Special Topics In Calamity Physics:

Special Topics in Calamity Physics Marisha Pessl, 2013-09-12 Marisha Pessl's *Special Topics in Calamity Physics* is an unforgettable debut novel that combines the storytelling gifts of Donna Tartt and the suspense of Alfred Hitchcock a darkly hilarious coming of age tale and a richly plotted suspense story told with dazzling intelligence and wit I wrote this account one year after I'd found Hannah Dead I thought I'd managed to erase all traces of that night within myself But I was wrong Every night when I tried to sleep I'd close my eyes and see her again exactly as I found her hanging from a pine tree by an orange electrical cord her neck twisted like a tulip stem her eyes seeing nothing Or else that was the problem They'd seen everything *Special Topics in Calamity Physics* is a mesmerizing debut As teenager Blue van Meer tells her story we are hurled into a dizzying world of murder and butterflies womanizing and wandering American McCulture The Western Canon political radicalism and juvenile crushisms Structured around a syllabus for a Great Works of Literature class with hand drawn Visual Aids Blue's wickedly funny yet poignant tale reveals how the imagination finds meaning in the most bewildering times the ways people of all ages strive for connection and how the darkest of secrets can set us free Beneath the foam of this exuberant debut is a dark strong drink Jonathan Franzen author of *The Corrections* Any Donna Tartt fan disappointed that her second novel had little in common with her debut should rush out and buy this book immediately It's a brilliant debut guaranteed to join the ranks of *The Secret History* and *The Virgin Suicides* as one of those rare books to become a cult hit and instant classic *Sunday Telegraph* One of the most impressive debut novels I have ever read It stops you doing anything apart from reading it *Independent on Sunday* *Special Topics in Calamity Physics* made me stay up all night reading in the morning it seemed like one of those parties where everyone is too cool for you but you desperately want to know them anyway I loved this book Audrey Niffenegger author of *The Time Traveler's Wife* Marisha Pessl was born in 1977 and lives in New York This is her first novel

Romantic Presences in the Twentieth Century Mark Sandy, 2016-04-08 Concerned with the intermingled thematic and formal preoccupations of Romantic thought and literary practice in works by twentieth century British Irish and American artists this collection examines the complicated legacy of Romanticism in twentieth century novels poetry and film Even as key twentieth century cultural movements have tried to subvert or debunk Romantic narratives of redemptive nature individualism perfectibility and the transcendence of art the forms and modes of feeling associated with the Romantic period continue to exert a signal influence on the modern moment both as a source of tension and as creative stimulus As the essays here show the exact meaning of the Romantic bequest may be bitterly contested but it has been difficult to leave behind The contributors take up a wide range of authors including Virginia Woolf F Scott Fitzgerald W H Auden Doris Lessing Seamus Heaney Hart Crane William Faulkner Don DeLillo and Jonathan Franzen What emerges from this lively volume is a fuller picture of the persistence and variety of the Romantic period's influence on the twentieth century

Barley Child Greg Rappleye, 2025 Barley Child Greg Rappleye's fifth collection draws from family legends whispered stories and sworn denials across four generations of Irish American lives recalled imagined and reconstructed from census records old letters church registries yellowed newspaper clippings and a few odd photographs in which the human figures are often unnamed The sum of these affidavits arrayed across the lyric and narrative lines of these poems is an electrifying human choir male and female child and adult Irish and American their voices rising out of shame poverty absurdity violence a strained Catholic faith and a virulent legacy of madness and alcoholism Free of nostalgia and cant with a sharp Irish wit that often braves nearly monstrous subject matter and reported with eyes that seldom mist over Barley Child is a volume that once again confirms Greg Rappleye as a poet of witness
