The New Midwifery Science And Sensitivity In Practice 2e:

The New Midwifery Lesley Ann Page, Rona McCandlish, 2006-10-06 The eBook version of this title gives you access to the complete book content electronically Evolve eBooks allows you to quickly search the entire book make notes add highlights and study more efficiently Buying other Evolve eBooks titles makes your learning experience even better all of the eBooks will work together on your electronic bookshelf so that you can search across your entire library of Midwifery eBooks Please note that this version is the eBook only and does not include the printed textbook Alternatively you can buy the Text and Evolve eBooks Package which gives you the printed book plus the eBook Please scroll down to our Related Titles section to find this title I still have the confidence of that whole period And I think that will stay with me for the rest of my life Definitely a great sense of triumph really It s incredible Being a midwife today requires not only good clinical skills but also a broad understanding of the social and emotional changes a woman goes through before and after birth The New Midwifery Second Edition looks at combining scientific knowledge with the more intangible skills needed in sensitive communication to provide the best possible care for the mother and her family There was a kind of silence in the relationship a stillness which was very important And we d done all the talking in the build up So the talking was done I felt confident that she the midwife knew where I was coming from and vice versa It was like we d done all our dress rehearsal what if what if And on the day there was nothing left to say really So it just felt very calm and I think that was the most important thing The second edition of this celebrated text explores vividly the various skills and approaches that lead to successful midwifery practice and uses care stories to bring these to life Building on a thorough grounding of theory and research evidence The New Midwifery will enable all midwives to practise with a more effective range of skills and as these real life quotes from mothers bear out provide unique professional support before during and after birth I think we had a really good relationship actually It was more of a friend relationship but a friend you could trust in a professional friend you could rely on Provides a refreshingly new approach to key areas of midwifery practice in a way that brings practice to life Illustrates and supports the fundamental changes currently taking place in midwifery around the world Builds on the most up to date evidence based research to suggest guidelines for best practices Explores the impact of parenthood and offers strategies for effectively supporting individuals during this period of transition Includes care stories case studies that highlight positive midwifery care and successful childbirth experiences Offers contrasting stories from around the world illustrating how maternity care in industrialized society differs from that in a non industrial or third world environment Provides up to date research and reference material Sustainability, Midwifery and Birth Lorna Davies, Rea Daellenbach, Mary Kensington, 2010-10-18 Environmental awareness and sustainability are vitally important concepts in the twenty first century and as a low environmental impact healthcare profession midwifery has the potential to stand as a model of excellence This innovative volume promotes a sustainable approach to midwifery practice philosophy business administration and resource

management Drawing on an interdisciplinary body of knowledge this international collection of experts explores the challenges inviting readers to critically reflect on the issues and consider how they could move to effect changes within their own working environments Divided into three parts the book discusses The politics of midwifery and sustainability Midwifery as a sustainable healthcare practice Supporting an ecological approach to parenting Sustainability Midwifery and Birth identifies existing models of sustainable midwifery practice such as the continuity of care model and highlights the potential for midwifery as a role model for ecologically sound health care provision This unique book is a vital read for all midwives and midwifery students interested in sustainable practice Contributors include Sally Baddock Carol Bartle Ruth Deery Nadine Pilley Edwards Ina May Gaskin Megan Gibbons Carolyn Hastie Mary Kensington Mavis Kirkham Nicky Leap Ruth Martis Zo Meleo Erwin Jenny Meyer Jo Murphy Lawless Mary Nolan Sally Pairman and Sally Tracy **Postnatal Care** Sheena Byrom, Grace Edwards, Debra Bick, 2009-10-09 Essential Midwifery Practice Postnatal Care summarises the important developments in postnatal care in relation to recent policy and guidance and relates the recommendations to midwifery practice in a clear and easily understood manner With contributions from experts in the field this practical text provides a resource for postnatal service provision in both hospital and community offering a framework to assist midwives understand the background to care With a focus on a woman and family centred philosophy and community engagement models of care this text explores issues including clinical care within the postnatal period transition into parenthood empowering parents morbidity and postnatal care the healthy newborn and engaging vulnerable women and families Essential Midwifery Practice Postnatal Care forms part of a series of books that succinctly address the needs of practising midwives on a number of contemporary issues Includes up to date information on recent policy including NICE guidelines Written by respected experts in the field Focused on women and family centered care For both hospital and community midwives

