Crabtree, 2018-09-10 The papers in this volume represent a range of approaches to the study of the symbolic roles of animals in human cultures The theme that unites these papers is their use of a variety of different kinds of evidence including archaeological faunal historical ethnographic artistic and folkloric data in the reconstruction of animal symbolism MASCA Vol 12 *Byblos Symbolic Architecture* diego Alonso kurilo, 2014-09-24 Foreword As all traditional doctrines and philosophies teach the Universe is a symbolic fact An Arabic proverb says that everything can be reduced to symbols except Tuf n the breath of fire It is said that there is in the first cause an older source of symbols close to fire and the water of life a concept close to the Koranic symbolism of water in the Arab world The symbolic thought of the first Indo European peoples saw in many deities the manifestation of primal fires and the wellspring of the symbolic a certain union where the opposites stop showing through the theater of the demonstrations to lose themselves in unity Man needs to understand what symbolism is because without this understanding he cannot delve inside and look at yourself being a central symbol of the earthly in a universe without scale and time It is our duty to discover our symbolic interiority The purpose of this book is to bring to the reader different interpretations of logos deities and religions whose symbolic expression had its genesis in architecture Many of the Indo European deities in their essence were portrayed as abstract forms and numbers in a quest to learn mathematics and geometries associated with the universal An example of this is the cult of Apollo who was worshiped at Delphi as a cube or the God Min in Egypt one of the oldest deities in the world who represented for that ideology not only numbers but also the first bricklayer s rule center of religions strongly rooted in the architectonic On his arm was represented the Egyptian elbow ruler or modulator on which the space to be made sacred was organized The Universe for these peoples personified a fundamental hill surrounded by a mass of salty water crowned by a symbol in the shape of a potter s wheel and at the top of which was a philosopher s cube the most sacred space or house of Horus For many world cultures such as the Hindu or the Cherokee in North America the world was supported by a turtle whose shell It had drawings of hexagonal sides like many of the trees of life in the Indo European world such as the Fu sang tree in China This book covers a series of events and mythologies associated with the art of construction from the universal symbolism of the cardinal points and the circle of the earth to the temple of Jerusalem and its creator King Solomon passing through numerical symbolism symbolism Koranic of the water that of the mosque the dome and the cathedral all these symbols endowed with their primordial and infinite heritage **Encyclopedia of Beasts and Monsters in Myth, Legend and Folklore** Theresa Bane, 2016-05-09 Here there be dragons this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond Heroes who ventured there were only as great as the beasts they encountered This encyclopedia contains more than 2 200

monsters of myth and folklore who both made life difficult for humans and fought by their side Entries describe the appearance behavior and cultural origin of mythic creatures well known and obscure collected from traditions around the world Symbols in Arts, Religion and Culture Farrin Chwalkowski, 2016-12-14 We are a product of nature Every single cell of our body is made of and depends on nature Our inner soul is heavily influenced by nature We feel sad if the sun is not shining for a few days and feel pleasure when drawn to the wonder of flowers and uplifted by the song of birds We came from nature we are part of nature In short we are nature Nature has been an intimate part of the human experience from the earliest times Different religions and cultures from all corners of the world have honoured and worshipped nature in art ritual and literature in their own unique ways This book shows how we learn about our own human nature our own sense of identity and how we fit into the larger scheme of life and spirit when we come to better understand how our human ancestors through art symbol and myth expressed their relationship with the natural world
