Being Dragonborn Mike Piero,Marc A. Ouellette,2021-07-09 The Elder Scrolls V Skyrim is one of the bestselling and most influential video games of the past decade From the return of world threatening dragons to an ongoing civil war the province of Skyrim is rich with adventure lore magic history and stunning vistas Beyond its visual spectacle alone Skyrim is an exemplary gameworld that reproduces out of game realities controversies and histories for its players Being Dragonborn then comes to signify a host of ethical and ideological choices for the player both inside and outside the gameworld These essays show how playing Skyrim in many ways is akin to playing 21st century America with its various crises conflicts divisions and inequalities Topics covered include racial inequality and white supremacy gender construction and misogyny the politics of modding rhetorics of gameplay and narrative features

Everything to Play For Marijam Did,2024-09-17 An insider s account of the videogame industry telling how gaming can become a force for good Everything To Play For asks if videogames can achieve egalitarian goals instead of fuelling hyper materialist reactionary agendas Combining cultural theory and materialist critiques with accessible language and personal anecdotes industry insider Marijam Did engages both novices and seasoned connoisseurs From the innovations of Pong and Doom to the intricate multiplayer or narrative driven games the author highlights the multifaceted stories of the gaming communities and the political actors who organise among them Crucially the focus also includes the people who make the games shedding light on the brutal processes necessary to bring titles to the public The videogame industry now larger than the film and music industries combined has a proven ability to challenge the status quo With a rich array of examples Did argues for a nuanced understanding of gaming s influence so that this extraordinary power can be harnessed for good