Knowledge-in-Practice in the Caring Professions Dr Adrian Schoo, Dr Struan Jacobs, Ms Heather D'Cruz, 2012-12-28

Knowledge in Practice in the Caring Professions explores the nature and role of knowledge in the practical work of the caring professions It focuses on knowledge of the practical over the theoretical looking at the application of theory and the implementation of skill judgment and discretion Containing contributions from experts in a variety of fields the research within this book offers a unique perspective on professional practice as multi disciplinary illustrating shared and overlapping understandings in knowledge in practice between the different professions as well as understandings that are distinctive to each discipline It underlines that in order to effectively address the range of social psychological and health problems facing contemporary societies professionals need to engage in cooperative models of practice **Intrapartum Care** Denis Walsh, Soo Downe, 2013-05-07 Intrapartum care has undergone profound changes over the past fifty years Essential Midwifery Practice Intrapartum Care takes a broad sweep to examine these changes and their intersection with midwifery in particular their impact on the midwife's role during labour and birth It is an invaluable guide for all midwives Essential

Midwifery Practice Intrapartum Care addresses a wide range of topics including the evolution of intrapartum care debates about knowledge and childbirth education It looks at birth environments labour rhythms working with pain normal birth unusual labours and complementary therapies Written by key experts and providing guidance on best practice this unique and diverse text will bring readers up to date with the latest research and reflection in their specialist fields Written by key experts in their respective fields coming together for the first time Provides comprehensive examination of normal birth practice Evidence based bringing you up to date with the latest research

Midwives' Emotional Care of Women becoming Mothers Sue Barker, 2011-01-18 This book offers an overview of the emotional care given by midwives to women based on the literature reviews and research undertaken by Sue Barker Its chapters are mostly based around the questions she asked herself when exploring the area What is motherhood Who supports women at this time What is emotional care What are the experiences of midwives offering emotional care What is emotion work How does emotional care help women She considers a wide range of literature sources to understand what is happening for the midwives and the women Given the extensive use of referenced work the book should be useful for those thinking of undertaking a midwifery programme or those already engaged on any health care programmes This book though is written with an easily accessible language so should be a useful source for voluntary groups and women on their journey to motherhood Midwifery care and motherhood are influenced by the culture within which they are experienced This book has therefore considered the cultural hegemony and the differing ideologies within midwifery The research was undertaken in the UK where most women receive midwifery care through the NHS therefore the midwives interviewed were all employed by the state This may well have influenced their expectations and the women's expectations of them It may be that independent midwives would not have experienced some of the dilemmas faced by these midwives Despite this the view of midwifery professional bodies government guidance and research all support a with woman approach to giving emotional support This book offers a detailed description of how emotional support as part of emotional care is given by midwives in their attempts to reduce or ameliorate emotional distress and provide comfort

Midwifery: Best Practice Volume 5 Sara Wickham, 2009-01-29 This is Volume 5 in the Midwifery Best Practice series Each of the volumes in this Series is built around the familiar core of four main topic areas relevant to midwifery pregnancy labour birth postnatal and stories reflection and also includes a number of focus on sections These are different in each volume and reflect a wide range of key and topical issues within midwifery Each volume builds upon the others to provide a comprehensive library of articles that shows the development of thought in key midwifery areas Volume 5 offers a range of wholly new topic areas within the focus on sections covering the birthing environment women midwives and risk holistic health and working international stories A practical reference source containing a wide range of articles research and original material in an easily accessible format Volume 5 offers a more interactive learning experience by inviting midwives to create their own questions before reading the articles and then returning to these afterwards for reflective

thought Diverse opinions on selected topics provide a comprehensive resource for debate and discussion Unique approach includes ideas on how to turn reading into professional development activities Includes 60 articles from The Practising Midwife 2004 5 4 research articles from Midwifery 2004 5 3 articles from The Journal of Midwifery and Women s Health 2003 5 and 5 original articles commissioned for this book 60 articles from The Practising Midwife 2004 05 4 research articles from Midwifery 2004 05 3 articles from The Journal of Midwifery and Women s Health 2003 05 5 original articles commissioned for this book

