How can a Beginner be Expert in French Manish Soni, 2023-08-29 Language learning should be quick fine and easy Many foreign language students have difficulty in learning My goal is to speak French naturally with others My book is an attempt to meet this need It provides you with the vocabulary with which you can create new sentences sentence patterns correct pronunciation and dialogues which will help you communicate in certain situations This book is your principal tool for gaining listening comprehension and conversation skills but this text can serve as a handy reference tool for vocabulary and grammar questions as an aid during your conversation with the onscreen character and as a workbook for reviewing and practicing grammar This book caters to the need of those who have absolutely no knowledge of French and want to read write and speak French in everyday situations without the help of a translator At the same time it is also useful for those students who are doing certificate and diploma courses in different institutions or universities and are facing problems at the level of grammar and vocabulary The emphasis has been given to particular those grammatical notions where learners face problems This has been possible because of a constant interaction of the author with student level to professionals Text of this book is written in lucid manner This book is designed from beginners to expert level French learners In this book you will find French words translated into English and Hindi Not only the special care has been taken for the pronunciation but also taken care to learn Some facts about French culture are also disclosed in this book I hope that this book will teach you to speak fluent French The methodology which develops throughout the book makes learning effective and faster The characterization has been according to the situation in which the learners find themselves and sample sentences have been placed with grammatical explanations rather than involving too much with rigorous rules Certain words in the sample sentences are highlighted in order to let learners conceptualize the linear progression of grammatical notions themselves Thus grammar no longer remains a burden and there is an active participation of students in the process of learning Sentences given as examples based on them becomes very easy Every aspect of French Grammar has been fully dealt with a view to teach the basic principles of French Grammar Carefully graded and planned exercises are added for practice The main aim is to help and guide students to read write and speak correct French Every attempt has been made to make the study of dry subject like Grammar appealing and interesting to learners In one comprehensive volume it serves to answer all the specific questions about the French language It provides ample guidance and practice in sentence building correct usage written composition and other allied areas so as to equip the student with the ability to communicate effectively in French The vocabulary is used along with articles which indicate the gender of nouns They way the learner knows whether a noun is masculine or feminine in French As French is very rich in the expression of politeness a special care has been taken to select expressions to show that variety The difference in the formal and the informal French

has also been highlighted This book is very useful for those students or professionals who are going to France for study or job If you are working in a corporate with no previous knowledge of French and studying on your own then this book is of course for you Perhaps you are taking up French again after a break from it or you are intending to learn with the support of a class Again you will find this book very well suited to solve your purpose French you will learn in this book introduces everyday situations The emphasis is first and foremost on using French but we also aim to give you an idea of how the language works so that you can create sentences of your own If you are working your own then this book will provide you with the essential opportunity to read write and speak French within a controlled framework I have put in my best effort to present the language in a simple and comprehensible way so that even the beginner can have a basic knowledge of French in a week time
