The Naming Of The Beasts Felix Castor:

The Naming of the Beasts Mike Carey, 2018-07-10 Author of *The Girl With All the Gifts* Mike Carey presents the fifth book in his hip supernatural thriller series featuring freelance exorcist Felix Castor. They say the road to Hell is paved with good intentions but if you ask Castor he'll tell you there's quite a bit of arrogance and reckless stupidity lining the streets as well. He should know. There's only so many times you can play both sides against the middle and get away with it. Now the inevitable moment of crisis has arrived and it's left Castor with blood on his hands. Castor drowns his guilt in cheap whiskey while an innocent woman lies dead and her daughter comatose. His few remaining friends fear for their lives and there's a demon loose on the streets. But not just any demon: this one rides shotgun on Castor's best friend's soul and can't be expelled without killing him. Looks like Felix Castor's got some tough choices to make because to expel the demon he must or all Hell will break loose.

Thicker Than Water Mike Carey, 2018-06-19 Author of *The Girl With All the Gifts* Mike Carey presents the fourth book in his hip supernatural thriller series featuring freelance exorcist Felix Castor. Old ghosts are coming back to haunt Felix. Names and faces he thought he'd left behind in Liverpool resurface in London, bringing Felix far more trouble than he'd anticipated. Childhood memories, family traumas, sins old and new, and a council estate that was meant to be a modern utopia until it turned into something like hell. These are just some of the sticks life uses to beat Felix Castor with as things go from bad to worse for London's favorite freelance exorcist. See, Castor's stepped over the line this time and he knows he'll have to pay. The only question is how much. Not the best of times then for an unwelcome confrontation with his holier-than-thou brother Matthew. And just when he thinks things can't possibly get any worse, along comes Father Gwilliam and the Anathema. Oh joy.

Fang-tastic Fiction Patricia O'Brien Mathews, 2011 Mathews uses a limited definition of paranormal and examines works set for the most part in a relatively realistic modern world inhabited by both humans and paranormal beings.