Decision-Making in Midwifery Practice Maureen D. Raynor, Jayne E. Marshall, Amanda Sullivan, 2005-04-01 The eBook version of this title gives you access to the complete book content electronically Evolve eBooks allows you to quickly search the entire book make notes add highlights and study more efficiently Buying other Evolve eBooks titles makes your learning experience even better all of the eBooks will work together on your electronic bookshelf so that you can search across your entire library of Midwifery eBooks Please note that this version is the eBook only and does not include the printed textbook Alternatively you can buy the Text and Evolve eBooks Package which gives you the printed book plus the eBook Please scroll down to our Related Titles section to find this title The book looks at a broad perspective of decision making and each chapter focuses on a specific aspect related to making crucial decisions Following an initial introduction the book explores the concept of autonomy and the many factors that influence autonomous practise The role of knowledge in decision making using evidence to inform decisions as well as different approaches to decision making are also examined including the traditional or rational approach decision analysis and the development of professional judgement Dilemmas arise when decisions are made and therefore ethical decision making is an important component of this book Management decisions may be different from those related to giving specific care to women hence one chapter focuses on making management decisions Emphasis is also placed on the role of the midwife in helping women make their own decisions the role of reflection in enhancing the decisions midwives make and the support midwives can receive from their Supervisor of Midwives Flowcharts explain and facilitate the decision making process A very practical approach to decision making in midwifery with contributions from midwives who have considerable experience in this area Provides guidelines on how to achieve successful autonomous midwifery practice enabling theory to be effectively applied to practice Includes coverage of management roles and decision making as well as clinical scenarios offering frameworks and flowcharts to guide the inexperienced Suggests different approaches to making difficult decisions

Health Promotion in Midwifery 2nd Edition: Principles and practice Jan Bowden, Vicky Manning, 2006-02-24 Health Promotion in Midwifery explores the principles of health promotion within the practical context of midwifery It clearly outlines and discusses the midwife s role in health promotion making it essential reading for all student and practising midwives as well as clinical practitioners Emphasizing the link between theory and practice the second edition incorporates chapters on domestic violence sexual health breastfeeding and mental health promotion Text boxes make the text accessible and user friendly and

case studies and summaries put the material in practical context Additional readings encourage readers to further research and reflection on their own practice Throughout the book the importance of the role of the midwife in health promotion is emphasized This second edition brings together contributions from a variety of experienced practitioners

Birth Rites and Rights Fatemeh Ebtehaj, Jonathan Herring, Martin Johnson M.A., PhD., F.R.C.O.G., Martin Richards, 2011-07-29 This multi disciplinary collection of essays from the Cambridge Socio Legal Group is concerned with the varying circumstances manner timing and experiences of birth It contains essays from a wide range of disciplines including law medicine anthropology history and sociology examining birth from the perspectives of mother doctor midwife and father Questions considered in the book include who has power during the birthing process How has the experience of birth changed over time Should birth mark a significant change in the legal status of the foetus What is the proper role of birth registration What role if any do fathers have in the birthing process What legal rights should the woman have to refuse treatment during the birthing process What is the significance of changes of the age at which women give birth This stimulating collection of papers provides new insights into one of life s most momentous moments

The New Midwifery Science And Sensitivity In Practice 2e Introduction

In the digital age, access to information has become easier than ever before. The ability to download The New Midwifery Science And Sensitivity In Practice 2e has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The New Midwifery Science And Sensitivity In Practice 2e has opened up a world of possibilities. Downloading The New Midwifery Science And Sensitivity In Practice 2e provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The New Midwifery Science And Sensitivity In Practice 2e has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The New Midwifery Science And Sensitivity In Practice 2e. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The New Midwifery Science And Sensitivity In Practice 2e. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The New Midwifery Science And Sensitivity In Practice 2e, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The New Midwifery Science And Sensitivity In Practice 2e has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The New Midwifery Science And Sensitivity In Practice 2e Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
