Swingers Holly Is Thirty:

Babyland Holly Chamberlin, 2012-06-06 A woman discovers that nothing can disrupt a perfect wedding like an unplanned pregnancy in this novel by the author of *Living Single* And to think pink was once my favorite color Then the two pink lines appeared Pink as in positive as in pregnant as in pure unadulterated panic This wasn't supposed to happen I'm scheduled to marry the handsome successful and very appropriate Ross Davis in six months Unfortunately while Ross may not rock my world with kitchen table sex his technique worked well enough to put a bun in my thirtysomething oven Don't get me wrong babies are great in theory But I enjoyed my life the way it was Loved my job my rooftop apartment my friends was having fun planning my wedding and gazing at my pretty three carat diamond I didn't need anything more did I Well whatever I needed here's what I currently have A nasty case of morning sickness a future mother-in-law obsessed with Ross's Baby and a custom designed wedding dress I'll soon be too fat to wear Now as I burst the seams on my pencil skirts I'm trying to take some small comfort in the fact that one is never too bloated for a really cute purse But impending motherhood also has me reassessing more than my wardrobe and wondering how fast I can finish growing up *Sax Expat* Con Chapman, 2025-04-15 Don Byas 1913-1972 may be lesser known than the counterparts he played with Count Basie Duke Ellington and Dizzy Gillespie among others but he was an enigma He never stayed with a band for long and eventually went solo partly to make more money and partly due to his inability to work with bandleaders Often drinking to excess alcohol fueled his sometimes erratic behavior on and off the bandstand He went through at least thirteen different groups in fifteen years of professional play before leaving for Europe in 1946 Despite his fractious personality in Europe he found peace and contentment as a family man in the Netherlands where he lived out his days with his second wife and their four children He learned at least seven languages during his years in Europe and on traveling to a new country could pick up a few phrases in short order soon speaking to the locals and even composing songs in their native tongue In *Sax Expat* Don Byas author Con Chapman argues that Byas's relative obscurity arises from his choice to live in Europe where he missed out on recording opportunities and exposure in the US that would have made him renowned and wealthier His numerous achievements including his solo on Count Basie's *Harvard Blues* which is a model of restrained invention his interpretation of the sentimental movie theme *Laura* and his duets with bassist Slam Stewart were included in the Smithsonian Collection of Classic Jazz and secured Byas's place in jazz history This biography brings to life an amazing jazz story *Harness Horse*, 1987 **Billboard**, 1956-05-26 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Saturday Evening Post*, 1960 **Billboard**, 1950-08-19 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted
