The NeuroSoup Trip Guide Krystle Cole, 2011-04-01 The Neurosoup Trip Guide by Krystle Cole contains chapters on Choosing the Right Hallucinogen Set Setting and Preparation for a Trip Tips for Tripsitters Aspects of the Entheogenic Experience Working with Difficult Experiences Integration and References and Recommended Reading **Listening to Ayahuasca** Rachel Harris, 2017-02-15 When National Geographic Adventure published an article in 2006 about the powerful antidepressant effects of ayahuasca the piece received a phenomenal reader response That article struck a chord with psychotherapist Rachel Harris who had encountered many clients unresponsive to traditional therapy and antidepressant protocols Used for more than 8 000 years in the Amazon rainforest ayahuasca is a powerful and illegal psychedelic that has distressing gastrointestinal side effects Yet Harris found many willing to try it so deep was their suffering Harris here shares her original research the largest study of ayahuasca use in North America into its effects on depression anxiety and PTSD along with her own personal experiences By detailing ayahuasca s risks and benefits she aims to help those driven to investigate ayahuasca to do so safely and to give their psychological caregivers a template for transformative caring and healing . . . **but to you I'll stay forever true!** Anselm Keussen, Gabriele Breucha, 2025-02-18 but to you I ll stay forever true A Heart Therapy Blog Clarification and Disclaimer Please note that the following sentences as well as the other methods described in this book are all therapeutic tools Reading the text you can find out how to use them sensibly and safely These approaches are intended as a supplement to existing psychotherapeutic methods However they do not replace therapeutic training or medical or psychotherapeutic treatment or counseling Nevertheless the following sentences can bring about changes in your life Think carefully about whether you want to use them You do so on your own responsibility and at your own risk Any liability of the publisher or the authors is excluded You are still ready for it Then go ahead Here are the sentences Dearest Mom I know it s not new but to you I ll stay forever true And Dearest Dad I know it s not new but to you I ll stay forever true But who wants that now Explanation in the text **After the Trip** Krystle Cole, 2014-07-15 From the Introduction of *After the Trip* This book is unique as it intertwines the mundane and the mystical Through the practice of journaling I provide a narrative depiction of my daily life while discussing various topics related to personal growth Some of these topics include my thoughts on spirituality the psychedelic experience maintaining a high level of happiness achieving goals and living a fulfilling life In hopes of communicating authentically I share some of my most private thoughts on reality and our place in the cosmos My first psychedelic experience at only eighteen years of age had a profound effect on me So much so that I felt it was necessary to delve deeper into my consciousness through a succession of high dose trips Of course there were positive and negative consequences to this course of action My life was a roller coaster of blissful states of non duality and nightmares I now wish could be erased from my memory entirely When I was twenty three I decided to begin writing about these experiences and the events surrounding them in my book *Lysergic Three years down the road* I

embarked upon the first edition of *After the Trip* as a follow up to *Lysergic*. It's not necessary to have read *Lysergic* prior to reading this book. However, if you do, you'll likely have a better understanding of some of the subjects I discuss, particularly those relating to the Pickard Skinner LSD bust. In this second edition of *After the Trip*, I continue my daily journal. I share my perspective on reality as a thirty-two-year-old to demonstrate how my worldview is developing directly as it occurs. To my knowledge, this is the only book in existence where such an endeavor is being attempted. I hope you find what I've learned and what I'm in the process of learning to be helpful to you. After all, we're the same loving oneness at our deepest and innermost level. There's no separation. No you, no me. Just Being Well, that's what I experienced anyway.

Power to the Aspies Becca Kline, 2013-05-03. *Power to the Aspies* is exactly that: the blow-by-blow fight against autism, bringing her child from total despair to overcoming power. Becca, an American university student married to a German businessman, was suddenly shocked into the reality that she was the divorced mom of a son born with Asperger's autism in a country totally foreign to her. This is a detailed account of how Becca lived through the isolated, helpless, powerless grief of mothering a very sad son as he faced his school days with the pain of rejection and failure on every hand and not knowing why. After years of in the trenches, life battling school administrators, many I'm just not sure I can't help doctors, and in-depth studying of books written about troubled children, Becca offers this book showing parents how to help their child reach his/her full potential and love every minute of it. *Power to the Aspies* is a tremendously informative read for anyone interested in human behavior. The conversational writing style is easy to read and engaging. Each chapter helps one understand an aspect of Asperger's and shares helpful advice. This book is loaded with compassion and practical help.

Barbara Booth, M.S., LBSW, Dallas, Texas. Becca Kline has unlocked the capabilities of her eldest son and has helped many other parents to do so. I have had the opportunity to work just a bit with him in the area of basic mathematics. He has a marvelous ability to focus on whatever academic pursuit he undertakes. He has not only taught himself languages other than his own German and English but he has a wonderful grasp of scientific subjects as well. He now has his Masters Degree in chemistry and is employed by a prominent laboratory in London, England.

Dr. Howard Duck, Ed.D.

who operated their lab in an underground missile silo in Kansas This lab after being busted and shutdown by the DEA was reported to have been producing 90% of the world s supply of LSD Krystle gives an account of her unique perspective regarding the part of her life she has often called the crazy psychedelic freak show that ensued after the Pickard LSD lab bust Lysergic is a combination of things it is a story of love a story of abuse and most of all it is a depiction of psychedelic experiences that ultimately exerted a profound effect upon Krystle s life Krystle recounts ingesting numerous rare entheogens such as LSD mescaline ergot wine DMT ALD 52 and 2C I among others She describes the subjective effects of each psychedelic and explains how these experiences impacted her life at the time This third edition of Lysergic contains excerpts from letters that Skinner wrote to Krystle from prison It also has enhanced formatting and never seen before pictures from that time period
