Projecting Russia in a Mediatized World Stephen Hutchings, 2022-01-31 This book presents a new perspective on how Russia projects itself to the world Distancing itself from familiar agency driven International Relations accounts that focus on what the Kremlin is up to and why it argues for the need to pay attention to deeper trans state processes over which the Kremlin exerts much less control Especially important in this context is mediatization defined as the process by which contemporary social and political practices adopt a media form and follow media driven logics In particular the book emphasizes the logic of the feedback loop or recursion showing

how it drives multiple Russian performances of national belonging and nation projection in the digital era It applies this theory to recent issues events and scandals that have played out in international arenas ranging from television through theatre film and performance art to warfare The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license The Global Author Economy Azhar ul Haque Sario, 2025-10-31 The publishing world has changed forever and this book is the map you need to navigate it This book is your complete guide to the global author economy It begins with the past You will learn how self publishing is not new but the original form of publishing We trace its history from ancient scribes to the modern digital age Then the book provides a massive global market analysis We dive deep into 15 different countries This includes the Anglosphere titans the USA UK Canada and Australia We explore European powerhouses like Germany France and Sweden We also unlock the BRICS frontier Brazil India and South Africa Finally we look at unique markets like Japan China Mexico the UAE and Nigeria For each country you get a practical breakdown This includes market trends top local companies and essential copyright laws The guide also covers the cutting edge of the industry You will learn how to use AI for marketing and research We explore the audiobook boom subscription models and direct to reader sales The book explains new business theories You will learn to be an authorpreneur You will understand how to build a global local strategy To finish we look to the future predicting the trends that will shape the industry from 2025 to 2035 What makes this book different from other publishing guides Most books are too limited They focus on just one platform like Amazon or one market like the US This book provides a truly global strategic perspective It gives you the Global Local Nexus model a unique framework for leveraging worldwide distribution platforms while applying targeted localized marketing to build a real connection with readers in different countries It isn't just a simple how to manual It is a comprehensive analysis that combines history practical market data emerging technology trends and powerful business models Other books may show you how to upload your file This book teaches you how to think like a global CEO of your own writing business It's the ultimate resource for building a resilient diversified and sustainable international writing career Disclaimer This book is an independent analysis The author is not affiliated with sponsored by or endorsed by any of the companies mentioned such as Amazon Apple IngramSpark PublishDrive or others All trademarks and company names are the property of their respective owners and are used for identification and analysis purposes under nominative fair use *Science Fiction & Fantasy Book Review Annual*, 1989 **Impacts and Implications for the Sports Industry in the Post-COVID-19 Era** Faganel, Armand, Rižnar, Igor, Baruca, Arne, 2021-06-25 The sports industry had impressive global growth over the years with factors from the introduction of e sports and new streaming and viewing methods to sponsorships and digital media contributing to its rise However the COVID 19 pandemic brought upon a rapid change in this sector Sports seasons ended abruptly people's escape from reality suddenly vanished their spending attitudes changed live games and commercial flights were suspended hotels

were impossible to book and consumers practically turned into prisoners within their own homes No live sports matches were to follow on any media either so specialized sports channels were forced to play old recordings rather than broadcasting new events Even athletes themselves struggle to stay relevant and thus try to utilize creative methods to enhance their brand value in these difficult times With most of the sports leagues shut down during the pandemic with a few exceptions which performed in empty venues the restrictions diminished the sports experience compared to the pre COVID 19 era and the impacts were widespread Impacts and Implications for the Sports Industry in the Post COVID 19 Era explores the changes that have been and will continue to be created by the unexpected disruptions that occurred as a result of the pandemic within the sports industry fans consumption and recreational habits The chapters explore the status of sports after the pandemic paths to recovery and the future of sports along with the many impacts and issues that have arisen due to changes in the industry necessitated by COVID 19 Covering important topics such as mental health impacts on athletes and coaches the market value for professional sports consumer behavior during COVID 19 and the changes in marketing tourism and business this book is ideally intended for sports managers marketers broadcasting agencies media specialists brand managers fitness professionals practitioners stakeholders researchers academicians and students interested in the impacts on the sports industry and the outlook for sports in the post COVID 19 era
