On June 6th 2005, while on the Black Bear Convoy Security Team in XYZ, my convoy was hit with an IED and small arms fire while escorting elements of Iraqi police graduates numbering 605 and 579 respectively from Camp Fiji to the Bus Station. Upon impact/explosion of the IED my head struck the right side passenger window causing head pain and an initial headache. After securing the area, reporting casualties the convoy returned to a safe location. I was assessed by my team leader ILT William Steal. 1 LT sent me to the CA5H where I was examined and treated with mild head trauma.

Since returning from deployment I have seen my physician for constant headaches and neck pain. Notes from my physician are attached.
