while refusing to face his own The vows we d exchanged should have bound us tighter than blood and flesh Instead they opened old wounds exposed pain and insecurities and lured bitter enemies out of the shadows I felt him slipping from my grasp my greatest fears becoming my reality my love tested in ways I wasn t sure I was strong enough to bear At the brightest time in our lives the darkness of his past encroached and threatened everything we d worked so hard for We faced a terrible choice the familiar safety of the lives we d had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream      **One with You** Sylvia Day,2016 Eva and Gideon have bared their deepest ugliest secrets to one another Gideon is the mirror that reflects all her flaws and all the beauty she couldn t see Now she must prove she can be the rock the shelter for him that he is for her But their greatest battle may lie within the very vows that give them strength Committing to love was only the beginning Fighting for it will either set them free or break them apart      Sylvia Day Serie Crossfire Libros I.
