural Gothic Gord Barentsen,2020-10-12
