**Between History and Myth** Bruce Lincoln, 2024-05-31 All groups tell stories about their beginnings Such tales are often repeated finely wrought and usually much beloved Among those institutions most in need of an impressive creation account is the state it's one of the primary ways states attempt to legitimate themselves But such founding narratives invite revisionist retellings that modify details of the story in ways that undercut ironize and even ridicule the state's ideal self representation Medieval accounts of how Norway was unified by its first king provide a lively revealing and wonderfully entertaining example of this process Taking the story of how Harald Fairhair unified Norway in the ninth century as its central example Bruce Lincoln illuminates the way a state's foundation story blurs the distinction between history and myth

and how variant tellings of origin stories provide opportunities for dissidence and subversion as subtle or not so subtle modifications are introduced through details of character incident and plot structure Lincoln reveals a pattern whereby texts written in Iceland were more critical and infinitely more subtle than those produced in Norway reflecting the fact that the former had a dual audience not just the Norwegian court but also Icelanders of the twelfth and thirteenth centuries whose ancestors had fled from Harald and founded the only non monarchic indeed anti monarchic state in medieval Europe Between History and Myth will appeal not only to specialists in Scandinavian literature and history but also to anyone interested in memory and narrative

*Advance Britannia* Alan Allport,2025-11-06 By 1942 Churchill faced a vastly different war than the one he d inherited from Neville Chamberlain Britain was no longer alone the Soviets were now an unlikely ally in the East and Pearl Harbor had finally pushed America into action Yet the scale of violence remained unchanged On average seven British men women and children were killed every hour of the Second World War The country would never be the same again In *Advance Britannia* historian Alan Allport reveals the war as it was lived from the battlefields to the ration books in the War Ministry and in the air raid shelters Mixing social history with dramatic storytelling this is a definitive account of the war that reshaped the world

**Beat Myths in Literature** Estibaliz Encarnación-Pinedo,2023-09-22 *Beat Myths in Literature* reassesses the work of women poets associated with the Beat Generation from the critical lens of revisionist discourses Using the metaphor and the critical lens of looking back an act infused with feminist implications after Adrienne Rich 1972 the volume focuses on poetry fiction and autobiographical writing to analyze the different ways in which Beat women used revisionist discourses to refashion the Beat Generation and establish themselves as literary and artistic subjects Offering the first comprehensive study of the use of mythology in the Beat Generation *Beat Myths in Literature* Revisionist Strategies in Beat Women focuses on the specific re writing or revisioning of mythical texts As such it studies the ways in which Beat poets incorporate mythology into their works both through the feminist reinvention or appropriation of ancient myths but also by debunking

more contemporary myths used to contain women in particular social and artistic roles Furthermore this volume expands Rich's notion of revision considering memoirs and autobiographies as factual and fictional reinterpretations of history Seen through the eyes of revisionist studies and the poets' investment in personal myth the book establishes new points of entrance into works that allow us to explore the feminist political and poetical relevance of the work of Beat women **Language**
