The Murder Of Jfk And Mary Kelly:

The Murder of JFK and Mary Kelly Bob Lamacki, Robert Lamacki, 2015-06-04 Ted Gault does the unthinkable he brutally murders his great love Mary Kelly He cannot comprehend his own reprehensible actions His action takes away his soul and must find redemption though it is impossible Yet he finds a way to become the protectorate of the community The Black Arrow Man shows no mercy he becomes the arbiter of justice final Max Sarb the police chief in Stone Eagle Wisconsin finds Mary's killer but it costs him his life Marc Sarb succeeds him as Chief of Police but twenty years later still has doubts about Mary Kelly's killer His twin sons are hard at work unraveling an even bigger mystery The boys are determined to uncover the truth about the murder of President John F Kennedy There is no fiction here Bob Lamacki proves we have been lied to Marc would never suspect his friend Ted Gault a pillar of Stone Eagle's tightly knit community could be behind Mary Kelly's murder Then again no one would believe the shocking historical revelations his boys dig up about Kennedy's death As Ted struggled to find a way to finally dam his river of guilt Max's dogged pursuit of justice closes in on him In the meantime the twins' obsession with JFK's death exposes the true nature of evil past and future The JFK murder report contained in the book represents 40 plus years of study There are no theories but facts that prove Oswald innocent He was a patsy *JFK and the End of America* Tim Fleming, 2018-01-29 JFK and the End of America is the culmination of Tim Fleming's 50 years of research into the Kennedy assassination The book makes the case that Lee Harvey Oswald did not kill the president Rather an elaborate plot concocted and executed by a sinister covert cabal took Kennedy's life The plotters who stood to gain the most from JFK's death Lyndon Johnson and Allen Dulles were abetted by powerful interests in government business and the military Kennedy was moving America toward a permanent peace state threatening the national security military establishment whose existence is dependent on a permanent war state Since 1963 we have been at war or under a threat of war spending nearly six of every ten tax dollars on defense It is vital to expose the truth of who killed Kennedy and why if we are to understand the real history of America since 1963 Fleming draws a straight line from Dallas to the political and cultural divide that afflicts us today Michael Newton, 2004-01-01 *Honest Answers about the Murder of President John F. Kennedy* Vincent Michael Palamara, 2021-03-19 Thousands of books and articles have been written about the murder of JFK many of which are large in volume and short on facts Quite often these works try to reinvent the wheel attempting to cover every single area of the assassination as well as many tangential and unessential points as well The reader is often left exhausted and confused The sheer volume of pages conflicting facts and theories leaves one unsatisfied and quite frankly not sure exactly what did happen on 11 22 63 This book seeks to separate the wheat from the chaff It is 55 plus years later it is time for real honest answers in an easy to read and understand format Proof of a conspiracy no theories to the point a perspective on the assassination for the millennial age and beyond Based on years decades of primary source research and having read countless books on the subject **Mary's Mosaic** Peter Janney, 2016-09-13 Explores the murder of Mary

the economic and social consequences of the Kennedy and Lincoln assassinations this would have been the actual title because more than anything else this is about the early invention of our languages Some of the most important discoveries include the following Religious names and words such as Christ Thomas crucifixion and others were used as roots to invent many of our modern day words but they were originally written phonetically and then hidden away when dictionaries standardized our spelling of words A technique was discovered showing how rootwords and rootnames were used to create other words and ideas and then those ideas and words were used to create detail in short stories especially myths and religious fables of the New Testament Since this technique was not known to exist if fell on me to invent a name for it I named it the ROOTWORD TECHNIQUE Finally I discovered that the alphabet was pictorial or hieroglyphic The wordsmiths who created our vocabulary used the letters as pictures as well as symbols for sounds

JFK and the Unspeakable James W. Douglass, 2010-10-19 THE ACCLAIMED BOOK NOW IN PAPERBACK with a reading group guide and a new afterword by the author At the height of the Cold War JFK risked committing the greatest crime in human history starting a nuclear war Horrified by the specter of nuclear annihilation Kennedy gradually turned away from his long held Cold Warrior beliefs and toward a policy of lasting peace But to the military and intelligence agencies in the United States who were committed to winning the Cold War at any cost Kennedy s change of heart was a direct threat to their power and influence Once these dark Unspeakable forces recognized that Kennedy s interests were in direct opposition to their own they tagged him as a dangerous traitor plotted his assassination and orchestrated the subsequent cover up Douglass takes readers into the Oval Office during the tense days of the Cuban Missile Crisis along on the strange journey of Lee Harvey Oswald and his shadowy handlers and to the winding road in Dallas where an ambush awaited the President s motorcade As Douglass convincingly documents at every step along the way these forces of the Unspeakable were present moving people like pawns on a chessboard to promote a dangerous and deadly agenda
