

Saving Symby

The background of the entire image is a photograph of a night sky. The Milky Way galaxy is clearly visible, stretching diagonally from the upper left towards the lower right. The stars are numerous and bright against the dark blue and black fabric of space. In the lower portion of the image, there is a dark, flat horizon line. On this horizon, slightly to the right of the center, is a small silhouette of a person standing. To the right of the person, there is a faint, orange-yellow glow on the horizon, suggesting a distant city or a low sun/moon. The overall mood is contemplative and vast.
